JUMMICO STL001BK

JUMMICO 24-Inch Metal Bar Stools (Model: STL001BK) - Instruction Manual

INTRODUCTION

This instruction manual provides essential information for the safe and effective use of your JUMMICO 24-inch Metal Bar Stools. Please read this manual thoroughly before using the product and retain it for future reference. These stools are designed for versatility and durability, suitable for various indoor and outdoor settings.

PRODUCT FEATURES

- **Sturdy Material & Excellent Support:** Constructed from high-quality metal, these 24-inch bar stools are designed to support up to 300 lbs. An X-shaped bracket located under the seat provides additional support and stability. The integrated footrests offer comfort and relaxation during use.

Image: A set of four JUMMICO 24-inch black metal bar stools, showcasing their design and quantity.

- **Space Saving & Stackable Design:** Each stool is uniformly sized, and their leg design allows them to be stacked efficiently. This feature is ideal for easy storage in areas with limited space, contributing to a tidier environment.

more stable

non-slip

- **Waterproof & Rust-Proof Finish:** The surface of the bar stool is coated with high-quality paint, forming a protective film. This finish makes the stools water-resistant and rust-resistant, extending their lifespan and simplifying cleaning. They are suitable for both indoor and outdoor use.
- **No Assembly Required & Portable:** These bar stools arrive fully assembled. Simply unpackage them and they are ready for immediate use. Their lightweight design allows for easy movement to any desired location.

SAFETY INFORMATION

Please read and adhere to the following safety guidelines:

- Do not exceed the maximum weight recommendation of 300 lbs.
- Always place the stool on a stable, level surface to prevent tipping.
- Exercise caution when moving the stool to avoid tripping or falling.
- Keep children under supervision when using the stools.

SETUP

Your JUMMICO Metal Bar Stools require no assembly. They are delivered fully assembled and ready for immediate use. Simply remove them from the packaging and place them in your desired location.

OPERATING INSTRUCTIONS

These bar stools are designed for seating at counters, bars, or as additional seating. The integrated footrests provide a comfortable place to rest your feet. Due to their lightweight and stackable nature, they can be easily rearranged or stored as needed.

Image: Three JUMMICO bar stools neatly tucked under a kitchen island, demonstrating typical usage.

MAINTENANCE

To maintain the appearance and longevity of your JUMMICO Metal Bar Stools, wipe them with a damp cloth as needed. The waterproof and rust-resistant finish simplifies cleaning and protects against environmental elements. Avoid using abrasive cleaners or harsh chemicals that could damage the finish.

TROUBLESHOOTING

These bar stools are designed for durability and minimal issues. If you encounter any problems such as instability or damage, please inspect the X-shaped bracket under the seat and the foot pads. Ensure the stools are placed on a flat surface. For persistent issues or concerns, please contact JUMMICO customer support.

SPECIFICATIONS
