Belkin BPB011

Belkin BoostCharge 10,000mAh Portable Power Bank

Model: BPB011

Brand: Belkin

1. INTRODUCTION

The Belkin BoostCharge 10,000mAh Portable Power Bank (Model BPB011) is designed to provide reliable and fast charging for your smartphones, tablets, and other USB-C enabled devices. With its compact design and multiple charging ports, it ensures your devices stay powered throughout your day, whether you're traveling, working, or enjoying leisure activities. This manual provides essential information for the safe and efficient use of your power bank.

2. WHAT'S IN THE Box

- 1 x Belkin BoostCharge 10,000mAh Portable Power Bank
- 1 x 6-inch USB-A to USB-C Cable

3. PRODUCT OVERVIEW

The Belkin BoostCharge Power Bank features a sleek design with multiple ports for versatile charging. It includes an LED indicator to show the remaining battery level.

Carry-On Safe

Our power bank features 37 Wh (watt hours) to be fully compliant with 100 Wh-limit TSA carry-on requirements.

10,000mAh

Carry-On Compliant

TSA Compliant

Figure 1: Front view of the Belkin BoostCharge 10K Power Bank with its USB-C and dual USB-A ports.

The power bank is equipped with:

- **1x USB-C Port:** Functions as both an input for charging the power bank and an output for charging devices (up to 15W).
- **2x USB-A Ports:** Output ports for charging devices (up to 12W each, 15W total shared output).
- **LED Indicator Lights:** Four small LED lights on the side indicate the power bank's remaining charge level.
- **Power Button:** A small button on the side to check the battery status or initiate charging.

Power that lasts.

Additional

40+
Hours

of video
playback[§]

[§] Contains a 10,000 mAh internal battery. Amount of discharge to user's device is less and may vary depending on various conditions. Maximum additional video playback hours calculated by comparing the capacity of the internal battery of this power bank with the maximum video playback hours achievable by the iPhone 15 Pro under normal conditions. Actual results will vary depending on conditions and use.

4. SETUP: CHARGING THE POWER BANK

Before first use, or when the power bank's charge is low, recharge it using the included USB-A to USB-C cable and a compatible USB wall charger (not included).

1. Connect the USB-C end of the included cable to the USB-C port on the power bank.
2. Connect the USB-A end of the cable to a USB wall charger.
3. Plug the wall charger into a power outlet. The LED indicator lights will illuminate to show charging progress. All four lights will be solid when fully charged.

**Charge 3 devices
on the go.**

2 USB-A ports and 1 USB-C port.

Figure 3: The power bank being recharged using the provided USB-A to USB-C cable.

5. OPERATING: CHARGING YOUR DEVICES

The power bank comes pre-charged and ready for immediate use. It can charge up to three devices simultaneously.

1. Connect your device's charging cable to one of the available USB-A or USB-C output ports on the power bank.
2. Connect the other end of the cable to your device.
3. The power bank will automatically begin charging your device. If it does not, press the power button on

the side to activate charging.

Up to 15W of fast charging.

- **Eco-Friendly Design:** Made with post-consumer recycled materials and comes in 100% plastic-free packaging.

7. SPECIFICATIONS

Feature	Detail
Model Number	BPB011
Capacity	10,000 mAh
USB-C Input/Output	15W (5V/3A) max
USB-A Output (2 ports)	12W (5V/2.4A) max per port
Total Shared Output	15W (5V/3A)
Dimensions (L x W x H)	5.19 x 2.69 x 0.55 inches (68.3mm x 131.8mm x 15.75mm)
Item Weight	7.4 ounces
Battery Type	Lithium Ion
Materials	Eco-friendly Post-Consumer-Recycled Materials

8. SAFETY INFORMATION

Your Belkin BoostCharge Power Bank is designed with safety in mind, incorporating rigorous testing and built-in protection features.

- **Overcharge Protection:** Prevents damage to your devices and the power bank from excessive charging.
- **Thermal Control:** Manages internal temperature to ensure safe operation.
- Avoid exposing the power bank to extreme temperatures, direct sunlight, or liquids.
- Do not disassemble, crush, or puncture the power bank.
- Keep out of reach of children.

9. MAINTENANCE

- Clean the power bank with a soft, dry cloth. Do not use harsh chemicals or abrasive materials.
- Store the power bank in a cool, dry place when not in use.
- For optimal battery life, fully charge the power bank at least once every three months.

10. TROUBLESHOOTING

- **Device not charging:** Ensure the power bank is charged. Press the power button to activate. Check that cables are securely connected to both the power bank and your device. Try a different cable or port.
- **Power bank not charging:** Ensure the charging cable is securely connected to the power bank and a working wall adapter/outlet. Try a different cable or wall adapter.
- **Slow charging:** Ensure your device and cable support fast charging. Some devices may charge slower if multiple devices are connected simultaneously.

11. WARRANTY AND SUPPORT

The Belkin BoostCharge 10,000mAh Portable Power Bank comes with a 2-year warranty. Additionally, it includes a \$2,500 Connected Equipment Warranty (CEW), providing peace of mind for your connected devices.

Meeting regulatory standards
in 22+ Countries
