

Devoko 80CM

Devoko Extendable Garden Table 80/160 x 80 x 75 cm User Manual

Model: 80CM

1. INTRODUCTION

Thank you for choosing the Devoko Extendable Garden Table. This manual provides essential information for the assembly, operation, and maintenance of your new outdoor dining table. Crafted from durable aluminum, this table is designed for versatility and weather resistance, making it ideal for various outdoor settings.

The table features an extendable design, allowing it to transform from a compact 80x80 cm size to a spacious 160x80 cm, accommodating 4 to 8 people. Its lightweight yet robust construction ensures stability and longevity.

2. SAFETY INFORMATION

- Do not expose the garden table to direct sunlight for extended periods to ensure its long-term durability and appearance.
- Ensure all components are securely fastened during assembly to prevent instability.
- Do not exceed the maximum recommended weight capacity of 136 kg (300 lbs).
- Keep small parts away from children during assembly.

3. PACKAGE CONTENTS

Before beginning assembly, please ensure all parts are present and undamaged.

- Tabletop (pre-assembled)
- Table Legs (4 units)
- Assembly Hardware (screws, washers, etc.)
- Assembly Tools (e.g., screwdriver)
- Instruction Manual

Figure 1: Table components and dimensions (80cm compact, 160cm extended).

4. SETUP AND ASSEMBLY

The Devoko Extendable Garden Table is designed for quick and easy assembly. The tabletop comes pre-assembled, requiring only the attachment of the legs.

4.1 Recommended Tools and Personnel

- **Recommended Tools:** Screwdriver (included)
- **Recommended Personnel:** 1 person

4.2 Assembly Steps

1. Carefully unpack all components and verify against the package contents list.
2. Place the pre-assembled tabletop upside down on a soft, clean surface to prevent scratches.
3. Attach each of the four table legs to the designated corners of the tabletop using the provided hardware. Ensure screws are tightened securely but do not overtighten.
4. Once all legs are attached, carefully turn the table upright.
5. Adjust the non-slip feet at the bottom of each leg to ensure the table is stable and level on your chosen surface.

Figure 2: Detail of adjustable table feet for stability.

5. OPERATING INSTRUCTIONS: EXTENDING AND RETRACTING THE TABLE

The Devoko table features a manual slide-out extension mechanism, allowing you to easily adjust its length to suit your needs.

5.1 Extending the Table

1. Ensure there is sufficient clear space around the table for extension.
2. Gently pull one end of the tabletop outwards. The extension leaf will slide out from underneath the main tabletop.
3. Continue pulling until the extension leaf is fully exposed and locks into place, creating a seamless, larger surface.
4. The table will extend from 80 cm to 160 cm in length, comfortably seating 4 to 8 people.

5.2 Retracting the Table

1. To retract, locate the release mechanism (if any, usually a latch or lever) or simply push the extended leaf back

underneath the main tabletop.

2. Gently push the extended section back until it is fully nested beneath the main tabletop and locks into its compact position.
3. The table will return to its compact 80 cm length, suitable for smaller spaces or fewer guests.

6. MAINTENANCE

Proper care will ensure the longevity and appearance of your Devoko Extendable Garden Table.

- **Cleaning:** The table's eco-friendly aluminum coating makes it easy to clean. Wipe the surface with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Weather Protection:** While the table is weather-resistant and features an anti-rust powder coating, prolonged exposure to extreme weather conditions (e.g., heavy rain, snow, intense direct sunlight) should be avoided. Consider using a protective cover when the table is not in use for extended periods, especially during off-seasons.
- **Sunlight Exposure:** To ensure long life, do not expose the garden table to direct sunlight for extended periods.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.

Struttura interamente in alluminio Elevata resistenza agli agenti atmosferici

7. TROUBLESHOOTING

This section addresses common issues you might encounter.

- **Table is wobbly:**

- Ensure all leg attachment screws are securely tightened.
- Adjust the individual non-slip feet on each leg to level the table on uneven surfaces.

- **Extension mechanism is stiff:**

- Check for any obstructions in the sliding mechanism.
- Ensure the table is clean and free of debris. A small amount of silicone-based lubricant can be applied to the sliding tracks if needed, but avoid oil-based lubricants that can attract dirt.

- **Color variation:**

- Please note that table colors may vary slightly due to monitor settings or lighting conditions during photography. This is generally not a product defect.

For any quality issues or problems not covered here, please contact Devoko customer support for assistance.

8. SPECIFICATIONS

Brand	Devoko
Model Number	80CM
Material	Aluminum (Frame and Top)
Color	Dark Grey
Dimensions (Compact)	80 cm (Length) x 80 cm (Width) x 75 cm (Height)
Dimensions (Extended)	160 cm (Length) x 80 cm (Width) x 75 cm (Height)
