HOMCOM Massage Recliner Chair with Ottoman (Model 700-084V81BU)

User Manual

1. SAFETY INFORMATION

Please read and understand all safety instructions before assembly and use of the HOMCOM Massage Recliner Chair with Ottoman.

- Always read and follow the assembly instructions carefully.
- Keep the swivel base on a stable, level surface to prevent instability.
- Avoid reclining the chair beyond the recommended angle to prevent tipping.
- Do not leave the chair unattended while in the reclined position, especially with children or pets nearby.
- Always test the chair's stability before each use.
- Ensure all parts are securely fastened and the chair is properly assembled before use.

2. PRODUCT OVERVIEW

The HOMCOM Massage Recliner Chair with Ottoman is designed for comfort and relaxation, featuring a 360° swivel base, manual reclining function, and a 10-point vibration massage system controlled by a remote.

Image 2.2: Key features of the recliner chair, including the remote control, side pocket, swivel base, footstool, and thick padding.

3. SETUP AND ASSEMBLY

Assembly is required for this product. Please follow the detailed instructions provided in the package. Ensure all components are present before beginning assembly.

1. **Unpack Components:** Carefully remove all parts from the packaging. Verify that all components listed in the assembly guide are present and undamaged.
2. **Follow Assembly Instructions:** Refer to the step-by-step assembly instructions included in your product package. These instructions will guide you through attaching the chair back, seat, arms, and base, as well as assembling the ottoman.
3. **Secure Fasteners:** Ensure all screws, bolts, and other fasteners are tightened securely. Do not overtighten.
4. **Test Stability:** Once assembled, gently test the chair and ottoman for stability before full use.

Note: The assembly instructions description states: "Assembly required. Follow the instructions provided in the package to assemble the chair and ottoman. Ensure all parts are securely fastened and the chair is stable before use."

4. OPERATING INSTRUCTIONS

4.1 Manual Reclining Function

The chair features a manual reclining mechanism, allowing you to adjust the backrest to your preferred angle for optimal comfort.

- To recline, locate the micro-lock knobs on the side of the chair.
- Adjust the backrest to your desired angle, up to 145 degrees, and secure it using the micro-lock knobs.

Image 4.1: The recliner chair demonstrating its ability to recline up to 145 degrees for flexible comfort.

4.2 360° Swivel Function

The chair is equipped with a 360° swivel base, allowing for easy rotation.

- Simply rotate the chair to face any direction without needing to move the entire unit.
- This feature provides convenience for accessing different areas around your seating space.

4.3 Vibration Massage System

The chair and ottoman feature a 10-point vibration massage system with multiple modes and intensity levels.

- The massage system includes 10 massage points located in the back, lumbar, seat cushion, and ottoman.
- Choose from two vibration levels (intensity) and five different massage modes.

Image 4.2: A visual representation of the 10 vibration motors located in the neck, back, lumbar, seat, and ottoman areas.

4.4 Remote Control Operation

The massage functions are easily controlled via the included remote.

- Use the remote control to power the massage system on or off.
- Select desired massage modes and adjust vibration levels.
- Target specific massage areas (back, lumbar, seat, ottoman) using the remote.
- When not in use, store the remote control in the convenient side pocket of the chair.

5. MAINTENANCE

Proper maintenance ensures the longevity and continued performance of your recliner chair.

- **Cleaning:** The product care instructions specify to "Wipe Clean." Use a soft, damp cloth with mild soap if necessary. Avoid harsh chemicals or abrasive cleaners.
- **Regular Inspection:** Periodically check all fasteners to ensure they remain tight. Retighten if

necessary.

- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause the PU leather to fade or crack.
- **Spill Management:** Clean spills immediately to prevent staining.

6. TROUBLESHOOTING

If you encounter any issues with your HOMCOM Massage Recliner Chair, refer to the following common troubleshooting steps:

- **Massage Function Not Working:**
 - Ensure the power adapter is securely plugged into both the chair and a working electrical outlet.
 - Check the remote control batteries if applicable, or ensure it is properly connected.
 - Verify that no wires are pinched or damaged.
- **Reclining Mechanism Stiff:**
 - Ensure the micro-lock knobs are fully disengaged before attempting to recline.
 - Check for any obstructions around the reclining mechanism.

- **Chair Wobbles/Unstable:**

- Recheck all assembly fasteners and tighten any loose connections.
- Ensure the chair is placed on a flat, even surface.

If these steps do not resolve the issue, please contact customer support.
