## W-KING T9 PRO

# W-KING T9 PRO Party Large Bluetooth Speaker Instruction Manual

Model: T9 PRO

### 1. INTRODUCTION

The W-KING T9 PRO is a powerful portable Bluetooth speaker designed to deliver a robust audio experience. Featuring advanced sound technology and versatile connectivity, it is suitable for various environments and uses, from personal listening to party entertainment.

### 2. WHAT'S IN THE BOX

- 1 x W-KING T9 PRO Bluetooth Speaker
- 1 x Charging Adapter
- 1 x Auxiliary Audio Cable
- 1 x User Manual

### 3. PRODUCT FEATURES

#### 3.1 Powerful Audio Output

The T9 PRO speaker is equipped with two large 6.5-inch woofers and two 2.5-inch tweeters, providing up to 200W of peak power. An integrated DSP advanced chip optimizes sound quality across various music genres.

### **3.7 Versatile Connectivity and Battery Life**

In addition to Bluetooth, the T9 PRO supports auxiliary input, TF card playback, and USB flash drive playback. The powerful battery provides up to 24 hours of playtime on a single charge. The speaker is rated IPX5, meaning it is splash-proof and can withstand light water splashes, but it is not designed for submersion.

## VERSATILE COMPATIBILITY:

- Bluetooth 5.3
- AUX
- TF Card
- USB Flash Drive
