## IMPORTANT SAFETY INFORMATION

---

To reduce the risk of electric shock, burns, fire, or injury, always follow these basic safety precautions:

- **Read all instructions before use.**
- **Keep away from water.** Do not use this appliance near bathtubs, showers, basins, or other vessels containing water.
- **Unplug immediately after use.** Always unplug the appliance from the electrical outlet when not in use.
- **Do not reach for an appliance that has fallen into water.** Unplug it immediately.
- **Do not operate with a damaged cord or plug.** If the appliance is not working properly, has been dropped or damaged, or dropped into water, return it to a service center for examination and repair.
- **Keep the cord away from heated surfaces.** Do not wrap the cord around the appliance.
- **Never block the air openings of the appliance.**
- **Do not use outdoors or operate where aerosol (spray) products are being used or where oxygen is being administered.**
- **Do not use an extension cord with this appliance.**

- Do not leave the appliance unattended when plugged in.
- Allow the appliance to cool completely before storing.
- This appliance is not intended for use by persons (including children) with reduced physical, sensory or mental capabilities, or lack of experience and knowledge, unless they have been given supervision or instruction concerning use of the appliance by a person responsible for their safety.

## PACKAGE CONTENTS

---

Upon opening your package, please verify that all items are present:

- 1 x EZGHAR 2-in-1 Mini Curling Wand Flat Iron Hair Straightener
- 2 x Hairpins
- 1 x Comb

## SETUP

---

Before first use, ensure the appliance is clean and free from any packaging materials. Plug the device into a standard electrical outlet.

## Preparing Your Hair

- Ensure your hair is clean, dry, and tangle-free before styling.
- For best results and heat protection, apply a heat protectant spray to your hair.
- Section your hair using the provided hairpins for easier styling.

## OPERATING INSTRUCTIONS

---

The EZGHAR 2-in-1 Mini Dual Purpose Curling Iron features rapid heating and a fixed temperature setting for consistent styling.

### Powering On and Heating

1. Plug the appliance into a suitable electrical outlet.
2. Press the power button (if available, otherwise it heats upon plugging in). The device will begin heating immediately.
3. The iron reaches its operating temperature of 180°C (356°F) in approximately 10 seconds.

### Straightening Hair

1. Take a small section of hair, approximately 1-2 inches wide.
2. Place the hair section between the ceramic plates, close to the roots.
3. Gently clamp the plates together and glide the iron slowly down the hair section from root to tip.
4. Repeat on all sections until desired straightness is achieved.

# CURL AND STRAIGHTEN

Be the "stylist" by your side

## Curling Hair

1. Take a small section of hair. The size of the section will influence the tightness of the curl.
2. Open the iron and place the hair section between the plates, near the roots.
3. Close the plates and rotate the iron 180 degrees away from your face.
4. Slowly glide the iron down the hair section, maintaining the rotation.
5. Release the hair and allow the curl to cool before touching it to set the style.
6. Repeat on all sections. For a softer look, gently brush through the curls once cooled.

# DUAL PURPOSE CURLING IRON

## Tips for Best Results

- **For all hair types:** The ceramic plates help distribute heat evenly, reducing damage and leaving hair silky and frizz-free.
- **Short hair:** The mini size is ideal for styling shorter hair lengths and fringes.
- **Travel:** Its compact design makes it perfect for touch-ups or full styling while traveling.

## MAINTENANCE

---

### Cleaning

1. Ensure the appliance is unplugged and completely cool before cleaning.
2. Wipe the ceramic plates and exterior with a soft, damp cloth.
3. Do not use abrasive cleaners or harsh chemicals.
4. Ensure no water enters the appliance.

### Storage

- Store the appliance in a cool, dry place, away from moisture.

- Do not wrap the power cord around the appliance, as this can damage the cord.

## TROUBLESHOOTING

If you encounter issues with your EZGHAR 2-in-1 Mini Dual Purpose Curling Iron, please refer to the following common problems and solutions:

- **Appliance not heating:**
  - Ensure the appliance is securely plugged into a working electrical outlet.
  - Check if there is a power outage or if the circuit breaker has tripped.
- **Poor styling results (hair not straightening/curling):**
  - Ensure your hair is completely dry before styling.
  - Take smaller sections of hair for better heat distribution.
  - Glide the iron slowly and evenly through the hair.
  - Ensure the plates are clean and free from product buildup.
- **Hair snagging:**
  - Ensure the plates are properly aligned.
  - Check for any hair product residue on the plates that might cause friction.
