Cleaning:

- Wipe the surface with a dry cloth regularly to remove dust.

- Avoid abrasive cleaners or harsh chemicals, as these can damage the bamboo and its transparent varnish coating.

General Care:

- Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.
- Ensure the anti-tip fasteners are securely attached to the wall and the shelf.
- Avoid placing excessively heavy items on the shelves beyond the recommended weight limit of 15 kg per
