Bestier D513S

Bestier Gaming Desk with LED Lights Instruction Manual

MODEL: D513S

Introduction

This manual provides detailed instructions for the assembly, operation, and maintenance of your Bestier Gaming Desk (Model D513S). Please read all instructions carefully before beginning assembly and retain this manual for future reference.

Product Overview

The Bestier Gaming Desk is designed for versatility and functionality, featuring integrated LED lighting and ample storage solutions. Its robust construction ensures durability for various uses, from gaming to office work.

Setup and Assembly

Assembly of the Bestier Gaming Desk is required. Detailed instructions are provided with the product. It is recommended for one person to assemble the desk, and all necessary tools are included.

Assembly Tips:

- Review all parts and hardware against the packing list before starting.
- Do not fully tighten screws until all components are loosely assembled to allow for adjustments.
- Follow the step-by-step diagrams in the included instruction booklet.
- For optimal stability, ensure all screws are securely tightened once the desk is fully assembled.

Operating Instructions

LED Lights:

The integrated LED lights offer 7 main color selections and 20 dynamic modes. Connect the LED light strip to a USB power source. Use the inline controller to cycle through colors, modes, and adjust brightness to create your desired ambiance.

Adjustable Shelf:

The second shelf on the side storage unit is designed to be height-adjustable. This allows you to customize the space to fit various items, including a computer tower. Refer to the assembly instructions for specific steps on how to adjust or remove this shelf.

Maintenance

To maintain the appearance and longevity of your Bestier Gaming Desk, follow these simple care instructions:

- Wipe surfaces with a damp cloth to remove dust and spills.
- Immediately follow with a dry cloth to prevent moisture damage.
- Avoid using harsh chemicals or abrasive cleaners, as these can damage the finish.
- Do not exceed the maximum weight recommendation of 95 pounds on the desktop.

Troubleshooting

If you encounter any issues with your Bestier Gaming Desk, consider the following general troubleshooting steps:

- **Stability Issues:** Ensure all screws and fasteners are tightened. Check that the desk is on a level surface.
- **LED Lights Not Working:** Verify the USB connection to the power source. Check the inline controller for proper function.
- **Missing Parts:** Refer to the package contents list in your assembly manual. Contact customer support if parts are missing.

For further assistance, please contact Bestier customer support.
