User Manual

Harper & Bright Designs Twin Over Full Bunk Bed with Storage

Introduction

This user manual provides detailed instructions for the assembly, operation, and maintenance of your Harper & Bright Designs Twin Over Full Bunk Bed with Storage. Please read this manual thoroughly before assembly and use to ensure safe and proper operation.
The Harper & Bright Designs Twin Over Full Bunk Bed is designed to provide a space-saving sleeping solution with integrated storage. It features a twin-sized upper bunk and a full-sized lower bunk, along with six drawers and three flexible shelves for convenient storage.

Important Safety Information

WARNING:

- Always follow the assembly instructions carefully to prevent instability or collapse.
- Do not exceed the weight capacity of 300 LBS for the upper bed and 350 LBS for the bottom bed.
- Ensure all connections are tight before use. Periodically check and tighten all bolts and fasteners.
- Only one person should occupy the upper bunk at a time.
- Use only mattresses that are 6 inches thick for the upper bed and 8 inches thick for the bottom bed.
- Do not allow children under 6 years of age on the upper bunk.
- Always use the ladder for entering and exiting the upper bunk.
- Prohibit horseplay on or under the bed.
- Prohibit more than one person on the upper bunk.
- Always use the guardrails on both sides of the upper bunk.
- If the bunk bed will be placed against a wall, the guardrail that runs the full length of the bed should be placed against the wall to prevent entrapment between the bed and wall.
- Periodically check and ensure that the guardrail, ladder, and other components are in their proper position, free from damage, and that all connectors are tight.
- Do not use substitute parts. Contact the manufacturer for replacement parts.
- Use of a night light may provide added safety precaution for a child using the upper bunk.
- Always use the ladder when ascending or descending from the upper bunk.

- Do not attach or hang items on any part of the bunk bed that are not designed for use with the bed; for example, but not limited to, hooks, belts, and jump ropes.

Product Overview

The Harper & Bright Designs Twin Over Full Bunk Bed is a versatile furniture piece crafted from Plywood, MDF, and Pinewood, finished in white. It features a twin-sized upper bed and a full-sized lower bed, providing ample sleeping space. Integrated storage includes six drawers and three flexible shelves, offering practical solutions for organizing belongings.

Setup and Assembly

Assembly of the Harper & Bright Designs Twin Over Full Bunk Bed is required. It is recommended that two adults assemble the bed. Please ensure all parts are present before beginning assembly. Refer to the included assembly instructions for detailed step-by-step guidance.

Before You Begin:

- Unpack all components and lay them out on a clean, soft surface (e.g., a carpet or blanket) to prevent scratches.
- Verify that all hardware and parts listed in the assembly manual are accounted for.
- Keep children and pets away from the assembly area.
- Have necessary tools ready (e.g., screwdriver, Allen wrench - usually included).

Assembly Tips:

- Do not fully tighten screws until all components are loosely assembled. This allows for minor adjustments.
- Once all parts are in place, gradually tighten all screws and bolts.
- Pay close attention to the orientation of parts as indicated in the diagrams.
- For the drawers, ensure the runners are correctly aligned for smooth operation.

Operation and Usage

Using the Bunk Beds:

- **Upper Bunk:** Designed for a twin-sized mattress (maximum 6 inches thick). Access the upper bunk using the integrated ladder. Ensure the guardrails are always in place.
- **Lower Bunk:** Designed for a full-sized mattress (maximum 8 inches thick). The lower bunk features wheels for easy movement, allowing it to be pulled out or pushed in as needed.

Utilizing Storage:

- **Drawers:** The six integrated drawers provide enclosed storage for clothing, toys, or other items. Pull them out gently using the knobs.
- **Shelves:** The three flexible shelves offer open storage for books, decorative items, or frequently accessed belongings.

Care and Maintenance

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, as they may damage the finish.
- **Hardware Check:** Periodically (e.g., every 3-6 months) check all bolts, screws, and fasteners to ensure they are tight. Re-tighten if necessary to maintain stability and safety.
- **Wood Care:** Protect the wood from extreme temperature changes and direct sunlight, which can cause warping or fading.
- **Weight Limits:** Adhere strictly to the stated weight capacities for both the upper (300 LBS) and lower (350 LBS) beds.

Troubleshooting

Problem	Possible Cause	Solution

Bed feels wobbly or unstable.	Loose fasteners.	Check and tighten all bolts and screws. Ensure all connections are secure.
Drawers do not slide smoothly.	Misaligned runners or debris in tracks.	Ensure drawer runners are correctly installed and aligned. Clear any dust or debris from the tracks.
Missing parts during assembly.	Packaging not fully checked or parts misplaced.	Carefully re-check all packaging materials. If parts are genuinely missing, contact customer support.
Shelves feel wobbly.	Improper installation or excessive weight.	Ensure shelves are correctly seated on their supports. Do not overload shelves beyond their capacity.

Warranty Information

This Harper & Bright Designs bunk bed comes with a **One Year Product Warranty** from the date of purchase. This warranty covers manufacturing defects in materials and workmanship under normal use. It does not cover damage resulting from improper assembly, misuse, abuse, accidents, or normal wear and tear.
Please retain your proof of purchase for warranty claims.
