# Zinus Caleb Metal Platform Bed Frame User Manual

Model: EU-FSSSB4ZC-14H

## 1. INTRODUCTION

---

Thank you for choosing the Zinus Caleb Metal Platform Bed Frame. This manual provides important information regarding the assembly, usage, maintenance, and safety of your new bed frame. Designed for durability and convenience, the Caleb bed frame features a modern aesthetic, a robust all-steel construction, and an innovative foldable design for easy setup and storage. Its integrated support slats eliminate the need for a box spring, and the generous under-bed clearance offers practical storage solutions.

## 2. SAFETY INFORMATION

---

**WARNING: Failure to follow these safety instructions could result in injury or damage to the product.**

- Exercise caution during the assembly and disassembly of the bed frame due to its folding structure. Keep hands and fingers clear of pinch points.
- Do not exceed the maximum weight limit of **319.8 kg (705 lbs)**. This includes the weight of the mattress and occupants.
- Keep the bed frame away from liquids to prevent potential safety hazards, such as rust or electrical shorting if used with electrical components.
- Ensure all bolts and connections are securely tightened before use and periodically check them for looseness.
- Do not allow children to play on or around the bed frame during assembly.

## 3. PACKAGE CONTENTS

---

Before beginning assembly, verify that all components are present and undamaged. If any parts are missing or damaged, please contact Zinus customer support.

- Foldable Metal Bed Frame Sections
- Support Slats
- Assembly Hardware (bolts, washers, nuts)
- Assembly Tool (ratchet wrench)
- Instruction Manual (this document)

## 4. SETUP AND ASSEMBLY

---

The Zinus Caleb bed frame is designed for quick and easy assembly, typically taking less than 30 minutes with just 3 simple steps.

### Assembly Steps:

1. **Unfold the Frame:** Carefully unfold the main sections of the metal bed frame. The hinged design allows the frame to expand into its full shape.
2. **Secure Connections:** Align the frame sections and secure them using the provided bolts and the included ratchet wrench. Ensure all connections are tight to provide maximum stability.
3. **Place Slats:** The support slats are integrated into the frame. Ensure they are properly extended and locked into place across the width of the frame.

## 5. USAGE

---

Once assembled, your Zinus Caleb bed frame is ready for use. Simply place your mattress directly onto the support slats. No box spring is required.

### **Under-Bed Storage:**

The bed frame provides approximately **31 cm (12.2 inches)** of clearance underneath, offering ample space for storage bins, luggage, or other items, helping to keep your bedroom tidy and organized.

## 6. MAINTENANCE

---

To ensure the longevity and optimal performance of your Zinus Caleb bed frame, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the metal frame with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, which can damage the finish.
- **Regular Checks:** Periodically inspect all bolts and connections to ensure they remain tight. Re-tighten if necessary to maintain stability and prevent squeaking.
- **Avoid Liquids:** Keep the bed frame dry and away from excessive moisture to prevent rust.

## 7. TROUBLESHOOTING

---

If you encounter any issues with your Zinus Caleb bed frame, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Screws are difficult to tighten.	Misalignment or manufacturing tolerance.	Ensure components are correctly aligned before tightening. Apply firm, steady pressure. If the provided wrench is insufficient, a standard ratchet wrench may offer better leverage.
A crossbar or slat does not clip into place.	Component is upside down or misaligned.	Check the orientation of the component. Ensure it is not inverted. Realign and attempt to clip into place. Do not force.
Bed frame moves or squeaks.	Loose connections or uneven floor.	Re-tighten all bolts and connections. Ensure the bed frame is on a level surface. If the floor is uneven, consider using furniture pads under the legs to stabilize.
Slats unclip too easily.	Improper installation or manufacturing defect.	Ensure slats are fully extended and properly seated in their designated slots. If the issue persists, contact customer support.

If you experience a problem not listed here, or if the suggested solutions do not resolve the issue, please contact Zinus customer support for further assistance.

## 8. SPECIFICATIONS

Feature	Detail
Brand	Zinus
Model Number	EU-FSSSB4ZC-14H
Color	Black
Material	Metal
Product Dimensions (L x W x H)	200 x 180 x 36 cm (78.7 x 70.9 x 14.2 inches)
Item Weight	17.6 Kilograms (38.8 lbs)
Maximum Weight Capacity	319.8 kg (705 lbs)
Under-Bed Clearance	Approx. 31 cm (12.2 inches)
Special Feature	Foldable
Compatible Mattress Size	Double, Queen (Note: Specific dimensions are 180x200cm, which is typically a King size in many regions, please verify mattress fit.)
Country of Origin	China
