PayLessHere PayLessHere Modern Bar Stools

PayLessHere Modern Bar Stools User Manual

Model: PayLessHere Modern Bar Stools

INTRODUCTION

Thank you for choosing PayLessHere Modern Bar Stools. This manual provides essential information for the safe assembly, operation, and maintenance of your new bar stools. Please read these instructions carefully before use and retain them for future reference.

SAFETY INFORMATION

Important Safety Precautions:

- Do not exceed the maximum weight recommendation of **250 pounds**. Overloading can cause damage or injury.
- Ensure the stool is placed on a stable, level surface to prevent tipping.
- Always use the stool with caution and follow all assembly and usage instructions.
- Keep hands and fingers clear of moving parts during height adjustment.
- Regularly check all bolts and connections to ensure they remain tight.

PACKAGE CONTENTS

Please verify that all components are present before beginning assembly. If any parts are missing or damaged,

please contact customer support.

- Seat with backrest (2x)
- Gas lift cylinder (2x)
- Footrest ring (2x)
- Base plate (2x)
- Assembly hardware (screws, washers, Allen wrench)

SETUP AND ASSEMBLY

Assembly is required for these bar stools. Please follow these steps carefully.

1. **Attach Seat to Mechanism:** Secure the seat to the top plate of the gas lift mechanism using the provided screws. Ensure all screws are tightened firmly.
2. **Insert Gas Lift Cylinder:** Place the narrow end of the gas lift cylinder into the central hole of the base plate.
3. **Attach Footrest Ring:** Slide the footrest ring over the gas lift cylinder. Ensure it is oriented correctly for comfortable foot placement.
4. **Connect Seat Assembly to Gas Lift:** Carefully place the assembled seat onto the wider end of the gas lift cylinder. The weight of the seat will help secure it.
5. **Final Check:** Ensure all connections are secure and the stool is stable before use.

OPERATING INSTRUCTIONS

Your PayLessHere Modern Bar Stools are designed for ease of use with height adjustment and swivel functionality.

Height Adjustment

To adjust the height of the stool:

- **To raise the seat:** While standing, pull the lever located under the seat upwards. The seat will automatically rise. Release the lever when the desired height is reached.
- **To lower the seat:** While seated, pull the lever located under the seat upwards. The seat will lower under your weight. Release the lever when the desired height is reached.

Adjustable & Swive Bar Stools

Height adjustable from 26.8" to 33.9"

Swivel bar stool 360°

MAINTENANCE

Proper care and maintenance will extend the life of your bar stools.

Cleaning Instructions

- For general cleaning, wipe the PU leather upholstery and metal parts with a soft, damp cloth.
- Avoid using harsh chemicals, abrasive cleaners, or solvents, as these can damage the finish and material.
- For spills, blot immediately with a clean, dry cloth.

TROUBLESHOOTING

If you encounter any issues with your bar stools, please refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Stool wobbles	Uneven floor surface; loose connections; damaged base.	Ensure the stool is on a flat surface. Check and tighten all assembly screws. Inspect the base for damage.
Height adjustment not working	Gas lift cylinder malfunction; lever mechanism obstruction.	Ensure the lever is fully engaged. Check for any obstructions around the lever or gas lift. If the gas lift is faulty, it may require replacement.
Squeaking noise during swivel	Lack of lubrication in swivel mechanism.	Apply a small amount of silicone-based lubricant to the swivel mechanism under the seat.
