Morole 0092

Morole Mosquito Killer Lamp User Manual

Model: 0092

1. INTRODUCTION

Thank you for choosing the Morole Mosquito Killer Lamp. This device is designed to effectively attract and eliminate mosquitoes and other flying insects, providing a more comfortable environment. Please read this manual thoroughly before operation to ensure proper use, optimal performance, and safety.

2. SAFETY INSTRUCTIONS

- Keep the device out of reach of children and pets.
- Do not insert fingers or foreign objects into the lamp while it is connected to power.
- Do not use the device near water or in wet environments.
- Unplug the device before cleaning or performing any maintenance.
- Do not attempt to repair or modify the device yourself. Contact qualified personnel for service.
- Ensure the power supply voltage matches the requirements specified on the device label.
- For indoor use or covered outdoor areas only. Protect from rain and direct sunlight.

3. PACKAGE CONTENTS

Please check the package for the following items:

- Morole Mosquito Killer Lamp (Model 0092)
- USB Power Cable
- User Manual

4. PRODUCT OVERVIEW

Image: The Morole Mosquito Killer Lamp, featuring a black cylindrical body with a handle on top, a wide brim, and vertical blue UV light tubes visible through a protective grid. The base has a white illuminated ring.

5. SETUP

1. **Unpack the Device:** Carefully remove the mosquito killer lamp from its packaging.
2. **Choose a Location:** Place the lamp in a dark area, away from other light sources, for optimal performance. For best results, place it 0.5 to 1.0 meter above the ground. Avoid placing it directly in front of open windows or doors where strong air currents might interfere.
3. **Connect Power:** Insert the USB power cable into the lamp's power port and connect the other end to a compatible USB power adapter (not included) or a USB port.

6. OPERATING INSTRUCTIONS

1. **Power On:** Once connected to power, the lamp will automatically turn on, emitting its UV light to attract insects.
2. **Optimal Use:** For maximum effectiveness, operate the lamp for at least 2-3 hours before bedtime in a room, or continuously in areas with high insect activity.
3. **Power Off:** To turn off the lamp, simply disconnect it from the power source.

7. MAINTENANCE

Regular cleaning ensures the longevity and effectiveness of your mosquito killer lamp.

1. **Disconnect Power:** Always unplug the device from the power source before cleaning.
2. **Empty Insect Tray:** The lamp is equipped with a removable collection tray at the bottom. Rotate or slide the tray to open it and dispose of the accumulated insects.
3. **Clean the Tray:** Wash the collection tray with water and mild soap. Ensure it is completely dry before reattaching it to the lamp.
4. **Clean the Grid:** Use a small brush (e.g., an old toothbrush) to gently brush away any insects stuck to the

internal grid. Do not use water or wet cloths on the grid.

5. **Wipe Exterior:** Wipe the exterior of the lamp with a soft, dry cloth. Do not use abrasive cleaners or solvents.

8. TROUBLESHOOTING

Problem	Possible Cause	Solution
Lamp does not turn on.	No power supply.	Check if the power cable is securely connected and the power outlet is working. Try a different USB power adapter.
Low effectiveness in killing mosquitoes.	Too much ambient light.	Place the lamp in a darker area. Turn off other strong light sources.
	Lamp placed too high or too low.	Adjust the lamp's height to 0.5-1.0 meter from the ground.
	Collection tray is full.	Clean the insect collection tray.

9. SPECIFICATIONS

- **Model:** 0092
- **Brand:** Morole
- **Product Dimensions:** 5.31 x 5.31 x 8.66 inches
- **Power Source:** USB (DC 5V)
- **Target Species:** Mosquito
- **Style:** Modern
- **Is Electric:** Yes

10. WARRANTY AND SUPPORT

Morole provides a limited warranty for this product against defects in materials and workmanship under normal use. Please refer to the warranty card included in your package for specific terms and conditions. For technical support, troubleshooting assistance, or warranty claims, please contact Morole customer service through the retailer where you purchased the product or visit the official Morole store on Amazon.

Note: Keep your purchase receipt as proof of purchase for warranty purposes.
