PHI VILLA E02GF030800301

PHI VILLA Outdoor Swivel Bar Stools (Set of 4) Instruction Manual

Model: E02GF030800301
Brand: PHI VILLA

1. Introduction

Thank you for choosing the PHI VILLA Outdoor Swivel Bar Stools. This manual provides essential information for the safe assembly, operation, and maintenance of your new patio furniture. Please read these instructions carefully before assembly and retain them for future reference.

2. Safety Information

- Ensure all parts are present and undamaged before assembly. Do not attempt to assemble if any parts are missing or broken.
- Assemble the chairs on a soft, clean surface to prevent scratching.
- Tighten all bolts and screws securely. Periodically check and re-tighten fasteners to ensure stability.
- Do not exceed the maximum weight capacity of **300 lbs (136 kg)** per chair.
- Use the chairs on a stable, level surface to prevent tipping.
- Keep children away from the assembly area. Small parts can be a choking hazard.
- Avoid standing on the chairs or using them as a ladder.
- Do not expose the chairs to extreme weather conditions for prolonged periods without proper protection.

3. Package Contents

Your PHI VILLA Outdoor Swivel Bar Stools set includes the following components:

- 4 x Swivel Bar Stool Frames (disassembled)
- 4 x Textilene Seats and Backrests
- All necessary hardware (bolts, washers, nuts, Allen wrench)
- Instruction Manual

4. Assembly Instructions

Assembly is required for these bar stools. Please follow the steps below carefully. It is recommended to have two people for easier assembly.

Step 1: Prepare the Base

Unpack all components and lay them out on a soft, flat surface. Identify the main base frame of the stool.

Step 2: Attach the Swivel Mechanism

Secure the swivel plate to the top of the base frame using the provided bolts and washers. Ensure it is centered and tightened.

Step 3: Assemble Seat and Backrest

Attach the Textilene seat and backrest to the armrest pieces. Note that some users have reported alignment challenges with pre-drilled holes; patience and slight adjustments may be necessary. Do not fully tighten bolts until all are in place.

Step 4: Connect Seat Assembly to Swivel Base

Carefully align the assembled seat and backrest unit with the swivel mechanism on the base. Secure with the remaining bolts. Once all bolts are in place, tighten them completely.

Step 5: Adjust for Stability

Each patio swivel bar stool is upgraded with an adjusting knob to ensure even legs when assembled. Adjust as needed for optimal stability.

5. Features and Usage

Your PHI VILLA Outdoor Swivel Bar Stools are designed for comfort and durability in outdoor environments.

360° Swivel Function

The chairs feature a gentle 360-degree rotating mechanism, allowing for easy movement and engagement in conversations from various angles. This adds convenience and comfort to your outdoor experience.

High-Density Textilene Fabric

The seat and backrest are made from premium Textilene fabric, known for its breathability, quick-drying properties, fade resistance, and tear resistance. This material is also easy to clean, making it ideal for outdoor use.

Powder E-coated Metal Steel Frame

The heavy-duty steel frame is treated with a powder E-coating, providing enhanced rust and weather resistance. This ensures the chairs are long-lasting and can withstand various outdoor elements, supporting up to 300 lbs.

Ergonomic Design

The chairs are designed with an ergonomic back, comfortable armrests, and a slightly tilted seat to provide optimal comfort for extended periods of relaxation.

6. Maintenance and Care

- **Cleaning:** Wipe the Textilene fabric with a damp cloth and mild soap. Rinse thoroughly with water and allow to air dry. The quick-drying fabric prevents water accumulation.
- **Frame Care:** Clean the metal frame with a soft cloth and mild detergent. Avoid abrasive cleaners or harsh chemicals that could damage the E-coating.
- **Rust Prevention:** While the frame is rust-resistant, regular cleaning and inspection can help prevent any potential rust formation, especially in coastal or humid environments.
- **Storage:** During prolonged periods of non-use or severe weather, consider covering the chairs with outdoor furniture covers or storing them indoors to extend their lifespan.

- **Fasteners:** Periodically check all bolts and screws to ensure they remain tight. Re-tighten if necessary to maintain stability and safety.

7. Troubleshooting

- **Uneven Legs:** If the chair wobbles after assembly, use the adjusting knob on each leg to level the chair. Ensure all bolts are evenly tightened.
- **Stiff Swivel:** If the swivel mechanism feels stiff, ensure it is clean and free of debris. A small amount of silicone-based lubricant can be applied if needed, avoiding contact with fabric.
- **Fabric Stains:** For stubborn stains on Textilene, use a soft brush with mild soap and water. Avoid harsh scrubbing that could damage the fabric.

8. Specifications

Brand	PHI VILLA
Model Number	E02GF030800301
Color	Blue
Material	Alloy Steel, Metal (Frame), Textilene (Seat)
Product Dimensions (D x W x H)	26"D x 23.25"W x 51.75"H
Seat Height	30 Inches
Seat Depth	20 Inches
Seat Length	20 Inches
Item Weight	48.8 Pounds (per chair)
Maximum Weight Recommendation	300 Pounds
Indoor/Outdoor Usage	Outdoor
Required Assembly	Yes

9. Warranty and Support

For warranty information or customer support, please refer to the contact details provided at the point of purchase or visit the official PHI VILLA website. Keep your purchase receipt for any warranty claims.

Ask a question about this manual
