T4TREAM ILSC48VDWM-DGY

T4TREAM Fluted Makeup Vanity Desk User Manual

Model: ILSC48VDWM-DGY

Brand: T4TREAM

Introduction

This manual provides detailed instructions for the assembly, operation, maintenance, and troubleshooting of your T4TREAM Fluted Makeup Vanity Desk. Please read this manual thoroughly before assembly and use to ensure safe and efficient operation of your new vanity desk.

Safety Information

- **Stable Placement:** Ensure the vanity is placed on a stable, level surface to prevent tipping or accidents.
- **Weight Limit:** Do not exceed the recommended weight limit for drawers and shelves. The side table can support up to 30 lbs.
- **Electrical Safety:** When using the built-in charging station, ensure all devices are compatible with the provided voltage and current (125V/12A AC, 5V/2.1A USB). Do not overload the outlets.
- **Glass Care:** Handle glass components with care to avoid breakage. Clean glass surfaces as instructed in the Maintenance section.
- **Children and Pets:** Keep small children and pets away from the vanity during assembly and ensure all small parts are stored safely.

Setup and Assembly

Your T4TREAM Fluted Makeup Vanity Desk requires assembly. Please follow the detailed installation instructions included in the packaging. All parts and accessories are clearly identified with numbered stickers for ease of recognition. A pack of spare parts is also supplied in case of hardware loss during assembly.

Before You Begin:

- Unpack all components and verify against the parts list in the instruction manual.
- Ensure you have adequate space for assembly and the necessary tools (e.g., screwdriver, hammer, if not provided).
- Assemble on a soft, clean surface to prevent scratching the furniture.

Operating Instructions

36" HD Lighted Mirror

The vanity desk features a 36-inch full-sized HD lighted mirror designed for optimal illumination during makeup application. The lighting system offers adjustable brightness and three distinct light settings.

- **Touch Control:** The mirror is operated via a touch control interface located on the mirror surface.
- **Adjust Brightness:** Press and hold the touch control button to seamlessly adjust the brightness level from 0% to 100%.
- **Select Lighting Modes:** Tap the touch control button to cycle through the three available lighting modes: *Cool Daylight*, *Neutral Light*, and *Warm Light*. Choose the mode that best suits your environment or makeup needs.

Storage Features

The vanity desk is equipped with multiple storage solutions to keep your cosmetics and accessories organized.

- **Embedded Tempered Glass Tabletop:** The transparent glass top provides a clear view of stored items within the top compartments, allowing for quick access to your cosmetics and jewelry.

- **Side Storage Cabinet:** A dedicated side cabinet offers additional storage with height-adjustable shelves, providing flexible space for items of various heights. The dustproof glass door ensures your cosmetics remain clean and easily visible.
- **Built-in Charging Station:** The side table incorporates a convenient charging station with two 125V/12A AC outlets and two 5V/2.1A USB ports, allowing you to power or charge your electronic devices directly from the vanity.

Maintenance

Proper care will extend the life and maintain the appearance of your vanity desk.

- **Cleaning:** Wipe all surfaces with a dry, soft cloth. Avoid using abrasive cleaners, harsh chemicals, or polishes that may damage the finish or glass.
- **Spills:** Immediately wipe up any spills with a clean, dry cloth to prevent staining or damage to the wood and glass surfaces.
- **Glass Surfaces:** For the glass tabletop and cabinet door, use a glass cleaner specifically designed for mirrors and glass, applied to a soft cloth, not directly to the surface.
- **Heat and Moisture:** Avoid placing hot items directly on the surface. Protect the vanity from excessive moisture and direct sunlight.

Troubleshooting

If you encounter any issues with your vanity desk, please refer to the following common solutions:

- **Lighted Mirror Not Working:**
  - Ensure the power cord is securely plugged into a functional electrical outlet.
  - Verify that the touch control button is being pressed correctly. Try pressing and holding, then tapping.
  - Check for any visible damage to the power cord or mirror unit.
- **Drawers Sticking or Not Closing Smoothly:**
  - Check for any obstructions within the drawer slides or inside the drawer itself.
  - Ensure the drawer slides are properly aligned and securely fastened. Refer to the assembly instructions for correct alignment.
  - Lightly apply a silicone-based lubricant to the drawer slides if friction persists.
- **Vanity Feels Unstable:**
  - Confirm the vanity is placed on a completely flat and level surface.
  - Check all assembly screws and bolts to ensure they are tightened securely. Do not overtighten.

Specifications

Feature	Detail
Brand	T4TREAM
Model Number	ILSC48VDWM-DGY
Color	Dark Grey
Product Dimensions (L x W x H)	48 inches x 15.6 inches x 53.6 inches
