

Camper K100968

Camper Pelotas Ariel K100968 Men's Oxford Shoes Instruction Manual

Model: K100968

1. PRODUCT OVERVIEW

The Camper Pelotas Ariel K100968 shoes are a distinctive model from the classic Twins concept, which embraces complementary yet non-identical designs. This iconic style features a unique outsole inspired by sports, composed of 87 spherical elements for enhanced grip and flexibility. Each pair is handcrafted from high-quality European leather, with the upper meticulously stitched 360° to the durable original rubber outsole, ensuring both longevity and a unique aesthetic.

2. SETUP AND FIRST USE

Upon receiving your Camper Pelotas Ariel K100968 shoes, ensure they are properly laced for a comfortable and secure fit. The shoes come with laces that allow for adjustment to your foot shape.

2.1 Lacing Instructions

1. Insert the laces through the bottom eyelets from the outside in, ensuring equal length on both sides.
2. Cross the laces over and feed them through the next set of eyelets from the inside out.
3. Continue this pattern until all eyelets are used.
4. Tie a secure knot or bow to keep the shoes firmly on your feet. Adjust tension for optimal comfort.

3. WEARING GUIDELINES

The Pelotas Ariel shoes are designed for comfort and style. To ensure the best experience:

- **Fit:** Ensure the shoes fit snugly but not too tightly. Your toes should have room to move freely.
- **Break-in Period:** Leather shoes may require a short break-in period to conform to your foot shape. Wear them for shorter durations initially.
- **Sock Choice:** Wear appropriate socks to enhance comfort and manage moisture.
- **Occasion:** These Oxford-style shoes are versatile for various casual and smart-casual occasions.

4. MAINTENANCE AND CARE

Proper care will extend the life and appearance of your Camper Pelotas Ariel K100968 shoes.

4.1 Leather Upper Care

- **Cleaning:** Gently wipe the leather surface with a soft, damp cloth to remove dirt and dust. For stubborn marks, use a specialized leather cleaner according to its instructions.
- **Conditioning:** Apply a leather conditioner periodically to keep the leather supple and prevent drying or cracking.
- **Polishing:** Use a shoe polish matching the shoe's color (Black 001 Tws) to restore shine and cover minor scuffs.

- **Drying:** If the shoes get wet, allow them to air dry naturally at room temperature, away from direct heat sources. Stuff with newspaper to absorb moisture and maintain shape.

4.2 Rubber Outsole Care

- **Cleaning:** Use a brush or damp cloth with mild soap to clean the rubber outsole, especially the spherical elements, removing any accumulated dirt or debris.
- **Inspection:** Regularly inspect the outsole for excessive wear or damage to maintain optimal grip.

5. TROUBLESHOOTING

This section addresses common concerns you might encounter with your footwear.

- **Squeaking Noise:** If the shoes squeak, it might be due to moisture trapped between the insole and outsole. Remove the insole (if removable), clean and dry both surfaces, then reinsert.
- **Uncomfortable Fit:** Ensure laces are not too tight or too loose. If discomfort persists, consider using thinner or thicker socks, or allowing more time for the leather to break in.
- **Scuffs and Marks:** For minor scuffs on the leather, use a matching shoe polish or leather cream. For deeper marks, professional leather repair may be required.

6. SPECIFICATIONS

Feature	Detail
Brand	Camper
Model Name	Pelotas Ariel K100968
Model Number	K100968
Service	Men
Outer Material	Leather
Inner Material	73% Cow Leather, 27% Fabric (100% Recycled Polyester)
