OPERATING INSTRUCTIONS

The Virubi Boho TV Stand is designed for ease of use and organization.

Using Doors and Drawers:

- The rattan doors and drawers are equipped with smooth-gliding mechanisms. Use the integrated handles to open and close them gently.
- Avoid forcing doors or drawers if they feel stiff. Check for obstructions or misaligned tracks.
- The drawers provide concealed storage for smaller items, while the cabinet sections behind the rattan doors are ideal for larger media components or decorative items.

Cable Management:

- Utilize the integrated cord holes located in the back panel of the open shelves to route cables for your electronic devices. This helps maintain a tidy appearance and prevents cable clutter.
- Ensure cables are not pinched or excessively bent, which can cause damage.

MAINTENANCE

Proper care will extend the life and appearance of your Virubi TV Stand.

- **Cleaning:** Wipe the surface with a soft, damp cloth. Avoid harsh chemicals, abrasive cleaners, or excessive moisture, which can damage the wood finish and rattan.
- **Rattan Care:** The natural rattan can be gently dusted with a soft brush or vacuum cleaner with a brush attachment. Avoid direct sunlight for prolonged periods to prevent fading or drying out of the rattan.
- **Spills:** Clean spills immediately with a dry cloth to prevent staining.
- **Hardware:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.

TROUBLESHOOTING

If you encounter any issues with your TV stand, refer to the following common solutions:

- **Wobbly Stand:** Ensure all leg connections and frame screws are securely tightened. Verify the stand is on a level surface. Use furniture pads if needed to stabilize.
- **Doors Not Aligning:** Adjust the hinges on the doors. Most furniture hinges allow for minor adjustments (up/down, left/right, in/out) using a screwdriver. Refer to your assembly guide for specific hinge adjustment instructions.
- **Drawers Sticking:** Check that the drawer slides are properly aligned and free of obstructions. Ensure the drawer box is assembled correctly and not warped. Lubricate slides with a silicone-based spray if necessary.
- **Damaged Rattan:** For minor fraying, carefully trim loose strands. For significant damage, contact customer support for advice.
