

FORLIGHT Nere

FORLIGHT Nere Ceiling Fan with LED Light

Model: Nere (b5527ec2-8e06-47b8-a412-3717ab81dde4)

User Manual

1. INTRODUCTION

Thank you for choosing the FORLIGHT Nere Ceiling Fan with LED Light. This manual provides essential information for the safe installation, operation, and maintenance of your new ceiling fan. Please read these instructions thoroughly before installation and keep them for future reference.

Image 1.1: The FORLIGHT Nere Ceiling Fan with LED light, featuring three wooden blades, installed in a modern living space.

2. SAFETY INSTRUCTIONS

To reduce the risk of electric shock, fire, or injury, always follow these basic safety precautions:

- Ensure the main power supply is disconnected before installation, maintenance, or cleaning.
- Installation must be performed by a qualified electrician in accordance with local electrical codes.
- The mounting structure must be capable of supporting the weight of the fan (refer to specifications).
- Do not connect the fan to a dimmer switch or variable speed control other than the provided remote control.
- Keep hands and objects clear of the fan blades when the fan is operating.
- This fan is designed for indoor use only and is not water resistant.

3. PACKAGE CONTENTS

Verify that all components are present and undamaged before beginning installation:

- FORLIGHT Nere Ceiling Fan unit (motor housing, blades, LED light)
- Remote Control
- Installation Rods (12.5 cm and 25 cm options)
- Mounting Hardware
- User Manual

4. INSTALLATION

The FORLIGHT Nere Ceiling Fan is designed for semi-flush mounting. Follow these general steps for installation. Consult a qualified electrician for assistance if needed.

1. **Prepare the Mounting Location:** Ensure the ceiling junction box is securely mounted and capable of supporting the fan's weight.
2. **Install the Mounting Bracket:** Attach the mounting bracket to the ceiling junction box using the provided hardware.
3. **Assemble the Downrod:** Choose either the 12.5 cm or 25 cm installation rod based on your desired ceiling clearance. Securely attach it to the fan motor housing.
4. **Wire the Fan:** Carefully connect the electrical wires from the fan to the household wiring according to the wiring diagram in the full installation guide (not included in this summary). Ensure all connections are secure.
5. **Mount the Fan:** Lift the fan assembly and hang it onto the mounting bracket. Secure the fan to the bracket.
6. **Attach the Blades:** Securely fasten the three FSC-certified wooden blades to the fan motor housing.
7. **Install the LED Light:** Connect and secure the integrated LED light fixture.
8. **Restore Power:** Once installation is complete and all connections are checked, restore power to the circuit.

Image 4.1: Illustration detailing the fan's suitability for small to medium rooms (75x75 cm), its steel and natural wood construction, and the inclusion of two installation rods (12.5 cm and 25 cm) for adjustable height, along with FSC wood certification.

5. OPERATING INSTRUCTIONS

The FORLIGHT Nere Ceiling Fan is controlled via the included remote control, offering comprehensive functionality.

5.1 Remote Control Functions

- **Power On/Off:** Turns the fan and light on or off.
- **Fan Speed:** Select from 6 adjustable fan speeds. The DC motor ensures quiet operation.
- **Light Temperature:** Adjust the LED light color temperature between 3000K (warm white), 4200K (neutral white), and 6200K (cool white).
- **Timer Function:** Program the fan to turn off automatically after 1, 2, 4, or 8 hours.
- **Winter/Summer Mode (Reverse Rotation):** Activates reverse blade rotation. In winter, this mode helps redistribute warm air, optimizing heating efficiency. In summer, it creates a cooling breeze.

- **Breeze Mode:** Simulates a natural breeze for enhanced comfort.

Ventilador de techo Nere

Diseñado para cuidar tu bienestar

Image 5.1: Overview of the fan's features, including its ultra-silent DC motor, integrated LED light with adjustable intensity and color temperature, 6 speed settings, and programmable timer options (1, 2, 4, and 8 hours), all controlled by the remote.

Multifunciones

Un aliado todo en uno para tu **comodidad durante todo el año**. Un ventilador que no solo refresca, simplifica tu día a día con sus **múltiples prestaciones**.

Motor DC

Ultra silencioso

Image 5.2: Explanation of the fan's Breeze Mode, which simulates a natural breeze, and its Winter/Summer modes. The winter mode redistributes warm air to reduce heating costs, while the summer mode can lower room temperature by up to 6°C for a fresh sensation.

6. MAINTENANCE

Regular maintenance ensures optimal performance and longevity of your ceiling fan.

- **Cleaning:** Before cleaning, ensure the power is off. Use a soft, damp cloth to wipe down the fan blades and motor housing. Do not use abrasive cleaners or solvents.
- **Blade Inspection:** Periodically check that the blade screws are tight. Loose blades can cause wobbling and noise.
- **Light Source:** The integrated LED light is designed for long life. If replacement is ever needed, consult a qualified technician.

7. TROUBLESHOOTING

If you experience issues with your FORLIGHT Nere Ceiling Fan, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Fan does not start	No power supply; Remote control battery low; Incorrect wiring	Check circuit breaker; Replace remote battery; Verify wiring connections (consult electrician)
Fan wobbles	Loose blade screws; Uneven blade balance; Loose mounting bracket	Tighten all blade screws; Balance blades using a balancing kit (not included); Ensure mounting bracket is secure
Light does not work	No power to light; LED module fault	Check power connection to light; Contact support for LED module replacement
Remote control not responding	Battery low/dead; Remote not paired; Obstruction	Replace battery; Refer to pairing instructions (if applicable); Ensure clear line of sight to fan receiver

8. SPECIFICATIONS

Feature	Detail
Brand	FORLIGHT
Model Name	Nere Fan
Product Model Number	b5527ec2-8e06-47b8-a412-3717ab81dde4
Dimensions (Product)	38.5 x 25.8 x 51.5 cm
Color	White
Material	Wood (FSC Certified)
Style	Rustic
Indoor/Outdoor Use	Indoor
Power Source	Electric Cable
Installation Type	Semi-flush mount
Control Method	Remote Control
Bulb Type	Integrated LED
Number of Bulbs	1
Light Color Temperature	3000K, 4200K, 6200K (Adjustable)
Fan Speeds	6
Timer Function	1, 2, 4, 8 hours

Feature	Detail
Special Features	Silent DC Motor, Reverse Rotation (Winter/Summer Mode), Breeze Mode
Water Resistance Level	Not water resistant

9. WARRANTY AND SUPPORT

The FORLIGHT Nere Ceiling Fan comes with a manufacturer's warranty of **3 years**.
