### 3.2 Microphone Setup

- Insert the 4 AA batteries into the wireless microphones.
- Turn on each microphone using its power switch. The microphones should automatically pair with the speaker.
- Place the non-roll rings on the microphones for added protection and stability.

### 3.3 Connecting to a Music Source

The KS10Pro offers multiple connectivity options:

- **Bluetooth:**
  1. Turn on the karaoke machine.
  2. Activate Bluetooth on your smartphone, tablet, or other device.
  3. Search for "Dalton BT03" (or similar, refer to your device's Bluetooth list) and pair.
  4. Once connected, you can play music wirelessly from your device.
- **USB:** Insert a USB drive containing MP3 files into the USB port on the control panel. The speaker will automatically detect and play the music.
- **AUX IN:** Connect an external audio device (e.g., TV, MP3 player) using an AUX cable to the AUX IN ports on the rear panel.
