Yaheetech 614436 Black

Yaheetech 42" Heavy Duty Dog Crate Instruction Manual

Model: 614436 Black | **Brand:** Yaheetech

1. PRODUCT OVERVIEW

The Yaheetech 42" Heavy Duty Dog Crate is a robust and versatile containment solution for medium to large dogs. Constructed from durable materials, it offers a secure and comfortable space for your pet, whether indoors or outdoors. Its thoughtful design includes features that prioritize both pet safety and owner convenience, such as easy assembly, mobility, and maintenance.

A general view of the Yaheetech 42-inch Heavy Duty Dog Crate, showcasing its overall design and size, with a small dog comfortably resting inside.

2. KEY FEATURES

- **Indestructible Metal Construction:** Made of sturdy 20-gauge steel and powder-coated with waterproof paint, ensuring unbeatable strength and enhanced durability. Features 5/16" diameter wires and 5/8" square frame tubes.

INDESTRUCTIBLE METAL CONSTRUCTION

Built To Last

5/8" Square Frame Tubes

This image highlights the robust construction of the crate, featuring 20-gauge steel, 5/16-inch diameter wires, and 5/8-inch square frame tubes for enhanced durability.

- **Convenient & Secure Door Latches:** Easy to lock and open for pet owners, designed to prevent accidental escapes.

SAFETY DOOR LATCHES

This deluxe dog crate has a side-opening door and a flip-up top, which allows for easy entry in virtually any location.

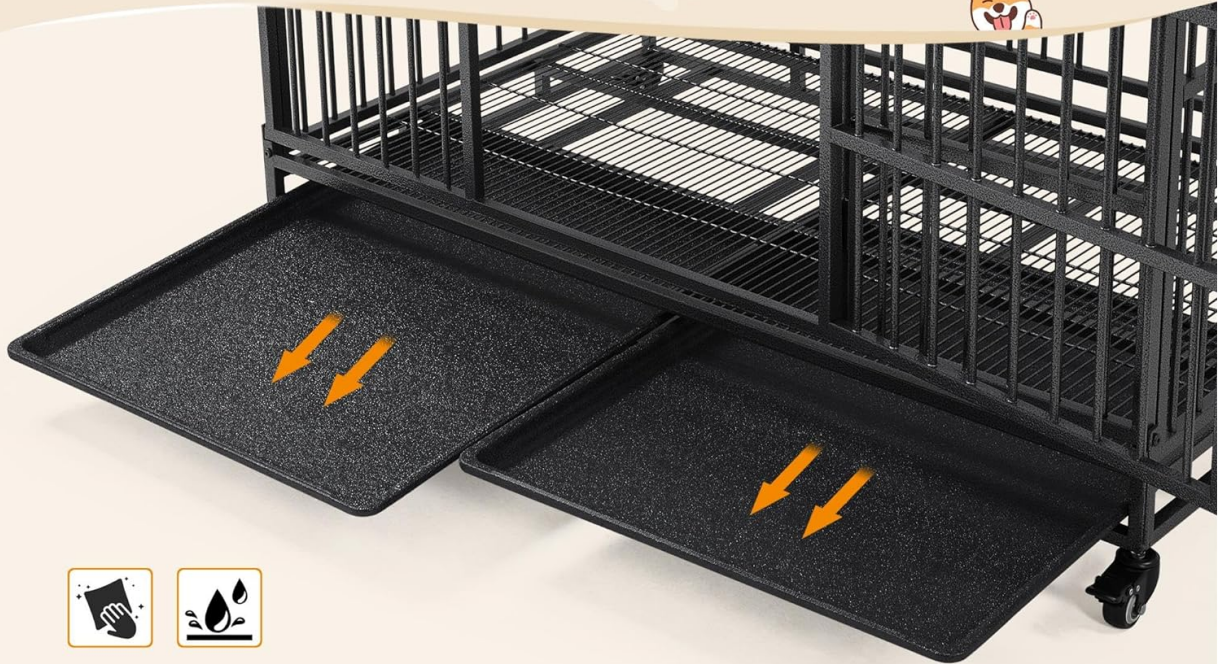

The dog crate features safety door latches, shown with a golden retriever inside and a corgi resting nearby, emphasizing secure containment.

- **Pull-out Tray For Cleaning:** Includes two pull-out trays for easy cleaning and daily maintenance, ensuring a tidy and hygienic environment.

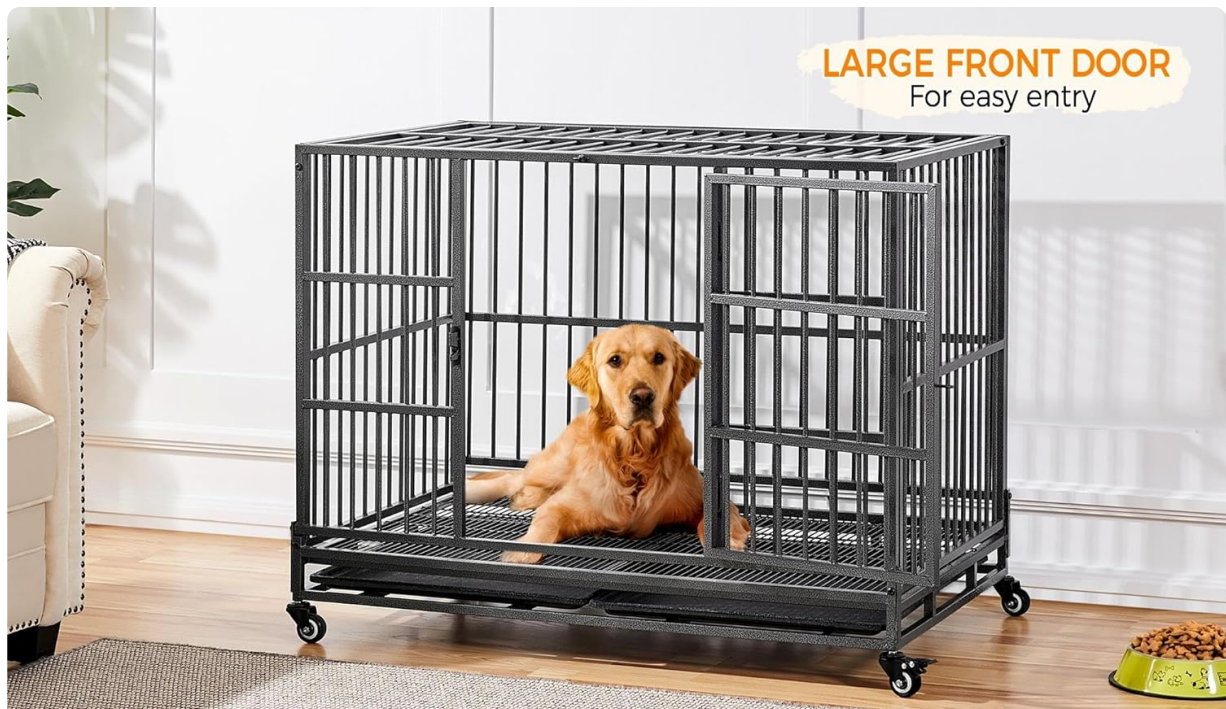

WATERPROOF PULL-OUT TRAYS

Make daily maintenance a breeze

The crate includes two waterproof pull-out trays, designed for effortless cleaning and daily maintenance, ensuring a hygienic environment.

- **Move Or Lock At Will:** Equipped with four 360-degree swivel wheels, two of which are lockable for stability and easy relocation.
- **Interactive Open Top Design:** Allows for easier access and interaction with your pet.

The crate features a large front door for convenient pet entry and an interactive open-top design, allowing for easier access and interaction with your pet.

- **Designed For Medium-To-Large Dogs:** Spacious 42" L × 27" W × 33.5" H with 132 lb high capacity, suitable for breeds like Labrador Retrievers, Golden Retrievers, and Boxers.

 Maximum Weight Capacity: 132 lb

This image provides a detailed diagram of the dog crate's dimensions (42"L × 27"W × 33.5"H) and its maximum weight capacity of 132 lbs, along with examples of suitable dog breeds.

3. SETUP AND ASSEMBLY

The assembly for this dog crate is quick and straightforward due to its pre-assembled panels. You can typically finish the setup within half an hour.

Assembly Steps:

1. Unfold the main crate structure.
2. Attach the wheels to the base of the crate.
3. Secure any remaining panels or top sections as per the visual guide.
4. Insert the pull-out trays into their designated slots at the bottom.

A visual guide illustrating the simple four-step assembly process of the foldable dog crate, emphasizing its quick and straightforward setup.

This video provides a comprehensive demonstration of the Yaheetech 42-inch Heavy Duty Dog Crate, showcasing its key features such as the powder-coated metal construction, waterproof pull-out trays, lockable wheels, interactive open-top design, and convenient secure door latches. It also illustrates the ease of assembly and overall functionality.

4. OPERATING INSTRUCTIONS

Using the Doors:

The crate features double doors for flexible access. To open, simply press the latch to unlock and pull the door outwards. To secure, push the door closed until the latch clicks into place.

Utilizing the Open Top:

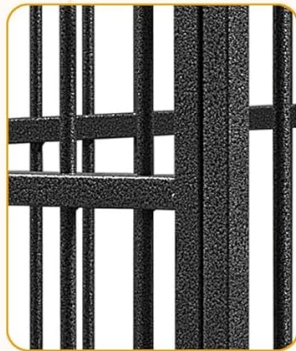

For easier interaction with your pet or for placing larger items inside, the top panel of the crate can be opened. Lift the top panel upwards until it is fully extended and stable.

Moving and Locking the Crate:

The crate is equipped with 360-degree swivel wheels for effortless mobility. To move the crate, simply push or pull it to the desired location. To secure the crate in place, engage the locks on the two lockable wheels. Ensure both wheels are locked to prevent unintended movement.

360° Swivel Wheels

Detailed views of the crate's construction, including the substantial metal frame, secure door lock, convenient pull-out trays for cleaning, and 360-degree swivel wheels for easy mobility.

5. MAINTENANCE

Cleaning the Trays:

The crate features two pull-out trays designed for easy cleaning. Simply slide out the trays from the bottom of the crate. Wash them with mild soap and water, then rinse thoroughly and dry before reinserting. Regular cleaning of the trays helps maintain a hygienic environment for your pet.

General Cleaning:

Wipe down the metal frame and bars with a damp cloth and mild detergent as needed. Avoid abrasive cleaners that could damage the powder-coated finish. Ensure the crate is completely dry before allowing your pet back inside.

6. TROUBLESHOOTING

- **Issue: Wheels do not lock securely or slide.**

Solution: Ensure the locking mechanism on the wheels is fully engaged. If the issue persists, check for any debris obstructing the wheel mechanism. For optimal stability, place the crate on a flat, even surface.

- **Issue: Door latch feels flimsy or does not secure properly.**

Solution: Verify that the latch components are aligned correctly. Ensure the door is fully closed before attempting to engage the latch. If the latch appears damaged, contact customer support for assistance.

- **Issue: Pet's tags getting caught in the floor grid.**

Solution: For your pet's safety, it is recommended to remove collars or tags before placing your pet inside the crate, especially if they are prone to getting caught. Consider using a soft, flat bed or mat inside the crate to cover the grid and provide additional comfort.

7. SPECIFICATIONS

Attribute	Value
Item Weight	55.11 Pounds
Manufacturer	Yaheetech
ASIN	B0CTTGK1J
Item model number	614436 Black
Date First Available	February 2, 2024
Item Package Dimensions L x W x H	43.5 x 28.74 x 7.48 inches
