2. SAFETY INFORMATION

- **Weight Capacity:** Each individual shelf branch supports up to 5 lb (2.3 kg). The total weight capacity for the entire bookshelf is 25 lb (11.3 kg) when evenly distributed. Place heavier items on the lower shelves to maintain stability.
- **Placement:** Ensure the bookshelf is placed on a flat, stable surface to prevent tipping.
- **Heat Sources:** Keep the bookshelf away from naked flames or direct heat sources to prevent damage to the material.
- **Material:** This product is manufactured from CARB-grade composite wood, tested for durability and sturdiness.

3. PACKAGE CONTENTS

Before beginning assembly, please verify that all components are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Assembly Instruction Manual
- Hardware Pack (screws, dowels, etc.)
- Shelf Panels (5 tiers)
- Main Support Panel
- Base Panel

4. SETUP (ASSEMBLY INSTRUCTIONS)

Assembly of the Furinno 5-Tier Tree Bookshelf is designed to be straightforward. Please follow the step-by-step instructions provided in the included assembly guide. A Phillips head screwdriver (not included) may be required.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches. Identify each component using the parts list in the assembly instruction manual.
2. **Attach Base:** Secure the main support panel to the base panel using the provided hardware. Ensure connections are tight and stable.
3. **Install Shelves:** Attach each of the five shelf panels to the main support panel according to the diagram in the assembly manual. The shelves are designed to be staggered, resembling tree branches. Ensure each shelf is firmly secured.
4. **Final Check:** Once all components are assembled, gently shake the bookshelf to ensure all connections are secure and the unit is stable.

6. MAINTENANCE

To keep your Furinno 5-Tier Tree Bookshelf in optimal condition, follow these simple care instructions:

- **Cleaning:** Wipe clean with a damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these can damage the laminated finish.
- **Dusting:** Regularly dust the surfaces with a soft, dry cloth.
- **Spills:** Immediately wipe up any spills to prevent moisture damage.

7. TROUBLESHOOTING

If you encounter any issues with your Furinno 5-Tier Tree Bookshelf, please consider the following:

- **Instability:** Ensure all screws and connections are tightened. Verify the bookshelf is on a level surface. Redistribute items to ensure heavier objects are on lower shelves.

- **Missing Parts:** If any parts were missing upon unboxing, refer to the 'Package Contents' section and contact customer support for replacements.
- **Damage:** For any damage incurred during shipping or assembly, please contact customer support with details and photographic evidence.

For further assistance, please contact Furinno customer support.
