Yaheetech Glass Coffee Table User Manual

Model: YT-00133843-001

1. PRODUCT OVERVIEW

The Yaheetech Glass Coffee Table is a modern and functional piece designed to enhance your living space. Featuring a clean-lined metal frame and two tiers of tempered glass, it offers both aesthetic appeal and practical storage. Its robust construction ensures stability and durability, while thoughtful design elements prioritize safety and ease of maintenance.

Key Features:

- **Modern Design:** Tempered glass and a clean-lined metal frame complement various decor styles.
- **Robust Materials & Stable Structure:** Constructed from strong tempered glass and anti-scratch, oxidation-resistant iron for enhanced stability.
- **Sharp Corners-free:** Oval design with rounded edges and extra-solid tempered glass ensures safety.
- **Strong Suckers:** Each glass tier is secured with strong suckers to prevent displacement.
- **Less Maintenance:** Easy to clean with a dry cloth, resistant to oxidation and normal scratches.

3. SAFETY INFORMATION

- Always assemble the product on a soft, clean surface to prevent scratches to the glass or frame.
- Ensure all screws and fasteners are tightened securely before use. Periodically check and re-tighten as needed.
- Do not exceed the maximum weight recommendation of 99 pounds (45 kg) on the table.

- Avoid placing extremely hot or cold items directly on the glass surface without protective coasters.
- Keep children and pets away from the assembly area until the table is fully assembled and stable.
- The table features rounded corners and tempered glass for enhanced safety, but caution should still be exercised to prevent impacts.

4. SETUP AND ASSEMBLY

Assembly of the Yaheetech Glass Coffee Table is designed to be straightforward, taking only a few steps. It is recommended that two people assemble the table for ease and safety.

Assembly Steps:

1. **Install Frame:** Begin by assembling the metal frame components according to the provided diagram in the

assembly guide. Secure all connections with the included screws and Allen wrench.

2. **Install Footpads and Suction Cups:** Attach the adjustable footpads to the bottom of the table legs. These can be adjusted to protect your floor from scratches and ensure stability on uneven surfaces. Place the clear suction cups into the designated holes on the frame where the glass panels will rest.
3. **Install Upper and Lower Glass Layers:** Carefully place the tempered glass panels onto the frame, aligning them with the suction cups. The suction cups will firmly hold the glass in place.

5. OPERATING AND USAGE

The Yaheetech Glass Coffee Table is designed for versatile use in your living room, apartment, or small space. Its two-tier structure provides ample surface area for various items.

- **Top Tier:** Ideal for holding beverages, books, decorative items, or a laptop while working or relaxing.
- **Bottom Tier:** Offers additional storage space for magazines, remote controls, small boxes, or other daily essentials, helping to keep your living area tidy.

- **Placement:** Position the table in a central location in your living room, ensuring it does not obstruct walkways.

6. MAINTENANCE

Proper care will ensure the longevity and appearance of your Yaheetech Glass Coffee Table.

- **Cleaning:** Simply wipe the glass and metal frame clean using a dry cloth. For stubborn marks on glass, a glass cleaner can be used, followed by a dry cloth to prevent streaks.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners or harsh chemicals, as these can damage the finish of the metal frame or scratch the glass.
- **Spills:** Wipe up spills immediately to prevent water spots or residue buildup.
- **Protection:** Use coasters under drinks and placemats under decorative items to protect the glass surface from scratches and heat marks.

7. TROUBLESHOOTING

Common Issues and Solutions:

- **Table is Wobbly:**
 - Check that all screws are securely tightened.
 - Adjust the footpads on the bottom of the legs to compensate for uneven flooring.
- **Glass Panels Not Sitting Evenly:**
 - Ensure the suction cups are properly seated in their designated holes and are clean.
 - Verify that the frame is assembled correctly and is not warped.
- **Scratches on Glass:**
 - While the tempered glass is resistant to normal scratches, avoid dragging rough or sharp objects across the surface.
 - Use appropriate cleaning methods and protective accessories (coasters, placemats).
