SETUP AND ASSEMBLY

Assembly is required for this product. Please follow the detailed instructions provided in the separate assembly guide included in your package. Ensure you have adequate space and all necessary tools before beginning. It is recommended to assemble with two people.

1. Unpack all components and verify against the package contents list.
2. Place all parts on a soft, clean surface to prevent scratches.
3. Follow the step-by-step diagrams in the assembly guide to connect the frame components.
4. Secure all screws and bolts firmly, but do not overtighten until all parts are aligned.
5. Once the frame is assembled, place the cushions onto the loveseat and ottoman.

OPERATING INSTRUCTIONS

Adjustable Backrest

The loveseat features a 4-level adjustable backrest, allowing you to customize your seating or lounging position. To adjust:

1. Gently lift the backrest to disengage it from its current position.
2. Move the backrest to your desired angle.
3. Ensure the backrest securely locks into one of the four available positions before applying weight.

Folding Side Trays

The loveseat is equipped with retractable side trays for convenience. To use:

- Gently pull out the side tray from beneath the armrest.
- Ensure it is fully extended and stable before placing items on it.
- To retract, push the tray back into its storage slot until it is flush with the armrest.

Ottoman Storage Function

The ottoman provides versatile functionality as a footrest, coffee table, or storage unit.

- **Storage:** To access the storage compartment, open the front door of the ottoman. The ottoman cushion can be stored inside when not in use.
- **Coffee Table:** Remove the cushion to use the ottoman as a coffee table.
- **Footrest/Additional Seating:** Place the cushion on top for use as a comfortable footrest or extra seating.

CARE AND MAINTENANCE

Proper care will extend the life and appearance of your DORTALA Patio Wicker Daybed.

- **PE Rattan Frame:** Wipe clean with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Cushions:** The cushion covers are equipped with smooth zippers for easy removal. Machine wash covers in cold water on a gentle cycle, or hand wash. Air dry only; do not tumble dry.
- **Metal Frame:** Inspect the metal frame periodically for any signs of rust or damage. Clean with a mild soap and water solution.
- **Storage:** During inclement weather or off-season, it is recommended to store cushions indoors or cover the entire unit with a weather-resistant cover to protect it from the elements.

TROUBLESHOOTING

If you encounter any issues with your daybed, please refer to the following common solutions:

Problem	Possible Cause	Solution
Cushions slide off easily.	Smooth fabric on smooth rattan surface.	Consider using non-slip mats or strips underneath the cushions. Ensure cushions are properly aligned.
Difficulty with assembly.	Incorrect part orientation, missing hardware.	Review the assembly guide carefully. Ensure all parts are oriented as shown. Contact customer support if parts are missing.
Backrest does not lock into position.	Mechanism not fully engaged.	Ensure the backrest is lifted and then lowered firmly into one of the designated notches. Do not force.
