# Yaheetech Nightstand with 2 Drawers Instruction Manual

MODEL: YT-001339381

## Introduction

---

Thank you for choosing the Yaheetech Nightstand with 2 Drawers. This manual provides essential information for the safe and efficient assembly, operation, and maintenance of your new furniture. Please read these instructions carefully before beginning assembly and retain them for future reference.

Image: The Yaheetech Nightstand, featuring two drawers and a black finish, designed for bedside or living room use.

## Safety Information

No specific safety warnings are provided for this product beyond standard furniture handling precautions. Always ensure the nightstand is placed on a stable, level surface to prevent tipping. Do not exceed the maximum weight recommendations for the top surface or drawers.

## Package Contents

Before assembly, please verify that all components are present and undamaged. The package should contain:

- 1 x Pre-assembled Nightstand Body (with drawers)
- 4 x Solid Rubberwood Legs
- 4 x Drawer Handles (pre-installed inside drawers for shipping)
- 1 x Assembly Guide (this document)
- Necessary Screws and Hardware for leg and handle attachment

## Setup and Assembly

This Yaheetech nightstand is designed for quick and easy assembly, arriving almost fully-assembled. Only the legs and handles require attachment.

- 1. Unpack and Prepare:** Carefully remove all components from the packaging. Place the nightstand body upside down on a soft, clean surface to prevent scratches.
- 2. Attach the Legs:** Align each of the four solid rubberwood legs with the pre-drilled holes on the bottom corners of the nightstand body. Secure each leg using the provided screws and a screwdriver. Ensure all screws are tightened firmly.
- 3. Reinstall Handles:** The drawer handles are installed inside the drawers for shipping protection. Open each drawer, remove the screws holding the handles from the inside, then position the handles on the outside of the drawer fronts and re-secure them with the screws.
- 4. Final Placement:** Carefully turn the nightstand upright and place it in your desired location. Ensure it is stable and level.

Image: This image compares the minimal assembly required for the Yaheetech nightstand (only legs and handles) with the extensive assembly often needed for other furniture, highlighting its user-friendly design.

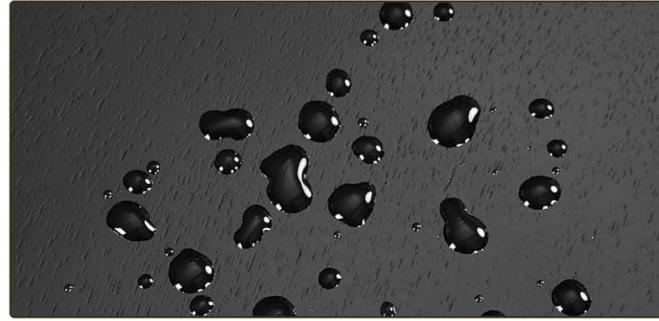

## Operating Instructions

The Yaheetech Nightstand is designed for convenient storage and use in various settings.

- Drawer Usage:** The two spacious drawers are designed for smooth operation. Pull the metal handles gently to open and push to close. Avoid forcing the drawers if they encounter resistance.
- Weight Capacity:** The top surface can support up to 44 lbs (20 kg). Each drawer can hold up to 11 lbs (5 kg). Do not exceed these limits to ensure stability and longevity of the product.
- Placement:** This nightstand can function as a bedside table, a side table next to a sofa, or a general storage unit in any room.

Metal handles

## Maintenance and Care

Proper care will help maintain the appearance and functionality of your nightstand.

- **Cleaning:** Wipe the surface with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these can damage the finish.
- **Spills:** The nightstand features a waterproof and anti-scratch surface. In case of spills, wipe them immediately with a dry cloth to prevent watermarks or damage.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fading or discoloration of the finish.

## Troubleshooting

If you encounter any issues with your nightstand, refer to the following common solutions:

- **Loose Legs:** If the nightstand wobbles, check that all leg screws are securely tightened.
- **Drawers Stick or Don't Close Smoothly:** Ensure the drawer slides are clean and free of debris. Verify that the drawer is properly aligned on its runners. Avoid overloading drawers beyond their weight capacity.
- **Scratches or Minor Damage:** For minor scratches, a furniture repair marker or polish matching the finish color may be used.

## Product Specifications

Feature	Detail
Brand	Yaheetech

Feature	Detail
Model Number	YT-001339381
Color	Black
Overall Dimensions (L x W x H)	24.5" x 15" x 23.5" (62.2 cm x 38.1 cm x 59.7 cm)
Drawer Interior Dimensions (W x D x H)	17" x 11.1" x 3.1" (43.2 cm x 28.2 cm x 7.9 cm)
Item Weight	31 lbs (14.1 kg)
Top Surface Weight Capacity	44 lbs (20 kg)
