# Yaheetech Fully-Assembled 2-Drawer Nightstand Instruction Manual

Model: YT-001336921

## 1. INTRODUCTION

Thank you for choosing the Yaheetech Fully-Assembled 2-Drawer Nightstand. This manual provides essential information for the proper handling, use, and care of your new furniture. Please read it thoroughly to ensure optimal performance and longevity of the product.

This nightstand is designed for convenience, arriving fully assembled and ready for immediate use. No complex setup is required.

## 2. PRODUCT OVERVIEW

The Yaheetech 2-Drawer Nightstand is a classic and functional piece of furniture designed to complement your bedroom or living space. It features a robust construction and ample storage.

### Key Features:

- **Fully Assembled:** Delivered ready to use, eliminating the need for assembly.
- **Durable Construction:** Frame and bracket support made of solid rubberwood, ensuring high hardness and durability.
- **Generous Storage:** Two spacious drawers for organizing personal items.
- **Safe Materials:** Constructed with CARB P2-certified MDF and particle board, meeting emission standards for hazardous substances.
- **Versatile Use:** Suitable as a nightstand, side table, or storage unit in various rooms.

### Dimensions and Design:

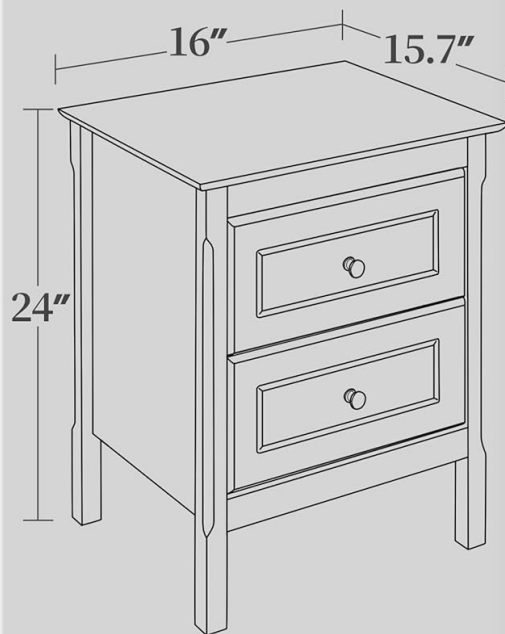

The nightstand measures 21.5 inches in length, 16 inches in width, and 24.5 inches in height. Each drawer has an inner size of 12.6 inches W × 11.1 inches D × 3.1 inches H.

### 3. SETUP AND PLACEMENT

#### Unpacking:

1. Carefully remove the nightstand from its packaging. Inspect the carton for any signs of damage before opening.
2. Retain all packaging materials until you have confirmed the product is in good condition and you are satisfied with your purchase.
3. Dispose of packaging materials responsibly according to local regulations.

#### Placement:

- Place the nightstand on a flat, stable surface to prevent wobbling.
- Avoid placing the nightstand in direct sunlight or near heat sources to prevent material degradation or discoloration.
- Ensure adequate space around the nightstand for easy access to drawers and for cleaning.

## 4. OPERATION

---

### Drawer Usage:

The nightstand features two smooth-gliding drawers for storage. To open, gently pull the metal handles. To close, push the drawers back until they are fully seated.

**The drawer has a finely crafted dovetail structure, which is more sturdy and durable.**

### Weight Capacity:

- The top surface can hold up to **20 kg (44 lb)**.
- Each drawer can hold up to **10 kg (22 lb)**.

Do not exceed these weight limits to prevent damage to the nightstand or injury.

## 5. MAINTENANCE

---

### Cleaning Instructions:

- Wipe the nightstand with a **dry cloth** to remove dust and light dirt.
- For spills, immediately wipe with a slightly damp cloth and then dry thoroughly.
- Avoid using harsh chemicals, abrasive cleaners, or polishes that may damage the finish.

**Metal handles**

**Resistant to water, scratches and  
easy cleaning**

**Premium slide rails**

**Two drawers included**

**Selected Panels**

### **General Care:**

- Periodically check all connections and hardware to ensure they are secure. Tighten if necessary.
- Protect the surface from scratches by using coasters or mats under items.
- Avoid dragging the nightstand when moving it; lift it to prevent damage to the legs and floor.

## **6. TROUBLESHOOTING**

---

This section addresses common concerns you might encounter with your nightstand.

### **Drawers not sliding smoothly:**

- Ensure the drawers are not overloaded, exceeding the 10 kg (22 lb) weight limit.
- Check for any obstructions within the drawer slides.
- Verify that the nightstand is placed on a level surface. Uneven surfaces can affect drawer alignment.

### **Minor surface imperfections:**

- For small scratches, furniture repair pens or touch-up kits matching the white finish may be used.
- Always test any repair product on an inconspicuous area first.

If you experience issues not covered here or require further assistance, please contact Yaheetech customer support.
