### 3. INSTALLATION INSTRUCTIONS

---

Replacing the deodorizer filter is a straightforward process. Follow these steps for proper installation:

- 1. Locate the Filter Compartment:** The deodorizer filter compartment is typically located on the side or rear of your TOTO Washlet bidet seat. Refer to your specific Washlet model's manual for the exact location. *Note: Some TOTO 500 series Washlets may have two filters; ensure you are replacing the correct deodorizer cartridge.*
- 2. Open the Cover:** Gently open the cover of the filter compartment. This may involve pressing a tab or sliding a panel.
- 3. Remove the Old Filter:** Carefully slide out the existing deodorizer catalyst cartridge. Dispose of the old filter responsibly.
- 4. Insert the New Filter:** Slide the new CLLOMAGY THU9476 deodorizer filter into the compartment. Ensure it is seated correctly and securely.
- 5. Close the Cover:** Close the filter compartment cover until it clicks into place or is securely fastened.

#### 4. OPERATING PRINCIPLE

---

The deodorizer filter functions by drawing air from the toilet bowl area through its activated carbon material. Activated carbon is highly porous and has a large surface area, allowing it to adsorb odor-causing molecules. This process effectively removes unpleasant smells, releasing cleaner air back into the bathroom environment.

## 5. MAINTENANCE

---

For optimal performance and continuous odor removal, it is recommended to replace the CLLOMAGY THU9476 deodorizer filter approximately every 6 months, or sooner if you notice a return of odors. Regular replacement ensures the activated carbon remains effective in adsorbing smells.

## 6. TROUBLESHOOTING

---

- **Persistent Odors After Replacement:**

- Ensure the filter is correctly seated in its compartment.
- Verify that your Washlet model only uses one deodorizer filter. Some TOTO 500 series Washlets have a second filter located on the back side of the unit, which may also require replacement.
- Confirm that the filter compartment cover is fully closed.

- **Filter Does Not Fit:**

- Double-check the compatibility list in Section 2 to ensure this filter is appropriate for your specific TOTO Washlet model.
- Ensure the filter is oriented correctly before attempting to slide it into the compartment.
