Dowinx LS-665503-EU

Dowinx LS-665503-EU Gaming Chair User Manual

Model: LS-665503-EU | Brand: Dowinx

Figure 1: The Dowinx LS-665503-EU Gaming Chair in a typical setup, showcasing its ergonomic design and aesthetic appeal.

INTRODUCTION

This user manual provides comprehensive instructions for the assembly, operation, and maintenance of your Dowinx LS-665503-EU Gaming Chair. Please read this manual carefully before use to ensure proper setup and to maximize your comfort and the chair's lifespan. This chair is designed for ergonomic support and durability, featuring high-quality materials and adjustable components.

KEY FEATURES

- **Ergonomic Design:** Features an ergonomic shape and high elasticity for optimal comfort during extended use, whether gaming or working. Includes a cute design lumbar support.

- **Adjustable Armrests:** Armrests are adjustable in height and rotation to perfectly fit your elbows, ensuring a healthy posture.
- **Reclining Backrest:** The backrest can be adjusted up to 145 degrees for a relaxing experience.
- **Premium Materials:** Constructed with a sturdy metal frame and durable nylon base. Features an 11 cm thick cushion, ultra-soft fleece, and durable PU leather material for maximum comfort and support.
- **High Load Capacity:** Designed to support up to 150 kg (330 lbs), ensuring strength and stability.
- **Unique Aesthetic:** Adorned with a charming dog design, including embroidered details and removable fluffy cat ears, adding a unique touch to any room.

Original Kätzchen Muster

Das Hündchen auf der Rückenlehne des Stuhls ist mit Samt bestickt und hat einen tollen flauschigen Touch.

Die Logos sind gestickt und bieten ein Höchstmaß an Detailreichtum.

Figure 3: Illustration of the chair's decorative elements, including detachable cat ears, a puppy-shaped headrest, and an optional puppy plush toy.

ASSEMBLY INSTRUCTIONS

Detailed instructions and all necessary installation tools are included in the product package. Please follow the step-by-step guide provided to ensure correct and safe assembly.

1. **Unpack Components:** Carefully remove all parts from the packaging and verify against the parts list in the included manual.
2. **Attach Wheels to Base:** Insert the five caster wheels into the holes on the nylon base until they click securely into place.
3. **Insert Gas Lift:** Place the gas lift cylinder into the center hole of the base.
4. **Assemble Seat Mechanism:** Attach the seat mechanism to the underside of the seat cushion using the provided screws. Ensure the front of the mechanism faces the front of the seat.

5. **Attach Armrests:** Secure the armrests to the seat base using the designated screws.
6. **Connect Backrest to Seat:** Align the backrest with the seat and secure it using the screws.
7. **Place Seat Assembly on Gas Lift:** Carefully place the assembled seat and backrest onto the gas lift cylinder.
8. **Attach Lumbar and Headrest Cushions:** Position the lumbar support and headrest cushions as desired. The lumbar support may have a massage function requiring power connection (see Operating Instructions).
9. **Final Checks:** Ensure all screws are tightened and the chair is stable before use.

Figure 4: Product Dimensions and Recommended User Specifications. This diagram illustrates the chair's overall dimensions, including seat height range (45-52cm), seat width (51cm), backrest height (73cm), and armrest height (24cm). It also indicates a recommended user height range of 155-185cm and a maximum load capacity of 135kg.

OPERATING INSTRUCTIONS

Your Dowinx gaming chair offers several adjustable features to customize your seating experience.

- **Height Adjustment:** To adjust the chair's height, locate the lever under the seat on the right side. Pull the lever up while seated to lower the chair, or pull it up while standing to raise it. Release the lever at your desired height.
- **Backrest Recline:** Use the recline lever, typically on the left side of the seat, to adjust the backrest angle. The backrest can recline up to 145 degrees. Lean back to your desired angle and release the lever to lock it in place.
- **Armrest Adjustment:** The armrests can be adjusted for height and rotation. Look for buttons or levers on the armrests themselves to make these adjustments. Adjust them to support your elbows comfortably.
- **Lumbar Massage Function:** If your lumbar support cushion includes a massage function, connect it to a power source (e.g., USB port) as indicated in the specific instructions for the cushion. Activate the massage function via its integrated controls.
- **Footrest Extension:** Pull out the retractable footrest located under the seat for additional leg support when reclining. Push it back in when not in use.

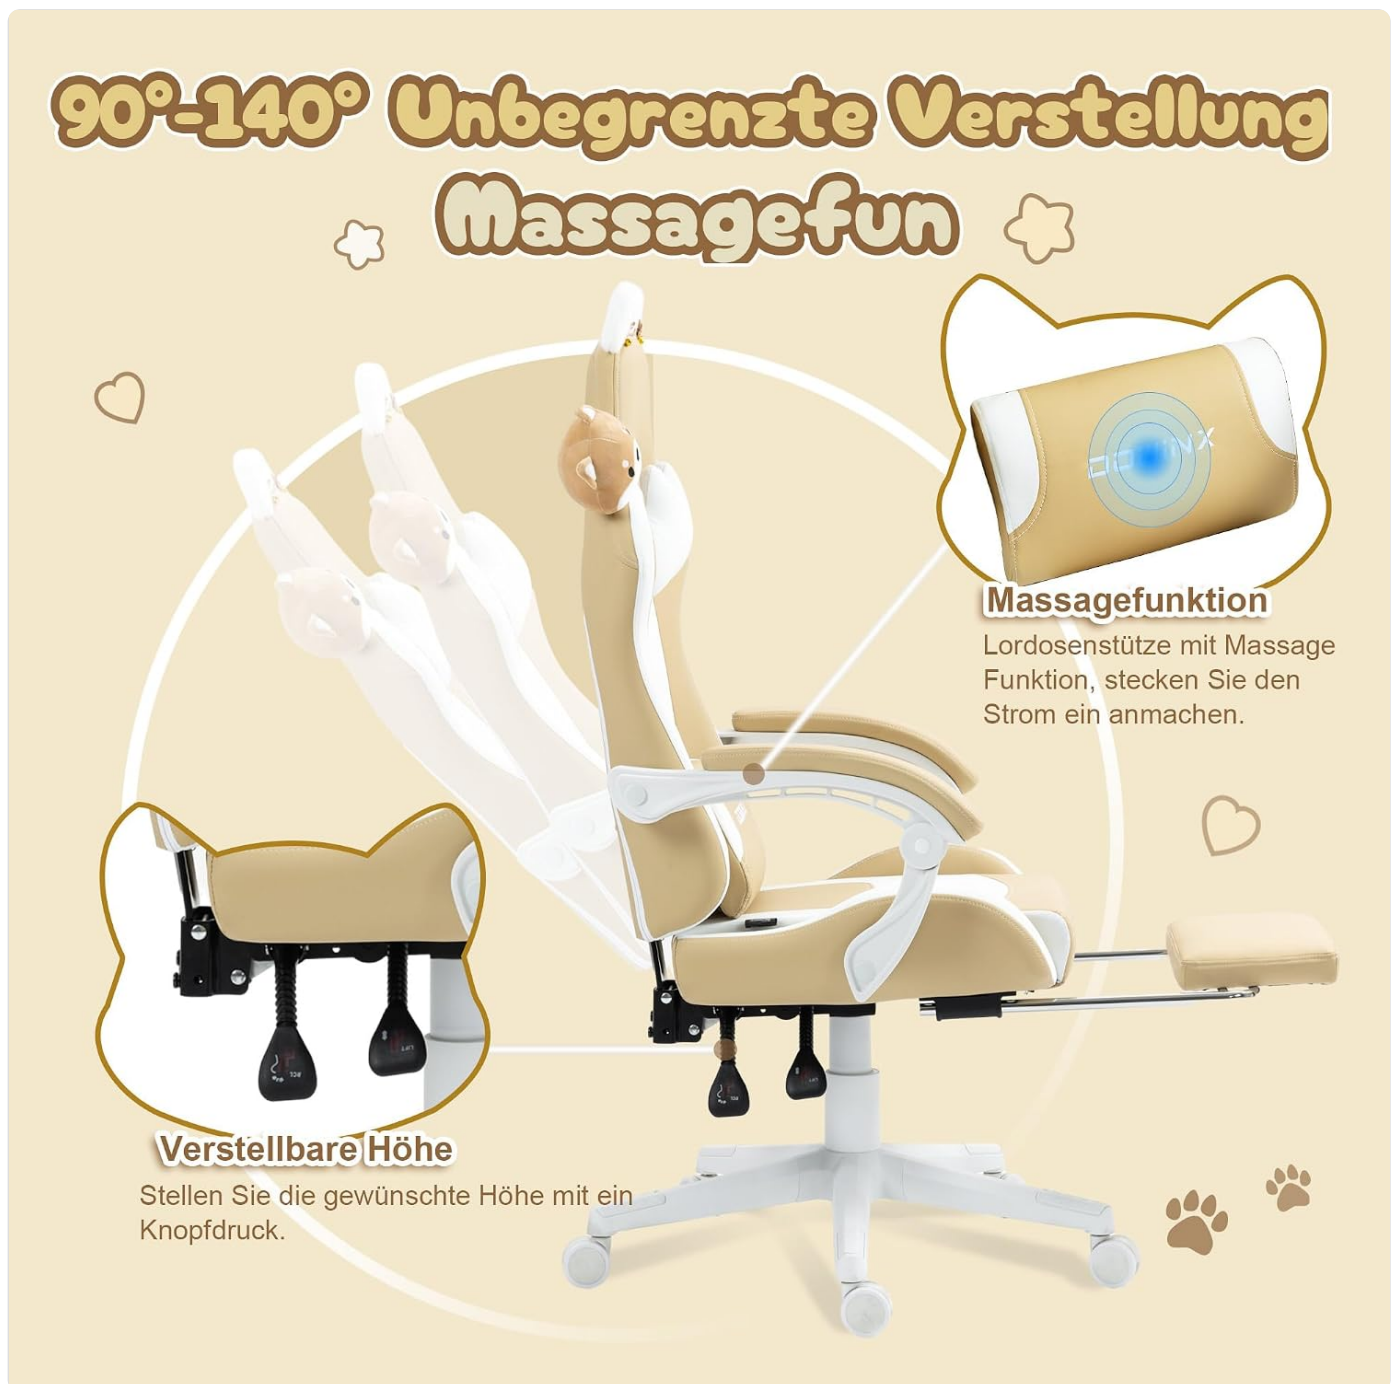

Figure 5: Recline, Height, and Massage Functions. This image demonstrates the chair's ability to recline between 90 and 140 degrees, its adjustable height mechanism, and the integrated massage function within the lumbar support cushion.

Patentiertes Gestänge

Armlehnen

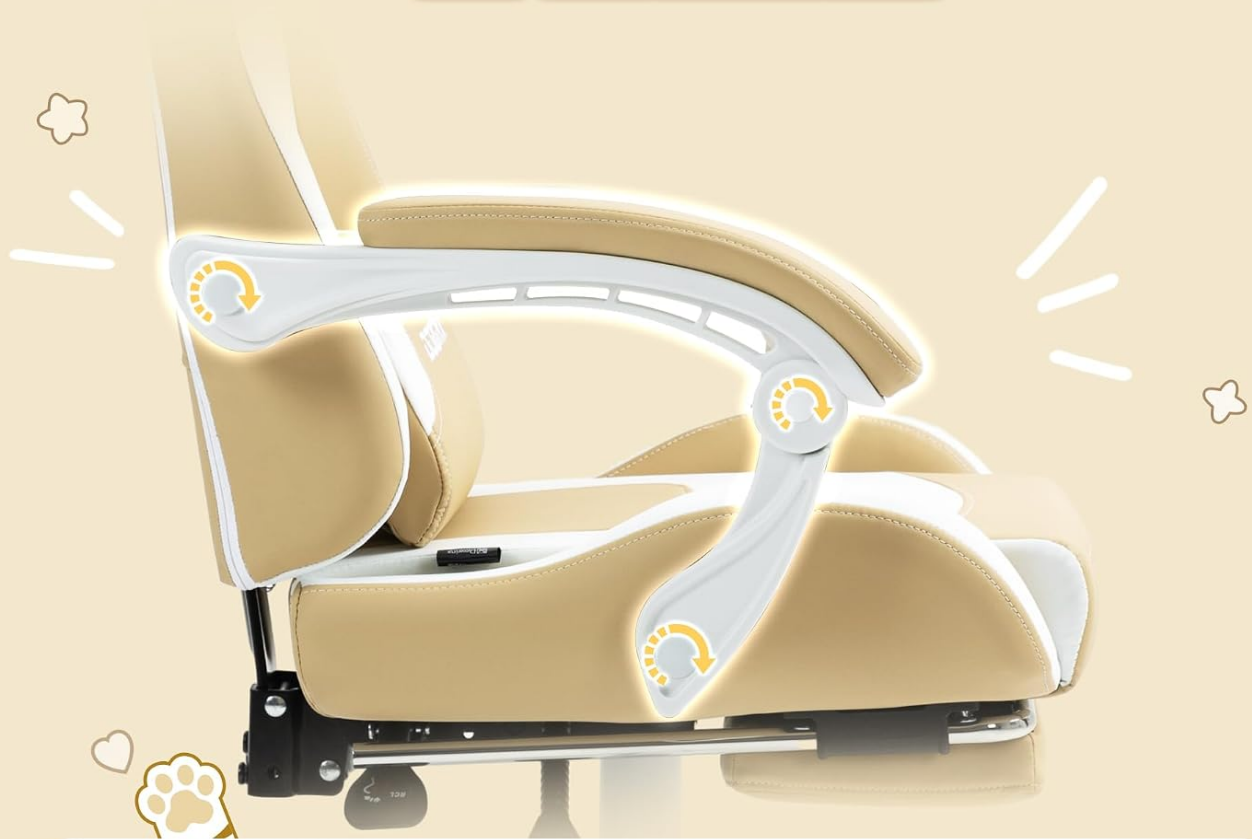

Figure 6: Patented Armrest Linkage. This diagram highlights the unique design of the Dowinx armrests, which move synchronously with the backrest's recline, ensuring consistent elbow support regardless of the chair's angle.

MAINTENANCE AND CARE

Regular maintenance will help preserve the appearance and functionality of your gaming chair.

- **Cleaning:** For general cleaning, wipe the PU leather and plastic parts with a soft, damp cloth. For stubborn stains, use a mild soap solution and wipe dry immediately. Avoid harsh chemicals or abrasive cleaners.
- **Caster Wheels:** Periodically check the caster wheels for hair or debris buildup and clean them to ensure smooth movement.
- **Tighten Fasteners:** Over time, screws and bolts may loosen. Periodically check all fasteners and tighten them as needed to maintain stability and safety.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause the PU leather to fade or crack. Position your chair away from direct sunlight if possible.

- **Weight Limit:** Do not exceed the maximum weight capacity of 150 kg (330 lbs) to prevent damage to the chair and ensure user safety.

TROUBLESHOOTING

Common Issues and Solutions

Problem	Possible Cause	Solution
Chair does not adjust height.	Gas lift malfunction or lever not engaged.	Ensure the height adjustment lever is fully engaged. If the issue persists, the gas lift may need replacement. Contact customer support.
Chair wobbles or feels unstable.	Loose screws or uneven assembly.	Check all assembly screws and tighten them securely. Ensure the chair is on a flat, even surface.
Caster wheels do not roll smoothly.	Debris caught in wheels or damaged casters.	Remove any hair or debris from the wheels. If damaged, replacement casters may be needed.
Backrest does not recline or lock.	Recline mechanism issue or lever not engaged.	Ensure the recline lever is fully engaged. Check for any obstructions. If the mechanism is faulty, contact customer support.
Lumbar massage function not working.	Not connected to power or internal fault.	Verify the power connection (e.g., USB cable) is secure. If still not working, the massage unit may be faulty.

PRODUCT SPECIFICATIONS

- **Model:** LS-665503-EU
- **Brand:** Dowinx
- **Color:** Brown
- **Product Dimensions (D x W x H):** 76 cm x 57 cm x 135 cm (29.9 in x 22.4 in x 53.1 in)
