Instruction Manual

KING JIM TLT020-KH WORK TOOL SERIES TELTTA MULTI CASE

Model: TLT020-KH

Product Overview

The King Jim TLT020-KH TELTTA Multi Case is designed to provide a convenient and organized solution for carrying your essential work tools and a laptop. Its thoughtful design allows for smooth transitions between different work environments, making it ideal for both indoor and outdoor use.

Figure 1: Front view of the King Jim TLT020-KH TELTTA Multi Case in Khaki, showcasing its multiple pockets, elastic bands, and carabiner attachment point.

This multi-case is part of the "Telтта" work tool series, emphasizing portability and adaptability. It is

constructed from durable polyester material, ensuring longevity and protection for your items.

Key Features

- **Portable Design:** Specifically designed for easy carrying, allowing you to transport your work essentials effortlessly.
- **Dedicated Laptop Compartment:** Features a main storage area suitable for laptops ranging from 13 to 14 inches. *Note: Compatibility may vary depending on the specific laptop model.*
- **Multiple Storage Pockets:** Equipped with various external storage spaces, including a three-dimensional pocket for bulkier items like a mouse or adapter, and mesh pockets for smaller accessories.
- **Elastic Bands:** Integrated elastic bands provide secure storage for pens, cables, or other slender tools.
- **Carabiner Attachment:** A carabiner is included for attaching the case to other bags or hanging it for easy access.
- **Durable Material:** Made from high-quality polyester, offering resistance to wear and tear.

PCが入るメイン収納のほか、 外付けの収納スペースが充実

Usage and Organization

The TELTTA Multi Case is designed for versatile organization of your work tools and personal items. Follow these guidelines for optimal use:

1. **Laptop Placement:** Carefully slide your 13-14 inch laptop into the main, padded compartment. Ensure it fits snugly without excessive force.
2. **Accessory Storage:**
 - Use the zippered 3D pocket for bulkier items such as a computer mouse, power adapter, or portable hard drive.
 - Utilize the mesh pockets for smaller items like USB drives, charging cables, earphones, or sticky notes.
 - Secure pens, styluses, or small rulers using the elastic bands on the side.
3. **Portability:** The case can be carried by hand, or attached to a larger bag using the integrated D-rings and carabiner for enhanced portability.
4. **Integration with TELTTA Series:** This multi-case can be hung on the TELTTA Hanging Rack (sold separately) for an organized desktop or workspace setup, allowing easy access to all your tools.

Care and Maintenance

To ensure the longevity and appearance of your King Jim TELTTA Multi Case, please follow these care instructions:

- **Cleaning:** For minor dirt or stains, gently wipe the surface with a damp cloth and mild soap. Avoid harsh chemicals or abrasive cleaners, as they may damage the polyester material.
- **Drying:** Allow the case to air dry completely after cleaning. Do not tumble dry or expose to direct heat sources.
- **Storage:** Store the case in a cool, dry place away from direct sunlight when not in use to prevent material degradation.
- **Load Capacity:** Do not exceed the recommended load capacity of 4.4 lbs (2 kg) to prevent damage to the case structure and stitching.

Product Specifications

Attribute	Detail
Model Number	TLT020-KH
Color	Khaki
Material	Polyester
External Dimensions	Approx. 13.8 x 1.8 x 9.4 inches (350 x 45 x 240 mm)

Weight	Approx. 6.8 oz (190 g) / 210 g (product spec)
Load Capacity	4.4 lbs (2 kg)

Note: Dimensions and weight are approximate and may vary slightly.

Troubleshooting

If you encounter any issues with your TELTTA Multi Case, please refer to the following common concerns:

- **Laptop Does Not Fit:**

Ensure your laptop's dimensions are within the specified maximum inner compartment dimensions (12.8 x 1.0 x 8.9 inches / 325 x 25 x 225 mm). Some laptop models, even within the 13-14 inch range, may have thicker profiles or wider bezels that prevent a proper fit.

- **Case Appears Stained or Dirty:**

Refer to the "Care and Maintenance" section for proper cleaning instructions. Avoid using harsh chemicals or scrubbing vigorously, which can damage the fabric.

- **Zippers Sticking:**

Ensure no fabric or foreign objects are caught in the zipper teeth. Gently try to move the zipper back and forth. If persistent, a small amount of zipper lubricant (e.g., wax or silicone spray) can be applied carefully.

Warranty and Support

King Jim products are manufactured with attention to quality and durability. For specific warranty information regarding your TELTTA Multi Case, please refer to the warranty card included with your purchase or visit the official King Jim website.

If you require further assistance or have questions not covered in this manual, please contact King Jim customer support through their official channels. Please have your model number (TLT020-KH) and purchase details ready when contacting support.
