Proper care and maintenance will ensure the longevity and enjoyment of your LEGO set.

Cleaning:

- **Dusting:** Regularly dust your assembled model with a soft brush or compressed air to prevent dust buildup.
- **Washing:** For deeper cleaning, disassemble the model and wash individual LEGO bricks by hand using lukewarm water (not exceeding 40°C / 104°F) and a mild detergent. Rinse thoroughly and air dry at room temperature. Avoid using hot water, harsh chemicals, or abrasive materials, as these can damage the bricks.
