4. SETUP

Your Summax Reclining Chaise Lounge Chairs are designed for immediate use with no assembly required. Simply unpack the chairs from their packaging and unfold them to their desired position. Ensure the chairs are placed on a stable, level surface before use.

5. OPERATING INSTRUCTIONS

The backrest of your chaise lounge chair features 5 adjustable reclining positions. To adjust the backrest:

1. Gently lift the backrest slightly to disengage it from its current notch.
2. Move the backrest to the desired notch on the support frame.
3. Ensure the backrest is securely seated in the chosen position before applying full weight.

Always adjust the backrest slowly and carefully to prevent injury.

6. MAINTENANCE

To maintain the appearance and longevity of your Summax Reclining Chaise Lounge Chairs:

- **Cleaning:** Wipe clean with a damp cloth. Avoid using harsh chemicals, abrasive cleaners, or stiff brushes, as these can damage the PE rattan and frame finish.
- **Storage:** The chairs feature a foldable structure for convenient storage. When not in use for extended periods, especially during harsh weather, store them in a dry, protected area.
- **Inspection:** Periodically check all structural components for stability and wear.

7. TROUBLESHOOTING

If you encounter any issues with your chaise lounge chairs, consider the following:

- **Stability:** Ensure the chair is placed on a flat, level surface. Uneven ground can affect stability.

- **Backrest Adjustment:** If the backrest is difficult to adjust, ensure no obstructions are present in the adjustment mechanism. Apply gentle, even pressure when lifting and repositioning.
- **General Wear:** While designed for outdoor use, extreme weather conditions can impact the product over time. Regular maintenance and proper storage can extend product life.
