- **Cushions:** The included cushions provide comfort. Ensure they are placed correctly on the seating units.
- **Coffee Table:** Use the coffee table for beverages, books, or decorative items. Avoid placing excessively hot items directly on the surface without protection.

6. MAINTENANCE

Proper maintenance will extend the life and appearance of your NATERIAL ODYSSEA furniture set.

6.1. Aluminum Frame Care

- **Cleaning:** Wipe the aluminum frame with a soft cloth dampened with mild soap and water. Rinse thoroughly with clean water and dry completely to prevent water spots.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, bleach, or strong detergents, as these can damage the finish.
- **Rust Prevention:** Aluminum is naturally rust-resistant. However, regular cleaning helps maintain its protective layer.

6.2. Cushion Care

- **Removable Covers:** The polyester cushion covers are removable for easy cleaning. Unzip and remove the covers.
- **Washing:** Hand wash or machine wash cushion covers on a gentle cycle with cold water and mild detergent. Air dry only; do not tumble dry.
- **Spot Cleaning:** For small spills, spot clean with a mild soap solution and a soft cloth.
- **Storage:** Store cushions in a dry, protected area when not in use or during inclement weather to prevent mildew and fading.

7. TROUBLESHOOTING

This section addresses common issues you might encounter with your furniture set.

Problem	Possible Cause	Solution
Furniture feels wobbly or unstable.	Loose connections; uneven surface.	Check and tighten all bolts and screws. Ensure the furniture is on a flat, level surface.
Cushions are damp or have mildew.	Exposed to rain or high humidity; not dried properly.	Remove covers and wash as per instructions. Ensure cushions are completely dry before storing or using. Store in a dry place when not in use.
Scratches on the aluminum frame.	Abrasion from sharp objects or rough handling.	Minor scratches can sometimes be buffed out with a non-abrasive aluminum polish. For deeper scratches, touch-up paint may be available from the manufacturer.
