# Haier 9 Kg Fully Automatic Top Loading Washing Machine (HWM90-H678ES8) User Manual

Model: HWM90-H678ES8

## INTRODUCTION

This manual provides essential information for the safe and efficient operation, installation, and maintenance of your Haier 9 Kg Fully Automatic Top Loading Washing Machine, model HWM90-H678ES8. Please read these instructions carefully before using the appliance and retain them for future reference.

## IMPORTANT SAFETY INSTRUCTIONS

Always follow basic safety precautions when using electrical appliances to reduce the risk of fire, electric shock, or injury to persons.

- Ensure the washing machine is properly grounded.
- Do not operate the machine if the power cord is damaged.
- Keep children and pets away from the appliance during operation.
- Do not wash items that are soiled with flammable substances.
- Unplug the appliance before cleaning or performing any maintenance.

## SETUP AND INSTALLATION

## Unpacking

Carefully remove all packaging materials. The package includes:

- 1 Washing Machine
- 1 Bottom Plate
- 1 Water Inlet Hose

## Placement

Place the washing machine on a firm, level surface. Ensure there is adequate space around the machine for ventilation and access. Avoid direct sunlight or extreme temperatures.

## Leveling

Adjust the leveling feet to ensure the machine is stable and does not wobble. Proper leveling reduces noise and vibration during operation.

## Water Connection

Connect the water inlet hose to a cold water tap and to the inlet valve on the back of the washing machine. Ensure all connections are tight to prevent leaks. The machine is designed for Near Zero Pressure (NZP) operation.

## Drainage

Position the drain hose correctly into a standpipe or sink, ensuring it is securely fastened to prevent dislodgement during draining.

## Power Connection

Plug the power cord into a grounded electrical outlet. Ensure the voltage matches the machine's requirements (220 Volts).

# 99.9% GERM FREE

## With Advanced In-Built Heater

**30% Uniform Heating**

**Removes 106 Tough Stains**

**Removes 3 Days Old Stains**

## OPERATING INSTRUCTIONS

### Control Panel Overview

The control panel features a digital display and push buttons for selecting wash programs and settings.

Image: Detailed view of the control console with various program options and digital display.

## Loading Laundry

Open the top lid and place laundry loosely into the drum. Do not overload the machine. The 9 kg capacity is suitable for large families.

## Detergent and Softener Dispensing

Add appropriate amounts of detergent and fabric softener to their designated compartments. Refer to detergent packaging for recommended quantities.

## Selecting a Wash Program

Turn on the machine using the Power button. Use the Program button or selection dial to choose from over 15 wash programs:

- Allergen
- Hot
- Warm
- Normal
- Shirt
- Spin
- Delicate
- Quick
- Heavy
- Sports

- Eco
- Silk
- Soak
- Wool
- Baby care
- Synthetic
- Rinse + Spin
- Air dry

The digital display will show the selected program, remaining time, and other settings.

- **Oceanus Wave Drum:** Designed to generate powerful water waves for deep penetration into fabrics, effectively removing dirt and stains while being abrasion-free.

Image: Illustration of the Oceanus Wave Drum technology for effective and gentle washing.

- **Dual Magic Filter:** Helps to collect lint and debris, ensuring cleaner clothes and preventing drain clogs.
- **Softfall Technology:** Ensures the lid closes gently and safely.
- **Voltage Protection:** Protects the machine from voltage fluctuations.
- **Auto Restart:** Automatically resumes operation after a power outage.
- **Child Lock:** Prevents accidental changes to settings during operation.

## Starting a Wash Cycle

After selecting the program and desired options, press the Start/Pause button to begin the wash cycle.

## MAINTENANCE

Regular maintenance ensures optimal performance and extends the lifespan of your washing machine.

### Cleaning the Drum

Periodically run a "Tub Dry" or "Drum Clean" cycle (if available) with a washing machine cleaner to remove detergent residue and prevent odors.

### Cleaning the Magic Filter

The Dual Magic Filter should be cleaned regularly to maintain efficient lint collection. Remove the filter, rinse it under running water, and reinsert it.

### Exterior Cleaning

Wipe the exterior of the machine with a soft, damp cloth. Avoid abrasive cleaners or solvents.

### Water Inlet Filter

Check and clean the water inlet filter periodically to prevent blockages caused by sediment in the water supply.

## TROUBLESHOOTING

Before contacting service, refer to the following common issues and solutions:

Problem	Possible Cause	Solution
Machine does not start	Power cord unplugged, lid not closed, power outage, Start/Pause not pressed.	Check power connection, ensure lid is fully closed, check household power, press Start/Pause.
No water filling	Water tap closed, water inlet hose kinked, water supply pressure too low, inlet filter clogged.	Open water tap, straighten hose, check water supply, clean inlet filter.
Water not draining	Drain hose kinked or blocked, drain pump filter clogged.	Check and clear drain hose, clean drain pump filter (refer to full manual for location).
Excessive vibration/noise	Machine not level, transport bolts not removed, uneven load.	Adjust leveling feet, ensure transport bolts are removed (during initial installation), redistribute laundry evenly.

Problem	Possible Cause	Solution
In-built heater not activating	Incorrect program selected, heater element malfunction.	Ensure a hot water program (e.g., "Hot", "Allergen") is selected. If issue persists, contact service.
Poor wash quality	Overloading, insufficient detergent, incorrect program, clogged filter.	Reduce load size, use correct detergent amount, select appropriate wash program, clean Magic Filter.

For issues not listed here or if problems persist, please contact Haier customer service.

## SPECIFICATIONS

Feature	Detail
Brand	Haier
Model	HWM90-H678ES8
Capacity	9 Kilograms
Type	Fully Automatic Top Loading
Energy Star Rating	5 Star
