- Cleaning:** Gently dust the model with a soft, dry cloth or a soft-bristled brush. For stubborn dust or fingerprints, lightly dampen a microfiber cloth with water and carefully wipe the surface. Avoid abrasive cleaners or harsh chemicals, as these can damage the paint and decals.
- Handling:** Always handle the model by its main body. Avoid touching delicate parts such as wings, mirrors, or antennas, as they can be fragile.
- Storage:** When not on display, store the model in its original acrylic case or a similar protective container to prevent dust accumulation and accidental damage. Keep it in a cool, dry place away from direct sunlight, which can cause fading of colors and degradation of materials.
