SUNVIVI ZEC003BK

SUNVIVI Iced Tea and Coffee Maker

Model: ZEC003BK

INTRODUCTION

The SUNVIVI Iced Tea and Coffee Maker is designed for convenient preparation of various cold beverages. This appliance features a 3-quart pitcher, a reusable filter basket, and adjustable brew strength settings. It is suitable for brewing ground coffee, tea bags, and loose leaf tea, offering versatility for your beverage preferences.

Key features include fast brewing capabilities, allowing beverages to be ready in 8-10 minutes, and an automatic shut-off function for safety and convenience. The durable plastic construction ensures longevity and heat resistance for both hot and cold preparations.

IMPORTANT SAFETY INSTRUCTIONS

- Read all instructions before using the appliance.
- Do not touch hot surfaces. Use handles or knobs.
- To protect against fire, electric shock, and injury to persons, do not immerse cord, plugs, or appliance in water or other liquid.
- Close supervision is necessary when any appliance is used by or near children.
- Unplug from outlet when not in use and before cleaning. Allow to cool before putting on or taking off parts, and before cleaning the appliance.
- Do not operate any appliance with a damaged cord or plug or after the appliance malfunctions or has been damaged in any manner. Return appliance to the nearest authorized service facility for examination, repair, or adjustment.
- The use of accessory attachments not recommended by the appliance manufacturer may result in fire, electric shock, or injury to persons.
- Do not use outdoors.
- Do not let cord hang over edge of table or counter, or touch hot surfaces.

- Do not place on or near a hot gas or electric burner, or in a heated oven.
- Always attach plug to appliance first, then plug cord into the wall outlet. To disconnect, turn any control to "off," then remove plug from wall outlet.
- Do not use appliance for other than intended use.
- Be careful not to overfill the liquid into the pitcher to avoid the lid loosening and leakage.

MAINTENANCE AND CLEANING

Regular cleaning ensures optimal performance and longevity of your appliance. The accessories are designed to be stain-resistant and easy to clean.

- Unplug:** Always unplug the appliance from the electrical outlet and allow it to cool completely before cleaning.
- Wash Removable Parts:** Remove the pitcher, reusable filter basket, and funnel. Wash these parts in warm, soapy water. Rinse thoroughly and dry completely before reassembling or storing.

- 3. Wipe Main Unit:** Wipe the exterior of the main unit with a soft, damp cloth. Do not immerse the main unit in water or any other liquid.
- 4. Descaling:** Periodically descale the appliance to remove mineral buildup. Follow manufacturer's recommendations for descaling solutions and procedures.

TROUBLESHOOTING

If you encounter any issues with your SUNVIVI Iced Tea and Coffee Maker, please refer to the following common solutions:

- Appliance not turning on:** Ensure the power cord is securely plugged into a working electrical outlet. Check if the 'Brew' button has been pressed.
- Brewing too slow or not at all:** Ensure the water reservoir is filled above the minimum level. Check if the filter basket is properly seated and not clogged.
- Weak or strong brew:** Adjust the strength control slider to your desired intensity. Ensure the correct amount of coffee grounds or tea is used for the selected strength.
- Leakage:** Ensure the pitcher is correctly positioned on the base and the lid is securely closed. Do not overfill the pitcher beyond its capacity.
- Unusual taste:** Clean all removable parts thoroughly. Consider descaling the appliance if mineral buildup is suspected. Use fresh, filtered water.
