VINGLI wwtable

VINGLI 22-inch Square Cast Aluminum Outdoor Side Table Instruction Manual

Model: wwtable

INTRODUCTION

Thank you for choosing the VINGLI 22-inch Square Cast Aluminum Outdoor Side Table. This manual provides detailed instructions for assembly, usage, maintenance, and troubleshooting to ensure optimal performance and longevity of your product. Please read this manual carefully before assembly and retain it for future reference.

SAFETY INFORMATION

- **Weight Limit:** Do not exceed the maximum weight capacity of 330 pounds (150 kg) on the tabletop. Overloading can cause damage or injury.
- **Stability:** Ensure the table is placed on a flat, stable, and level surface to prevent tipping. Adjust the leveling feet if necessary.
- **Assembly:** Follow all assembly instructions carefully. Do not use power tools for assembly unless explicitly stated, as this may overtighten fasteners and strip threads.
- **Children:** Keep small parts and packaging materials away from children during assembly to prevent choking hazards.
- **Inspection:** Periodically check all bolts and connections to ensure they remain tight. Retighten as needed.

PACKAGE CONTENTS

Before beginning assembly, please verify that all components listed below are present and undamaged. All

necessary hardware is included.

- Tabletop (1)
- Legs (4)
- Bottom Shelf/Brace (1)
- Hardware Pack (Bolts, Washers, Allen Wrench, Adjustable Leveling Feet)
- Assembly Guide (1)

DIMENSION

Weight Capacity: 250lbs

ASSEMBLY INSTRUCTIONS

Assembly is straightforward and typically takes about 15 minutes. It is recommended to assemble the table on a soft, clean surface to prevent scratches.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a protected surface.
2. **Attach Legs to Tabletop:** Align the top ends of the four legs with the mounting points on the underside of the tabletop. Secure each leg using the provided bolts and washers. Do not fully tighten the bolts yet.
3. **Install Bottom Shelf:** Position the bottom shelf/brace between the legs, aligning the holes. Secure it to the

legs using the remaining bolts and washers. Again, do not fully tighten.

4. **Tighten All Bolts:** Once all components are loosely assembled, place the table upright on a level surface. Gradually tighten all bolts evenly until secure. Avoid overtightening.
5. **Adjust Leveling Feet:** The table includes adjustable leveling feet. Turn these feet as needed to ensure the table is stable and does not wobble on uneven surfaces.

WEATHER RESISTANT

Cast aluminum frame is perfect for outdoor use

Waterproof

Rust Resistant

UV Resistant

OPERATING AND USAGE GUIDELINES

This VINGLI side table is designed for versatile use in various outdoor and indoor settings.

- **Placement:** Ideal for patios, balconies, porches, decks, gardens, or even as an accent table indoors.
- **Functionality:** Use it to hold drinks, snacks, books, small plants, or decorative items.
- **Outdoor Use:** The cast aluminum construction and powder-coated surface make it suitable for all-weather outdoor conditions.

CARE AND MAINTENANCE

Proper care will extend the life and appearance of your side table.

- **Cleaning:** Clean the table with a soft, damp cloth. For stubborn dirt, a mild soap solution can be used, followed by rinsing with clean water and drying thoroughly.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, harsh chemicals, or scouring pads, as these can damage the powder-coated finish.
- **Weather Resistance:** The rust-resistant powder-coated surface is designed for outdoor use. While weather-resistant, storing the table indoors or covering it during extreme weather conditions (heavy rain, snow, strong winds) can further prolong its lifespan.
- **Rust Prevention:** Inspect the table periodically for any signs of wear or damage to the coating. Touch up any chips or scratches to prevent rust.

Elegant Pattern

Adjustable Screws

Stable Structure

TROUBLESHOOTING

If you encounter any issues with your side table, refer to the following common solutions:

- **Table Wobbles:**
Solution: Ensure all bolts are securely tightened. Adjust the leveling feet on the bottom of the legs to compensate for uneven surfaces.
- **Difficulty Assembling:**
Solution: Review the assembly instructions carefully. Ensure you are using the correct hardware for each step. Do not force parts together. If a part seems ill-fitting, double-check its orientation.
- **Missing Parts or Damaged Components:**
Solution: If you find any parts missing or damaged upon opening the package, do not proceed with assembly. Contact VINGLI customer service immediately for assistance.

SPECIFICATIONS

Brand	VINGLI
Model Name	wwtable
Product Dimensions (D x W x H)	21.2" x 21.2" x 19.2" (53.8cm x 53.8cm x 48.8cm)
Item Weight	11 Pounds (5 kg)
Maximum Weight Recommendation	330 Pounds (150 kg)
Frame Material	Cast Aluminum
Color	Bronze
Shape	Square
Finish Type	Powder Coated
Required Assembly	Yes
