EUGAD 4054908263995

EUGAD Bathroom Mirror Cabinet with LED Lighting

Model: 4054908263995

Brand: EUGAD

1. INTRODUCTION

This manual provides essential instructions for the safe assembly, operation, and maintenance of your EUGAD Bathroom Mirror Cabinet. Please read this manual thoroughly before installation and retain it for future reference. This cabinet combines a mirror with practical storage solutions, including LED lighting, an adjustable shelf, and integrated side storage, designed to enhance your bathroom's functionality and organization.

2. SAFETY INSTRUCTIONS

Please observe the following safety precautions to prevent injury or damage to the product:

- Ensure all components are present and undamaged before assembly. Do not proceed with assembly if any parts are missing or damaged.
- Assembly should be performed by at least two adults to prevent injury and ensure proper installation.
- Use appropriate tools and follow all steps in the assembly guide. Do not overtighten screws.
- Mount the cabinet securely to a solid wall structure. Consult a professional if unsure about wall type or mounting methods.
- Keep small parts and packaging materials away from children to avoid choking hazards.
- The LED lighting unit must be connected to a suitable power outlet. Do not modify the electrical components.
- Do not exceed the maximum weight capacity of 20 kg for the entire cabinet. Individual shelf capacities are specified in the assembly diagram.
- Avoid direct contact of water with electrical components. The mirror glass is IP44 rated for water and

dust resistance, but the electrical plug and switch should remain dry.

3. PACKAGE CONTENTS

Verify that all parts listed below are included in your package. If any items are missing or damaged, please contact customer support.

- Mirror Cabinet Frame (MDF panels and metal tubes)
- Mirror Doors (x2)
- LED Lighting Unit with power cable and switch
- Adjustable Shelf
- Side Metal Basket
- Side Hooks/Holder
- Assembly Hardware (screws, dowels, hinges, etc.)
- Instruction Manual

4. ASSEMBLY AND INSTALLATION (SETUP)

The cabinet is designed for easy assembly. Follow the step-by-step instructions provided in the included assembly guide. Ensure you have the necessary tools (e.g., screwdriver, drill for wall mounting) before starting.

4.1. Pre-Assembly Checks

- Unpack all components and lay them out on a clean, soft surface to prevent scratches.
- Verify all parts against the package contents list.
- Identify the desired mounting location on your wall, ensuring it is a solid structure capable of supporting the cabinet's weight (up to 20 kg).

4.2. Assembly Steps

1. Assemble the main cabinet frame using the provided screws and connectors.
2. Attach the soft-close hinges to the cabinet frame and mirror doors.
3. Mount the mirror doors to the cabinet frame. Adjust hinges as needed for proper alignment.
4. Install the adjustable shelf at your desired height within the cabinet.
5. Attach the side metal basket and side hooks to the designated areas on the cabinet.
6. Securely mount the assembled cabinet to the wall using appropriate wall anchors and screws for your wall type.
7. Install the LED lighting unit on top of the cabinet.

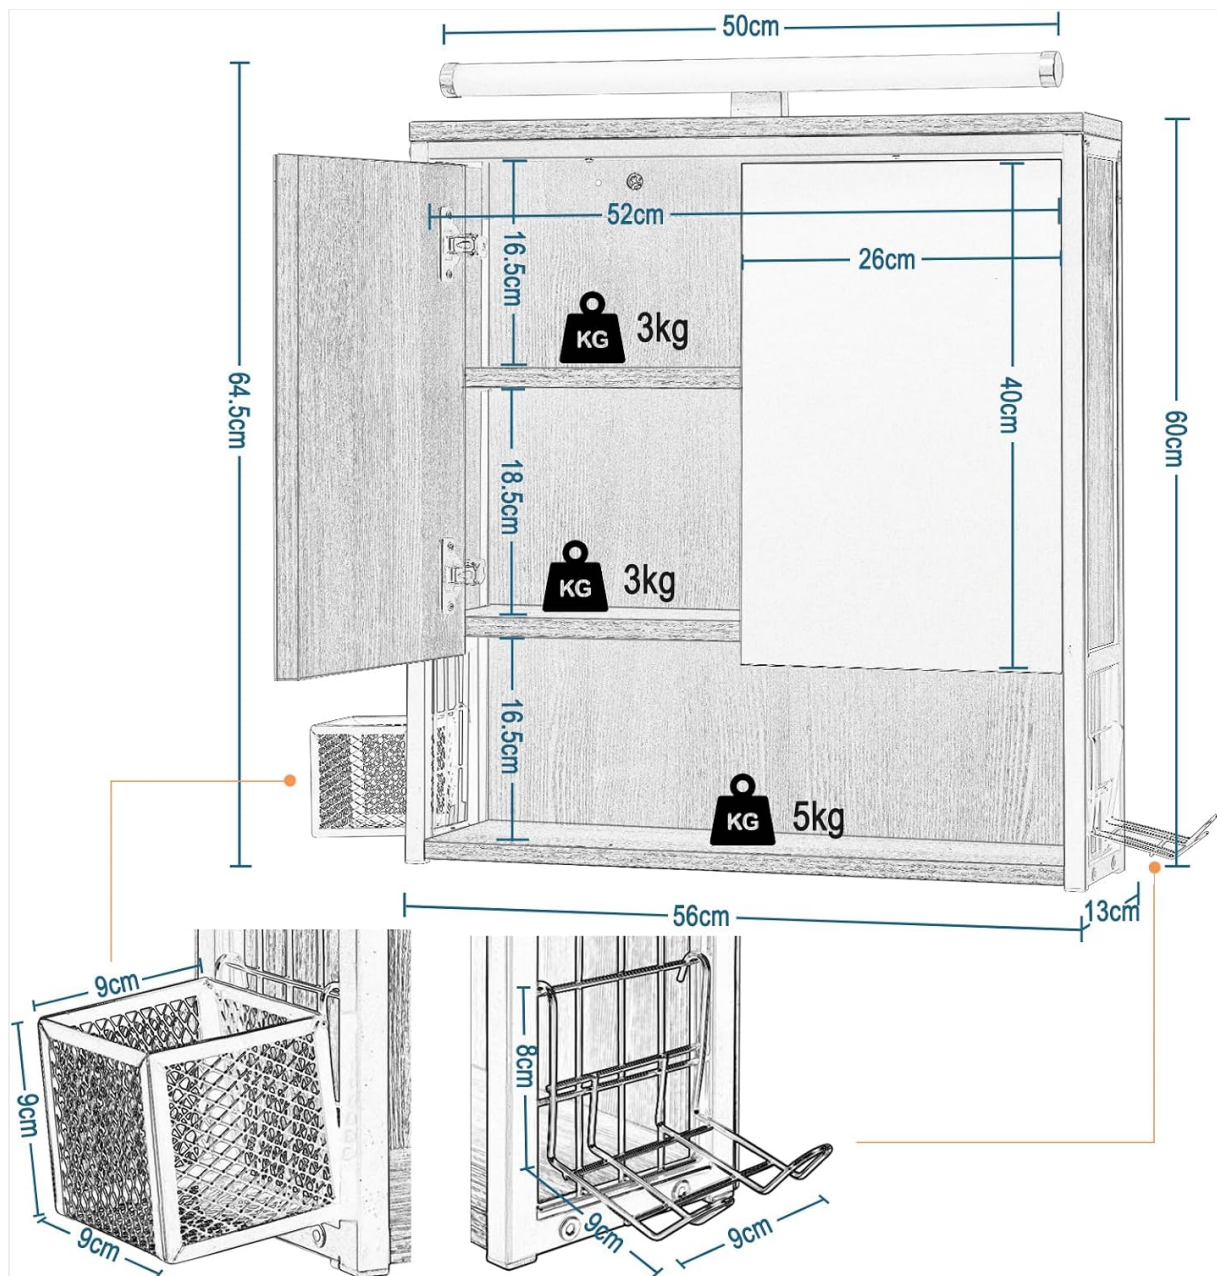

Figure 2: Product Dimensions and Load Capacities. Note: Internal shelves support 3kg each, bottom shelf 5kg.

Figure 3: Soft-close hinges for smooth door operation.

5. OPERATION

5.1. Using the LED Lighting

The integrated LED lighting provides a bright, 4000K white light, ideal for grooming tasks. Plug the power cable into a standard electrical outlet. Use the inline switch on the cable to turn the light ON or OFF.

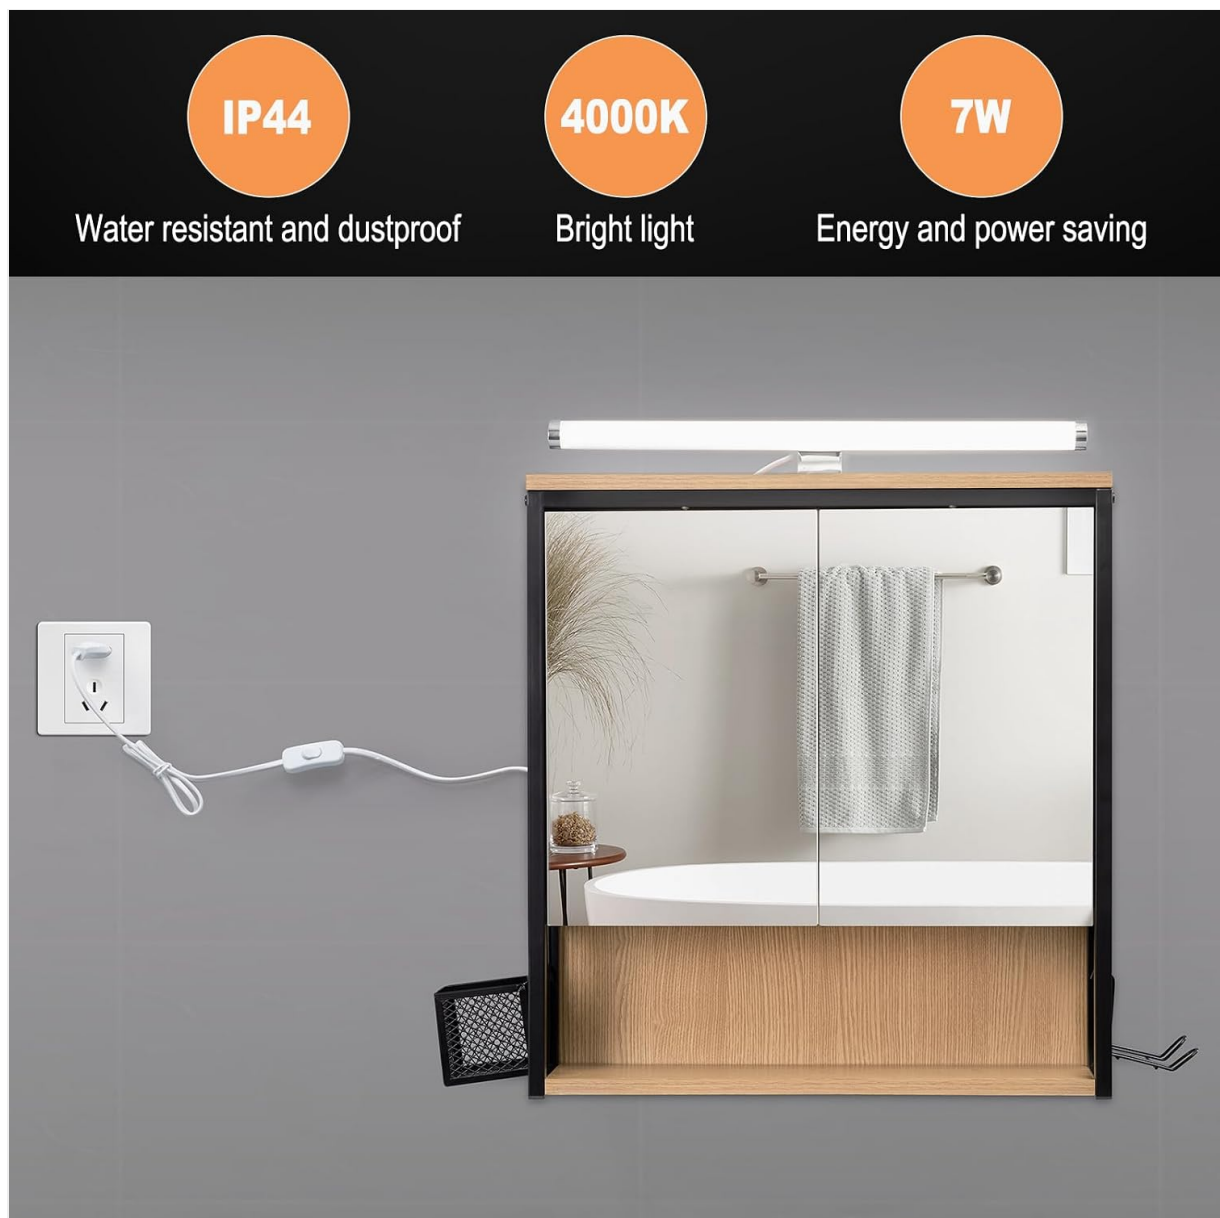

Figure 4: LED Lighting features and operation.

5.2. Adjusting the Shelf

The internal shelf can be adjusted by 6.4 cm up or down to accommodate items of various heights. To adjust, carefully remove the shelf, reposition the shelf supports to the desired height, and reinsert the shelf.

5.3. Utilizing Storage Features

The cabinet offers diverse storage options:

- **Mirrored Doors:** Provide a clear reflection for daily routines.
- **Internal Compartments:** Store toiletries, medicines, and other bathroom essentials behind the doors.
- **Open Compartment:** Easily accessible space for frequently used items or decorative elements.
- **Side Metal Basket:** Ideal for holding smaller items like razors, brushes, or hair styling tools.
- **Side Hooks:** Convenient for hanging towels, loofahs, or other accessories.

Figure 9: Practical side hooks.

6. MAINTENANCE

Regular cleaning and proper care will ensure the longevity and appearance of your mirror cabinet.

- **Cleaning the Cabinet:** Wipe surfaces with a soft, damp cloth. For stubborn marks, use a mild, non-abrasive cleaner. Dry immediately with a clean cloth.
- **Cleaning the Mirror:** Use a glass cleaner and a lint-free cloth. Avoid spraying cleaner directly onto the mirror to prevent liquid from seeping into edges.
- **Water Resistance:** The cabinet's MDF panels are designed to be resistant to humidity and splashes. However, avoid prolonged exposure to excessive moisture.
- **Electrical Components:** Ensure the LED lighting unit and its power cable remain dry. Unplug the unit before cleaning.
- **Inspection:** Periodically check all screws and fittings to ensure they are tight. Retighten if necessary.

7. TROUBLESHOOTING

If you encounter issues with your mirror cabinet, refer to the following common problems and solutions:

- **LED Light Not Working:**
 - Check if the power cable is securely plugged into a working outlet.
 - Ensure the inline switch is in the 'ON' position.
 - Verify the power outlet is functional by plugging in another device.
- **Cabinet Doors Are Misaligned:**
 - Adjust the soft-close hinges. Most hinges have adjustment screws to move the door horizontally, vertically, or in depth. Refer to the hinge manufacturer's instructions if needed.
 - Ensure the cabinet itself is level on the wall.
- **Cabinet Feels Unstable:**
 - Check all wall mounting screws and internal assembly screws for tightness.
 - Ensure the wall anchors used are appropriate for your wall material and are securely installed.
- **Shelf Sags or is Loose:**
 - Ensure the shelf supports are fully inserted into the cabinet sides.
 - Do not exceed the specified weight capacity for the shelf (3 kg for internal shelves, 5 kg for the bottom open shelf).

8. SPECIFICATIONS

Brand	EUGAD
Model Number	4054908263995
Color	Black and Light Oak
Product Dimensions (D x W x H)	13.5 x 56 x 65 cm
Item Weight	10.7 Kilograms
Maximum Weight Capacity	20 Kilograms
Material	Engineered Wood (MDF), Metal
Mounting Type	Wall Mount
Special Feature	Adjustable Shelf, LED Lighting
LED Light Color Temperature	4000K (White Light)
LED Light Power	7W
Mirror Rating	IP44 (Water and Dust Resistant)
