## 5. OPERATING INSTRUCTIONS

This patio dining set is designed for comfortable outdoor dining and relaxation. The table's integrated umbrella hole allows for the addition of a patio umbrella (not included) to provide shade.

- **Placement:** Position the dining set on a level, stable outdoor surface such as a patio, deck, or garden area.
- **Umbrella Use:** To use a patio umbrella, remove the cap from the center hole of the table. Insert the umbrella pole through the hole and secure it with an appropriate umbrella base (sold separately). Ensure the umbrella is closed during strong winds or when not in use.
- **Seating:** The chairs are designed for individual seating. Avoid overloading or using them for purposes other than seating.

## 6. MAINTENANCE

Proper care will extend the life and appearance of your Outsunny patio dining set.

- **Cleaning:** Wipe clean with a damp cloth and mild soap. Avoid harsh chemicals or abrasive cleaners that could damage the HDPE or aluminum finish.
- **Protection:** While the set is made from waterproof HDPE and rust-resistant aluminum, covering the furniture during prolonged periods of non-use or extreme weather conditions (heavy rain, snow, intense sun) is recommended to maintain its condition.
- **Inspection:** Periodically inspect all connections and hardware. Re-tighten any loose bolts or screws to ensure stability and safety.

# SELECTED MATERIAL

## 7. TROUBLESHOOTING

If you encounter any issues with your patio dining set, consider the following common solutions:

- **Wobbling Table/Chairs:** Check that all bolts and screws are securely tightened. Ensure the furniture is placed on a level surface.
- **Difficulty Assembling:** Review the assembly instructions carefully. Ensure you are using the correct hardware for each step. Do not force parts together.
- **Scratches/Minor Damage:** For minor scratches on the aluminum frame, touch-up paint can be used. For HDPE surfaces, minor scuffs may be buffed out with fine-grit sandpaper, though this may alter the texture.
