PicassoTiles PTF108

PicassoTiles PTF108 Building Chips Interlocking Disc Construction Blocks User Manual

Model: PTF108 | Brand: PicassoTiles

1. Product Overview

The PicassoTiles PTF108 Building Chips set offers 108 interlocking disc construction blocks in 12 vibrant colors. Designed for children aged 3 and up, these chips feature eight spatial entryways for easy connection, enabling the creation of various free-form designs. This playset promotes STEM learning, problem-solving, fine motor skills, and hand-eye coordination through engaging, hands-on play.

2. What's Included

Your PicassoTiles PTF108 set includes:

- 108 Interlocking Building Chips in 12 assorted colors.
- An Ideabook (physical instruction manual) for creative project ideas.

3. Safety Information

WARNING: THIS PRODUCT CONTAINS SMALL PARTS. Swallowed small parts can stick together across intestines causing serious infections and fatal injury. Seek immediate medical attention if small parts are swallowed or inhaled.

The building chips are made from BPA-free and non-toxic materials with smooth edges to ensure safe play. Adult supervision is recommended for children under 3 years old, although the product is designed for ages 3+.

4. Setup and Assembly

The PicassoTiles Building Chips are designed for intuitive interlocking. Each disc features multiple slots around its perimeter, allowing for easy connection to other chips. Simply align the slots of two chips and gently push them together to create a secure connection. You can connect them side-by-side, at angles, or stack them to build three-dimensional structures.

5. Operating and Creative Play

The PicassoTiles Building Chips encourage open-ended play and creativity. There are no fixed rules, allowing children to explore their imagination freely. Use the chips to build:

- Flat designs and patterns.
- Three-dimensional structures like spheres, animals, vehicles, and buildings.
- Abstract art pieces.

Refer to the included Ideabook for inspiration and guided project ideas. The chips are excellent for developing spatial reasoning, engineering skills, and collaborative play.

6. Maintenance

To ensure the longevity of your PicassoTiles Building Chips:

- **Cleaning:** Wipe the chips with a damp cloth and mild soap if necessary. Rinse thoroughly and air dry completely before storing. Do not use harsh chemicals or abrasive cleaners.
- **Storage:** Store the chips in their original resealable bag or a clean, dry container away from direct sunlight and extreme temperatures.

7. Troubleshooting

While these building chips are simple to use, here are some common considerations:

- **Difficulty Connecting:** Ensure the chips are aligned correctly with the slots. A gentle but firm push should secure the connection. Avoid forcing them, as this could damage the plastic.

- **Missing Pieces:** If you believe pieces are missing from your set upon arrival, please contact PicassoTiles customer support immediately.
- **Damaged Pieces:** Discontinue use of any chipped or broken pieces to prevent injury.

8. Specifications

Feature	Detail
Model Number	PTF108
Brand	PicassoTiles
Material	Plastic (BPA-free, Non-toxic)
Number of Pieces	108
Chip Dimensions	1.3 x 1.3 inches (each)
Recommended Age	3 years and up
Educational Objective	Creative Thinking, Imagination Development, STEM, Shape Recognition, Team Building Skills

9. Warranty and Support
