Instructions	Maintenance	Troubleshooting	Specifications	Warranty	Support

1. INTRODUCTION

This manual provides essential instructions for the safe and effective use of your BRITAX Car Seat Travel Bag and Car Seat Travel Cart. Please read this manual thoroughly before initial use and retain it for future reference. This product is designed to simplify the transportation and protection of your car seat during travel.

2. SAFETY INFORMATION

Always prioritize safety when using this product. Failure to follow these instructions could result in injury or damage.

- Ensure the car seat is securely placed within the travel bag or firmly attached to the travel cart before moving.
- Do not exceed the weight capacity of the travel cart. While the cart can be used with a child harnessed in a car seat for short distances, always exercise caution and maintain control.
- Keep hands and fingers clear of moving parts, especially when folding or unfolding the travel cart.
- Inspect the travel bag and cart for any signs of wear or damage before each use. Discontinue use if damage is found.
- Do not allow children to play with the travel bag or cart.

3. PRODUCT OVERVIEW

The BRITAX Car Seat Travel Bag and Travel Cart are designed to provide convenient solutions for transporting car seats.

3.1 Car Seat Travel Bag Features

- **Water-Resistant Fabric:** Protects your car seat from moisture.
- **Built-in Wheels:** For easy rolling transport.
- **Durable, Rubberized Base:** Enhances longevity and protection.
- **Adjustable, Padded Backpack Straps:** Offers comfortable hands-free carrying.
- **Multiple Carry Handles:** Provides versatile carrying options.
- **Wide Double Zipper Opening:** Facilitates easy loading and unloading of the car seat.
- **Luggage ID Holder:** For easy identification.
- **Storage Pouch:** To protect shoulder straps when not in use.
- **Compatibility:** Fits all BRITAX car seats and most other brands.

3.2 Car Seat Travel Cart Features

- **Durable Steel Frame:** Provides robust support.
- **Easy Glide Wheels:** For smooth maneuverability.
- **One-Hand Telescoping Handle:** Adjusts to two positions for caregiver comfort.
- **Compact Fold:** Allows for storage in small spaces, including most airplane overhead compartments.
- **Raised Platform:** Protects the car seat from contacting the ground.
- **Latch Connector Attachment:** Securely attaches car seats to the cart.
- **No Assembly Required:** Ready for immediate use.
- **Compatibility:** Accommodates all BRITAX forward-facing convertible car seats and harnessed booster seats, and most other brands using Latch.

4. SETUP

4.1 Car Seat Travel Bag Setup

1. Unzip the wide double zipper opening of the travel bag completely.
2. Carefully place your car seat into the bag. Ensure the car seat is oriented correctly for a snug fit.
3. Zip the bag closed, ensuring no fabric is caught in the zipper.
4. If using the backpack straps, adjust them for comfort. If not, store them in the designated pouch.

4.2 Car Seat Travel Cart Setup

The BRITAX Car Seat Travel Cart requires no assembly. It arrives ready for use.

1. To unfold the cart, release any locking mechanisms and extend the frame until it clicks into place.
2. Extend the telescoping handle to your desired height by pressing the release button and pulling the handle upwards.

5. OPERATING INSTRUCTIONS

5.1 Using the Car Seat Travel Bag

The travel bag offers multiple ways to transport your car seat:

- **Rolling:** Utilize the built-in wheels by tilting the bag and pulling it using one of the carry handles.
- **Backpack Style:** Wear the bag using the padded backpack straps for hands-free transport. Adjust straps for even weight distribution.
- **Hand Carry:** Use the multiple carry handles for short-distance lifting or loading.

5.2 Using the Car Seat Travel Cart

The travel cart provides a convenient way to move your car seat, even with a child harnessed inside for short distances.

1. Place your car seat onto the raised platform of the travel cart.
2. Locate the Latch connectors on your car seat.
3. Attach the car seat's Latch connectors to the corresponding attachment points on the travel cart. Ensure a secure connection, similar to how you would install the car seat in a vehicle.
4. Verify the car seat is stable and firmly attached to the cart before moving.
5. Adjust the telescoping handle to a comfortable height for pushing or pulling.

Figure 4: Side view of a car seat securely attached to the BRITAX Car Seat Travel Cart, demonstrating how the Latch connectors are used for attachment.

Figure 5: An alternate side view of a car seat on the BRITAX Car Seat Travel Cart, showing the extended handle and wheels for transport.

5.3 Folding the Car Seat Travel Cart

To fold the cart for storage or placement in an overhead bin:

1. Remove the car seat from the cart.
2. Retract the telescoping handle fully.
3. Locate the folding mechanism (usually a button or lever) and activate it to collapse the cart into its compact form.

6. MAINTENANCE

6.1 Cleaning

- **Travel Bag:** Wipe clean with a damp cloth and mild soap. Air dry thoroughly. Do not machine wash or tumble dry.
- **Travel Cart:** Wipe the steel frame and wheels with a damp cloth. Ensure all parts are dry before storage.

6.2 Storage

- Store both the travel bag and cart in a cool, dry place away from direct sunlight.
- Ensure the travel cart is folded compactly for efficient storage.

6.3 Inspection

Regularly inspect all components for:

- Tears, fraying, or holes in the travel bag fabric.
- Damage to zippers or buckles.
- Bends, cracks, or corrosion on the travel cart frame.
- Wear or damage to wheels and axles.
- Proper function of the telescoping handle and folding mechanisms.

If any damage is observed, discontinue use and contact customer support.

7. TROUBLESHOOTING

Problem	Possible Cause	Solution
Car seat does not fit in travel bag.	Incorrect orientation of car seat; car seat is too large for the bag.	Try reorienting the car seat. While the bag fits most brands, some larger models may not be compatible.
Travel bag wheels are not rolling smoothly.	Debris in wheels; damaged wheels.	Clean any debris from the wheels. If wheels are damaged, contact customer support.
Car seat not securely attaching to travel cart.	Latch connectors not fully engaged; car seat not Latch compatible.	Ensure Latch connectors are fully clicked into place. Verify your car seat has Latch connectors and is compatible with the cart.

Problem	Possible Cause	Solution
Travel cart handle is stiff or not extending/retracting.	Debris in mechanism; bent handle.	Check for and remove any debris. Do not force the handle. If bent or damaged, contact customer support.

8. SPECIFICATIONS
