Lyromix trampoline-4

Lyromix 14FT Pumpkin Trampoline User Manual

Model: trampoline-4

1. IMPORTANT SAFETY INFORMATION

Read all instructions before assembling and using the trampoline. Failure to follow these instructions may result in serious injury. This trampoline is designed for recreational use. Adult supervision is required at all times.

- Ensure the trampoline is placed on a level surface, free from obstructions.
- Only one person should jump at a time to prevent collisions.
- Do not attempt somersaults or other dangerous maneuvers without proper training and supervision.
- Inspect the trampoline regularly for damaged or worn parts. Replace components as needed.
- Keep children away from the trampoline during assembly.
- Do not move the trampoline by pushing it once assembled, as this can damage the frame.

2. ASSEMBLY INSTRUCTIONS

The Lyromix 14FT Pumpkin Trampoline features a galvanized steel frame for rust resistance and is designed for straightforward assembly. It is recommended to have at least two adults for assembly.

2.1 Unpacking and Part Identification

Carefully unpack all components and verify against the parts list provided in the packaging. Ensure all 80 springs, the high-strength jumping mat, safety net, curved poles, 4 U-shaped legs, and accessories are present and undamaged.

2.2 Frame Assembly

1. Connect the frame sections to form the circular base. Ensure all connections are secure.
2. Attach the 4 U-shaped legs to the frame. These legs provide stability and a secure center of gravity.
3. Secure the ground stakes to the trampoline legs and into the ground for added stability, especially in windy conditions.

2.3 Jumping Mat and Spring Installation

1. Lay the jumping mat evenly across the frame.

2. Attach the 80 large springs, connecting the jumping mat to the frame. Use the provided spring tool for easier and safer installation. Ensure even tension by attaching springs opposite each other.
3. Verify the 'No Gap Design' where the jumping mat meets the springs, eliminating gaps for maximum safety.

Image: Illustration of the 'No Gap Design' ensuring safety by eliminating space between the jumping mat and springs.

2.4 Safety Net and Pole Installation

1. Install the curved safety poles around the perimeter of the trampoline. The curved design provides extra space to prevent injury.
2. Attach the 360° all-encompassing safety net to the poles and the trampoline frame. Ensure the net is securely fastened at all points.

Curved Safety Poles

Have extra space
to prevent injury

Without space to
bump heads easily

Image: Curved safety poles designed to provide additional clearance and prevent contact with the poles during use.

Upgraded Trampoline Poles

Create a safe play space for children

Image: Visual comparison showing the upgraded, thicker trampoline poles for enhanced durability and support.

Undamaged Pole

Thickened tubes provide easier support

Damaged Pole

Thin tubes can easily injure children

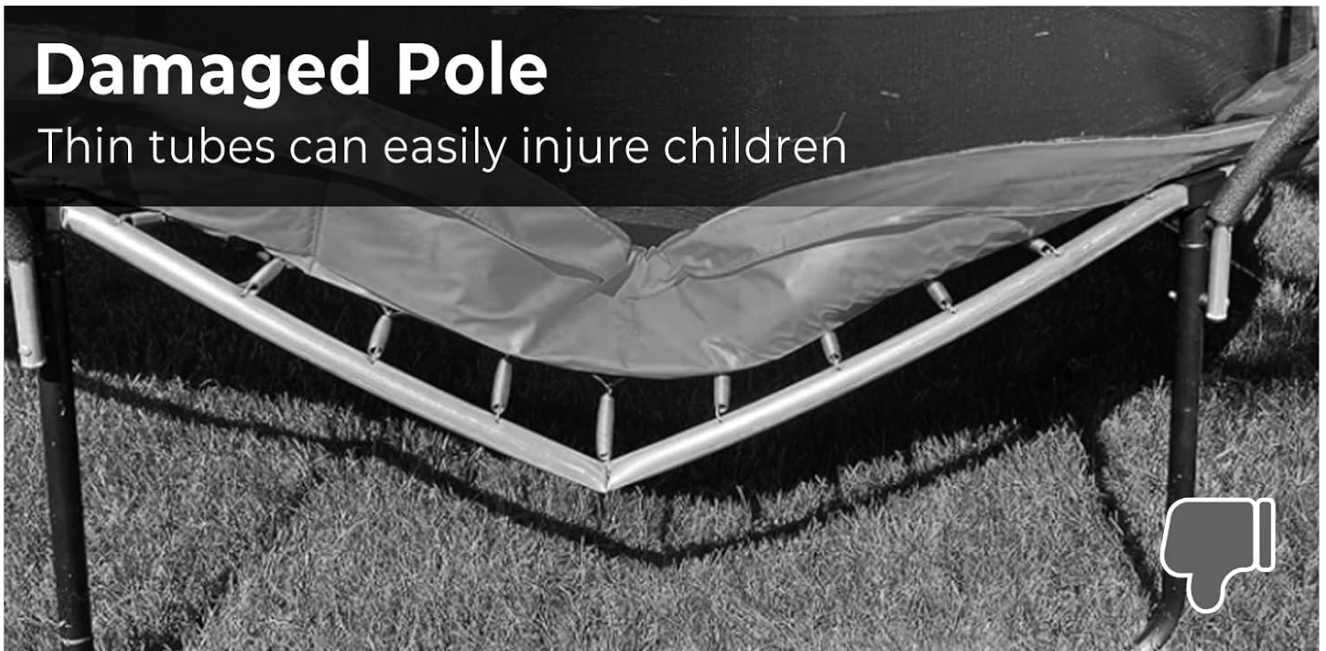

Image: Illustrates the difference between an undamaged, thickened support pole and a damaged, thin pole, emphasizing the importance of structural integrity.

2.5 Accessory Installation

Install the ladder, basketball hoop, LED lighting, and trampoline sprinkler according to their individual instructions. The basketball set includes a pump for inflation.

Upgrade Your Backyard Fun

Image: Overview of the trampoline with various accessories including a basketball hoop, safety net buckle, basketball with inflator, and a wide skid-proof ladder.

3. OPERATING INSTRUCTIONS

Once assembled, the Lyromix 14FT Pumpkin Trampoline provides an expansive and safe jump zone for recreational use.

3.1 General Use

- Always enter and exit the trampoline using the provided ladder.
- Ensure the safety net entrance is securely closed before jumping.
- Jump in the center of the mat for optimal performance and safety.
- Do not wear shoes on the trampoline.
- Remove all sharp objects from pockets before use.

3.2 Using Accessories

- **Basketball Hoop:** Use the provided basketball and pump. Do not hang on the hoop or net.
- **Trampoline Sprinkler:** Attach to a garden hose for a refreshing water play experience. Ensure water pressure is appropriate.
- **LED Lighting:** Install the LED lights as directed to enhance visibility and enjoyment during evening use.

Suitable for All Ages

4 W-shape legs support stable and safe jumping

Image: Illustrates the trampoline's capacity and dimensions, highlighting features like 'Injury free-No Foot Inserting' and 'Built To Last'.

4. MAINTENANCE

Regular maintenance ensures the longevity and safety of your Lyromix trampoline.

- **Inspection:** Periodically check all components for wear, tear, or damage. Pay close attention to the jumping mat, springs, safety net (made from UV-resistant materials and tested to American UV standard of 5000 hours), frame, and padding.

- **Cleaning:** Clean the jumping mat and frame with mild soap and water. Avoid harsh chemicals.
- **Rust Prevention:** The galvanized steel frame is designed to resist rust, but regular cleaning and inspection for scratches or chips can help prevent corrosion.
- **Weather Protection:** In extreme weather conditions (heavy winds, snow), it is advisable to secure the trampoline further with additional stakes or temporarily disassemble the safety net and other removable components.
- **Relocation:** If relocation is necessary, disassemble the trampoline first. Do not attempt to drag or push the assembled trampoline, as this can cause structural damage.

5. TROUBLESHOOTING

This section addresses common issues you might encounter with your trampoline.

- **Missing Parts Upon Arrival:** If any parts, such as the bouncing pad or net, are missing or damaged upon delivery, immediately contact customer support with your purchase details.
- **Frame Buckling:** Frame buckling can occur if the trampoline is moved by pushing or dragging it while assembled. Always disassemble the trampoline before moving it to a new location.
- **Uneven Jumping Surface:** Ensure the trampoline is placed on a completely flat and level surface. Check that all legs are firmly on the ground and that the frame is not twisted.
- **Reduced Bounce:** Inspect all springs for damage or stretching. Replace any compromised springs. Ensure the jumping mat is free from tears or excessive wear.
- **Safety Net Issues:** If the safety net is torn or loose, inspect its attachment points and repair or replace as necessary. Ensure the zipper or buckle closure is functioning correctly.

6. SPECIFICATIONS

Feature	Detail
Brand	Lyromix
Model Name	Lyromix Pumpkin Trampoline
Model Number	trampoline-4
Frame Size	14 Feet
Shape	Round
Item Dimensions (L x W x H)	4.27L x 4.27W x 2.74H Meters
Frame Material	Alloy Steel (Galvanized)
Jumping Mat Material	Nylon Polyvinyl Chloride (PVC)
Number of Springs	80
Pad Type	Foam Pad
Color	Dark Green
UPC	797430186472
