

Inglesina AG50P0CSGUS

Inglesina Electa Stroller User Manual

Model: AG50P0CSGUS | Brand: Inglesina

1. INTRODUCTION

The Inglesina Electa is a premium full-size stroller, meticulously designed in Italy to provide maximum comfort and convenience for both baby and parent. Weighing just 19.18 lbs, it offers exceptional maneuverability for city life while maintaining robust features for safety and durability. This manual provides comprehensive instructions for assembly, operation, maintenance, and troubleshooting to ensure optimal use of your Electa Stroller.

Key Features:

- **Lightweight & Compact:** Weighs only 19.18 lbs and folds compactly with one hand, standing on its own.
- **Comfortable for Baby:** Features a reversible, adjustable seat with padded cushions, leg rest, and ventilation system.
- **Parent-Friendly:** Includes an adjustable handle, UPF 50+ canopy, rain cover, cup holder, and spacious storage basket.
- **Versatile Compatibility:** Compatible with Electa Bassinet + Stand and Car Seat Adapter (sold separately).
- **Safety:** Built with a 5-point harness, all-wheel suspension, and one-foot brake. BPA, lead, and phthalate-free.

2. WHAT'S IN THE BOX

Please ensure all components are present before beginning assembly:

- Stroller frame
- Stroller seat
- Cupholder
- Bumper bar
- Raincover

3. SETUP

3.1 Stroller Assembly

Follow these steps to assemble your Inglesina Electa Stroller:

1. Unfold the stroller frame until it locks into place.
2. Attach the rear wheels by pushing them onto the axles until they click.
3. Attach the front wheels by inserting them into the designated slots until they click.
4. Insert the stroller seat onto the frame. Ensure it is securely clicked into place in either parent-facing or street-facing mode.
5. Attach the bumper bar to the seat.
6. Attach the cupholder to the side of the handle.

Video 3.1: A detailed demonstration of the assembly process for the Inglesina Electa Stroller, including attaching wheels, seat, and accessories.

3.2 Bassinet Setup (Optional)

If using the Electa Bassinet (sold separately), follow these steps:

1. Remove the stroller seat from the frame.
2. Align the bassinet with the frame connectors and press down firmly until it clicks into place.
3. Ensure the bassinet is securely attached before placing your baby inside.

Video 3.2: This video illustrates how to attach the bassinet to the Inglesina Electa Stroller frame, ensuring a secure fit for infant use.

3.3 Car Seat Adapter Setup (Optional)

To use a compatible car seat (sold separately) with your Electa Stroller, you will need the car seat adapter:

1. Remove the stroller seat from the frame.
2. Attach the car seat adapters to the stroller frame according to the adapter's instructions.
3. Securely attach your compatible car seat to the adapters until it clicks into place.

Video 3.3: This video demonstrates the installation of the car seat adapter and attaching a compatible car seat to the Inglesina Electa Stroller.

4. OPERATING INSTRUCTIONS

4.1 Folding and Unfolding

The Electa Stroller features a convenient one-handed folding and unfolding mechanism:

1. **To Unfold:** Hold the handle, release the safety latch, and flick the stroller open until it locks into its upright position.
2. **To Fold:** Ensure the seat is in the correct position (facing either parent or street). Locate the folding mechanism on the handle, press the button, and pull the handle to collapse the stroller. It will stand independently when folded.

Video 4.1: This video showcases the ultra-compact, one-handed opening and closing of the Inglesina Electa Stroller, demonstrating its ease of use.

4.2 Seat Adjustment

The stroller seat is reversible and features multiple recline positions for your child's comfort:

- **Reversing the Seat:** Locate the release levers on either side of the seat, lift the seat, and re-attach it facing the desired direction until it clicks securely.
- **Reclining the Backrest:** Use the lever on the back of the seat to adjust the backrest to one of the four available positions, from upright to fully reclined.
- **Adjusting Leg Rest:** Press the buttons on either side of the leg rest to adjust its angle for your child's comfort.

4.3 Brake System

The Electa Stroller is equipped with a convenient one-foot stop & go brake:

- **To Engage:** Press down firmly on the brake pedal located near the rear wheels until it locks.
- **To Release:** Lift the brake pedal with your foot.

5. MAINTENANCE

Proper maintenance ensures the longevity and safety of your stroller:

- **Cleaning Fabric:** The fabric components, including the seat and canopy, should be hand washed only. Use mild soap and cold water. Do not bleach or tumble dry.
- **Cleaning Frame:** Wipe the frame and plastic parts with a damp cloth and mild soap. Dry thoroughly.
- **Wheel Maintenance:** Regularly check the wheels for debris and clean them. Lubricate moving parts of the wheels and folding mechanism periodically with a silicone-based lubricant.
- **Storage:** Store the stroller in a dry, well-ventilated area away from direct sunlight and extreme temperatures.

6. TROUBLESHOOTING

Here are solutions to common issues you might encounter:

- **Stroller not unfolding/folding smoothly:** Check for any obstructions in the folding mechanism. Ensure all locks and latches are fully disengaged. Lubricate moving parts if necessary.
- **Wheels squeaking or not turning freely:** Clean any dirt or debris from the wheel axles. Apply a silicone-based lubricant to the wheel bearings.
- **Brake not engaging/disengaging:** Check for obstructions around the brake mechanism. Ensure the brake pedal is fully pressed or released.
- **Seat not attaching securely:** Ensure the seat is correctly aligned with the frame connectors and pushed down firmly until you hear a click. Check for any debris in the connectors.
- **Harness difficult to buckle/unbuckle:** Ensure the harness straps are not twisted. Clean any debris from the buckle mechanism.

7. SPECIFICATIONS

Feature	Detail
Brand	Inglesina
Model Number	AG50P0CSGUS
Color	Battery Beige
Item Weight	19.2 Pounds
Maximum Weight Recommendation	55 Pounds
Age Range (Description)	From birth up to 55 lbs
Folded Size (L x W x H)	11.81" x 19.69" x 28.94"
