Hello Antiplaque Whitening Toothpaste and Activated Charcoal Deodorant User Manual

Comprehensive instructions for the proper use and care of your Hello oral care and personal hygiene products.

1. PRODUCT OVERVIEW

This manual provides detailed instructions for the Hello Antiplaque Whitening Toothpaste and the Hello Activated Charcoal Fresh and Clean Deodorant. These products are designed to support your daily oral hygiene and personal freshness routines with thoughtfully selected ingredients.

Image 1.1: The Hello Antiplaque Whitening Toothpaste (3-pack) and Hello Activated Charcoal Deodorant (2-pack) combination.

The Antiplaque Whitening Toothpaste is fluoride-free, formulated with natural peppermint, tea tree oil, and coconut oil to help whiten teeth, fight plaque, and freshen breath. The Activated Charcoal Fresh and Clean Deodorant is aluminum-free and baking soda-free, offering 24-hour odor protection with a natural fragrance and moisturizing shea butter.

2. HELLO ANTIPLAQUE WHITENING TOOTHPASTE

2.1. Product Description

The Hello Antiplaque Whitening Toothpaste is designed for daily oral care. It helps to remove plaque, naturally whiten teeth, and provide a fresh feeling with its natural peppermint flavor. This toothpaste is free from fluoride, artificial sweeteners, artificial flavors, peroxide, synthetic dyes, triclosan, microbeads, parabens, and SLS sulfates.

Image 2.2: A close-up view of the Hello Antiplaque Whitening Toothpaste tube, highlighting its natural peppermint and fluoride-free claims.

2.2. Usage Instructions

1. **Preparation:** Wet your toothbrush thoroughly.
2. **Application:** Apply a pea-sized amount of Hello Antiplaque Whitening Toothpaste onto the bristles.
3. **Brushing:** Brush your teeth in gentle, circular motions for approximately two minutes, ensuring all surfaces are cleaned.
4. **Rinsing:** Rinse your mouth thoroughly with water after brushing.

For optimal results, use at least twice daily, preferably after meals.

2.3. Ingredients

Glycerin, Water, Hydrated Silica, Calcium Carbonate, Sorbitol, Erythritol, Xylitol, Flavor, Xanthan Gum, Sodium Bicarbonate, Potassium Citrate, Sodium Cocoyl Glutamate, Zinc Citrate, Tetrasodium Pyrophosphate, Cocamidopropyl Betaine, Cocos Nucifera (Coconut) Oil, Rebaudioside A, Melaleuca Alternifolia (Tea Tree) Leaf Oil.

3. HELLO ACTIVATED CHARCOAL FRESH AND CLEAN DEODORANT

3.1. Product Description

The Hello Activated Charcoal Fresh and Clean Deodorant provides 24-hour odor protection. It is formulated with activated charcoal and shea butter to soothe and moisturize the skin. This deodorant is aluminum-free, baking soda-free, parabens-free, phthalates-free, talc-free, and dye-free, making it suitable for sensitive skin.

Image 3.2: A close-up view of the Hello Activated Charcoal Deodorant stick, emphasizing its "clean + fresh" and "naturally friendly" attributes.

3.2. Usage Instructions

1. **Preparation:** Remove the cap from the deodorant stick.
2. **Application:** Twist the base of the stick to raise the product. Apply a thin, even layer directly to clean, dry underarms.
3. **Frequency:** Apply daily or as needed for continuous odor protection.

this includes:
two hello® clean + fresh deos

Image 3.3: Two Hello Activated Charcoal Fresh and Clean Deodorant sticks, indicating a multi-pack offering.

4. GENERAL CARE AND STORAGE

- **Storage:** Store both toothpaste and deodorant in a cool, dry place, away from direct sunlight and extreme temperatures.
- **Sealing:** Ensure caps are securely replaced on both products after each use to maintain freshness and prevent drying.
- **Shelf Life:** Refer to the packaging for specific expiration dates.

5. TROUBLESHOOTING

- **Toothpaste - Gritty Feeling After Brushing:** If teeth feel gritty, ensure you are brushing for the recommended two minutes and rinsing thoroughly. This toothpaste uses natural minerals for whitening, which should rinse away completely.
- **Deodorant - Odor Persistence:** If odor persists, ensure underarms are clean and dry before application. Reapply as needed. This product is designed for odor protection, not antiperspirant function.

- **Skin Irritation:** Discontinue use if irritation occurs with either product. Consult a healthcare professional if symptoms persist.
