Lufeiya LFY-JC3DSP55-White

Lufeiya 55-Inch Computer Desk Instruction Manual

Model: LFY-JC3DSP55-White

1. Introduction

Thank you for choosing the Lufeiya 55-Inch Computer Desk. This desk is designed to enhance your home office, study, or gaming setup with its versatile features and modern design. It includes a built-in power strip, LED lighting, a monitor stand, and ample storage solutions to keep your workspace organized and efficient.

Figure 1: Overview of the Lufeiya 55-Inch Computer Desk.

2. Safety Information

Please read and understand all safety instructions before assembly and use. Failure to follow these instructions may result in injury or damage to the product.

- Proper assembly is required to ensure stability. Do not exceed the listed weight limit for any part of the desk.
- Keep all small parts and packaging materials away from children.
- Ensure all electrical connections are secure and follow local electrical codes. Do not overload the power strip.
- Avoid placing hot items directly on the desk surface without protection.

3. Package Contents

Verify that all components are present before beginning assembly. If any parts are missing or damaged, please contact customer service.

- Desk components (tabletop, frame, shelves)
- Monitor stand
- Built-in power strip with 3 outlets & 2 USB ports
- 3 Fabric drawers
- Headphone hook
- Storage bag
- Assembly hardware and tools
- Instruction manual

4. Assembly Instructions

A detailed instruction manual and all necessary tools are provided with your desk. No additional tools are required for assembly. Please follow the step-by-step guide carefully to ensure proper and stable construction.

1. Unpack all components and verify against the package contents list.
2. Identify each part using the labels in the instruction manual.
3. Assemble the main desk frame according to the diagrams.
4. Attach the monitor stand and power strip as indicated.
5. Install the storage shelves and fabric drawers. Note that the middle board of the 2-tier adjustable shelves can be customized for computer tower space.
6. Attach the headphone hook and storage bag.
7. Adjust the leg pads to ensure the desk is stable on uneven surfaces.

5. Operating Instructions

5.1. Safety Multifunctional Power Strip

The desk features a built-in power strip with 3 standard power outlets and 2 USB charging ports. This allows for convenient power access for your computer, monitor, gaming gear, and mobile devices directly from your desk.

Figure 3: Built-in Power Strip.

5.2. Gaming Desk with LED Lights

Enhance your gaming or work atmosphere with the integrated RGB LED lights. You can control the color, brightness, and color temperature of the LED strips using a mobile application. The app also supports various flash modes and can synchronize the light with music rhythm.

Figure 4: RGB LED Lights and Mobile App Control.

5.3. Sturdy Structure with Monitor Stand

The desk includes a dedicated monitor stand designed to accommodate two monitors or laptops. This feature elevates your screens to eye-level, promoting better posture and reducing strain on your neck and spine during extended use.

Figure 5: Monitor Stand in Use.

5.4. Versatile File Cabinet and Drawers

The desk is equipped with three fabric drawers, offering lightweight and mobile storage. One versatile file cabinet drawer is adjustable to fit legal or letter-sized files, keeping your documents organized. Two smaller drawers provide additional storage for office supplies.

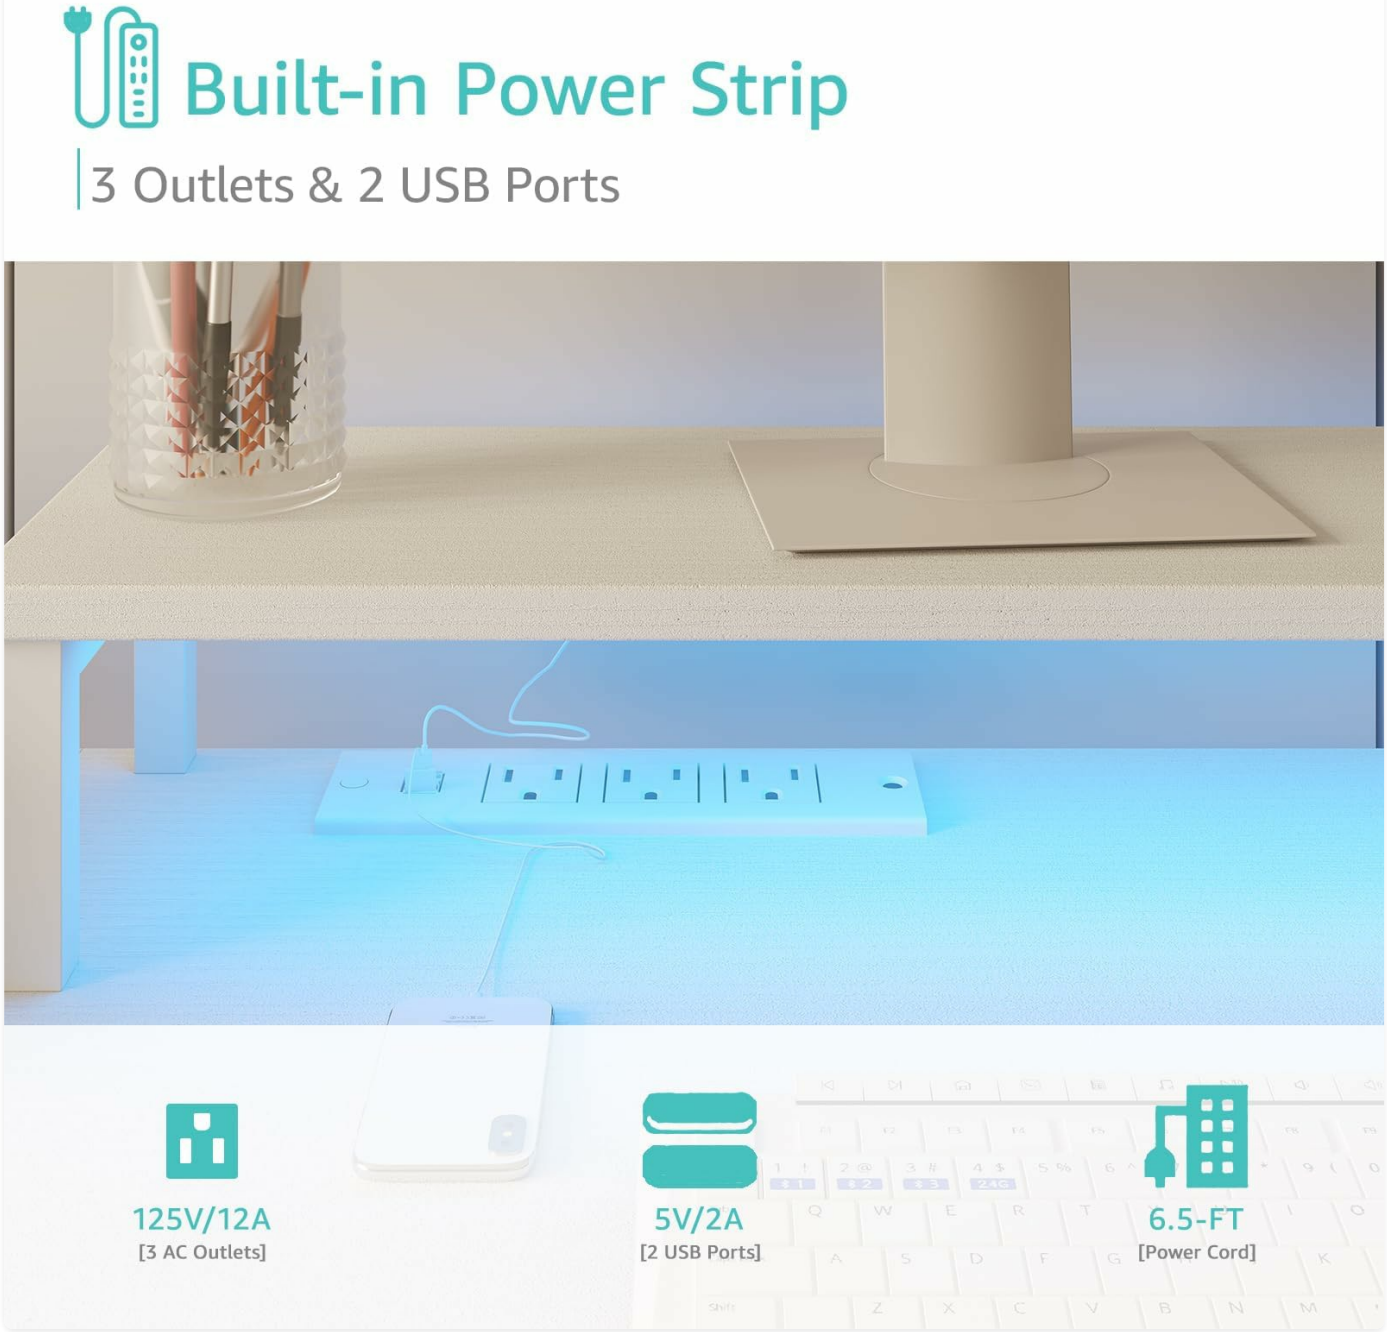

Figure 7: Adjustable File Drawer for Different File Sizes.

5.5. Work Desk with Storage Shelves

Beyond the drawers, the desk includes fixed and adjustable shelves. The fixed shelf is suitable for office supplies or personal items. The 2-tier adjustable shelves can be configured to your preference, including creating space for a computer tower by adjusting the middle board.

Figure 8: Additional Features: Waterproof Surface, Hooks, and Adjustable Leg Pads.

6. Maintenance

To ensure the longevity and appearance of your Lufeiya Computer Desk, follow these maintenance guidelines:

- Wipe surfaces regularly with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- For spills, clean immediately to prevent staining. The desk surface is waterproof for easy cleaning.
- Periodically check and tighten all screws and fasteners to maintain stability.
- Keep the desk away from direct sunlight and extreme temperature changes to prevent material warping or discoloration.

7. Troubleshooting

If you encounter any issues with your desk, please refer to the following common troubleshooting tips:

- **Desk Wobbles:** Ensure all screws are tightened. Adjust the leg pads at the bottom of the desk to compensate for uneven flooring.
- **LED Lights Not Working:** Check if the power strip is plugged in and receiving power. Verify the LED strip connection to the power source. Ensure the mobile app is correctly paired and updated.
- **Drawers Not Sliding Smoothly:** Check for any obstructions in the drawer tracks. Ensure the fabric drawers are correctly inserted and not overloaded.
- **Power Outlets Not Functioning:** Confirm the main power cord is securely plugged into a wall outlet. Check if the power strip's circuit breaker (if present) has tripped.

For persistent issues or problems not listed here, please contact customer support.

8. Specifications

Feature	Detail
Brand	Lufeiya
