2. SAFETY INFORMATION

- **Age Recommendation:** Suitable for children aged 3 years and up. Adult supervision is recommended during play.
- **Weight Limit:** Each stepping stone is designed to support up to 220 lbs (approximately 100 kg).
- **Material Safety:** Made from strong and high-quality plastic material. Ensure all components are intact before use.
- **Non-Slip Feature:** The stones are equipped with non-slip rubber pads on the bottom to prevent sliding on various surfaces. Always ensure these pads are securely attached before play.
- **Choking Hazard:** Small parts (e.g., eye stickers, light modules) may pose a choking hazard for very young children. Keep these away from infants and toddlers.
- **Usage Environment:** Can be used indoors or outdoors. Ensure the play area is clear of obstacles and hazards.

3. WHAT'S IN THE BOX

Your Tsomtto 6-Piece Light-Up Frog Stepping Stones set includes the following components:

- 6 x Colorful Frog Stepping Stones (various colors)
- 6 x Light Modules (for light-up feature)
- DIY Eye Stickers (various designs)
- 1 x Spinner
- 24 x Frog Activity Cards
- 1 x Game Instructions (this manual)
- Non-slip Rubber Pads (pre-installed or for user installation)

4. SETUP

1. **Attach Eye Stickers:** Peel off the desired eye stickers and firmly apply them to the designated eye areas on each frog stepping stone.
2. **Insert Light Modules:** Locate the small circular openings on the underside of each frog stone. Insert one light module into each opening. Ensure they are snug and secure. The lights will flash when pressure is applied to the stone.
3. **Verify Non-Slip Pads:** Check the underside of each frog stone to ensure the non-slip rubber pads are securely in place. If any are missing or loose, re-attach them. These pads are crucial for stability and safety on smooth surfaces.

5. OPERATING INSTRUCTIONS (GAME MODES)

The Tsomtto Frog Stepping Stones offer multiple ways to play, encouraging physical activity and cognitive development.

5.1. Free Play

Arrange the frog stones in any pattern or path. Children can walk, stand, jump, or climb on the stones, creating their own obstacle courses. This mode promotes imaginative play and gross motor skills.

5.2. Spinner Game

Use the included spinner to add an element of chance and color recognition to the game. Players spin the arrow and move to the frog stone matching the color indicated by the spinner. This can be adapted for various rules, such as "move to the next red frog" or "move to any blue frog."

6. MAINTENANCE

- **Cleaning:** Wipe the stepping stones with a damp cloth and mild soap as needed. Rinse thoroughly and air dry. Do not use harsh chemicals or abrasive cleaners.
- **Storage:** Store the stepping stones in a cool, dry place away from direct sunlight when not in use. They can be stacked for space-saving storage.
- **Light Modules:** The light modules are battery-operated. If lights dim or stop working, replace the batteries (type not specified, assume common button cell or similar, user should check module for details).

7. TROUBLESHOOTING

- **Stones are sliding:** Ensure the non-slip rubber pads on the underside of each stone are clean and securely attached. Clean the play surface if it is dusty or oily.
- **Lights are not flashing:** Check if the light modules are correctly inserted. If they are, the batteries may need to be replaced.
- **Stickers are peeling:** Re-apply stickers firmly. For better adhesion, ensure the surface is clean and dry before application.
