5.3. Dual Connection

The truefree O1 supports simultaneous connection to two devices, allowing for seamless switching between audio sources. For example, you can be connected to both your smartphone and laptop, and the earbuds will automatically switch to the device playing audio.

Manage this feature through the truefree App under "Dual Device Connection" settings.

6. MAINTENANCE

- Cleaning:** Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth. Avoid using abrasive materials or harsh chemicals.
- Storage:** When not in use, store the earbuds in their charging case to protect them and ensure they remain charged.
- Water Resistance:** The truefree O1 earbuds are rated IPX4 water resistant, meaning they are protected against splashing water from any direction. They are suitable for workouts and light rain but should not be submerged in water.
- Battery Care:** To prolong battery life, avoid fully discharging the earbuds and charging case frequently.

Charge them regularly, even if not in constant use.

7. TROUBLESHOOTING

Earbuds not pairing or connecting:

- Ensure both earbuds are charged.
- Turn off and on your device's Bluetooth.
- Forget "truefree O1" from your device's Bluetooth list and attempt to pair again.
- Place earbuds back in the case, close the lid, wait a few seconds, then open and try pairing.

No sound or low volume:

- Check the volume level on both your device and the earbuds.
- Ensure the earbuds are properly seated on your ears.
- Try playing audio from a different application or device.

Charging issues:

- Verify the USB-C cable is securely connected to both the case and the power source.
- Ensure the charging contacts on the earbuds and inside the case are clean and free of debris.
- Try a different charging cable or power adapter.

App connection issues:

- Ensure the earbuds are connected to your phone via Bluetooth before opening the app.
- Restart the truefree App.
- If experiencing login issues, refer to the app's help section or contact truefree support.
