Awesome Pattern Studio EM425

Waffle-Y Cute EM425 DIY Embroidery Kit

INSTRUCTION MANUAL

Introduction

Welcome to the world of embroidery with your new Waffle-Y Cute EM425 DIY Embroidery Kit. This manual provides detailed instructions to guide you through the process of creating your beautiful embroidered design. Please read all instructions carefully before beginning your project.

Kit Contents

Your Waffle-Y Cute EM425 DIY Embroidery Kit includes the following components:

- Set of color threads (11 colors)
- 1x Stamped cloth with the design image (7.5 x 7.5 inches / 190 x 190 mm)
- 3x Embroidery needles (sharp point)
- 1x Embroidery clippers
- 1x Needle threader
- Printed color patterns on A4 format paper, including:
 - Cover page with a picture of the embroidery design
 - List of thread colors, needed length, and quantity
 - 4 pcs, A4 format real size images: color, black and white, and both with markers
 - Stitch guide
 - Instruction on how to transfer the design by using different ways

Note: An embroidery hoop is not included in this kit and must be acquired separately.

Getting Started

1. **Review the Pattern:** Begin by carefully examining the printed color patterns. These sheets provide the design image, a list of thread colors, and a stitch guide. Familiarize yourself with the design and the recommended stitches.
2. **Prepare the Cloth:** The kit includes a high-resolution stamped gabardine cloth (white, 11 x 11 inches) with the EM002 design. If you prefer to transfer the design yourself, refer to the 'Instruction on how to transfer the design by using different ways' sheet provided in your kit. Otherwise, you can embroider directly on the stamped design.
3. **Secure the Fabric (Optional but Recommended):** Place the stamped cloth into an embroidery hoop (not included) to keep the fabric taut. This helps maintain even tension and prevents puckering during stitching.
4. **Thread Your Needle:** Use the provided needle threader to easily thread your embroidery needles. Select the appropriate thread color and length as indicated in your pattern.

STAMPED CLOTH FOR EMBROIDERY KIT

This is a high-resolution stamped cloth with a design on it.
Size: 11 * 11 inch (280 * 280 mm);
Cloth type: Gabardine;
Cloth color: White.

The cloth is white and measures 11x11 inches.*

SHARP POINT EMBROIDERY NEEDLES
EMBROIDERY CLIPPERS IN BLACK
NEEDLE THREADER

NEEDLES:

Sharp Point Embroidery Needles, 3 pcs.

CLIPPERS:

Embroidery Clippers are great tool that will help to make your needlework handy.

NEEDLE THREADER:

This wired flower design threader is a perfect tool for threading strands through a needle.

Image: The essential embroidery tools included in the kit: three sharp point embroidery needles, black embroidery clippers, and a pink flower-shaped wire needle threader.

Embroidery Techniques

This kit utilizes a variety of stitches to create the intricate design. Refer to the included stitch guide for detailed instructions on each technique. The stitches used are:

- **A. Lazy Daisy Stitch:** Used for petals and small leaf shapes.
- **B. Satin Stitch:** Ideal for filling in areas smoothly, creating a lustrous surface.
- **C. Split Stitch:** Creates a solid, rope-like line, excellent for outlines and text.
- **D. Rose Stitch:** Forms a textured, dimensional rose shape.
- **E. French Knot:** Adds small, decorative dots and texture.
- **F. Woven Wheel Stitch:** Creates a circular, textured motif, often used for flowers.

Follow the color pattern sheets to guide your thread selection and stitch placement.

SAMPLE IMAGE OF THREAD SET FOR EMBROIDERY PATTERN

You will get a full set of threads to finish your work.

Palette: DMC. The thread length is calculated to be used in the chosen design and enough to finish it all following its instructions.

Image: A collection of various colored embroidery threads, neatly wound on bobbins, ready for use with the Waffle-Y Cute EM425 design. The threads are sufficient to complete the project.

Care and Maintenance

- **Finished Embroidery Care:** Once your embroidery is complete, you may gently hand wash it in cool water with a mild detergent if necessary. Lay flat to dry on a clean towel. Iron on the reverse side with a low heat setting, placing a clean cloth between the iron and the embroidery.
- **Tool Care:** Keep your embroidery needles clean and dry to prevent rust. Store them safely to avoid bending or dulling. The embroidery clippers should also be kept dry and clean; their sharp blades are designed for precise thread cutting.

Troubleshooting

- **Tangled Threads:** If your thread frequently tangles, try using shorter lengths of thread. Ensure your working thread is not twisted.
- **Uneven Stitches:** Practice maintaining consistent tension on your thread. Using an embroidery

hoop can significantly help in achieving even stitches.

- **Needle Breaks:** If a needle breaks, replace it with one of the spares provided. Ensure you are not forcing the needle through the fabric.

Specifications

Brand	Awesome Pattern Studio
Model Name	EM425
Kit Size	7.5 x 7.5 inches / 190 x 190 mm (design area)
Cloth Size	11 x 11 inches / 280 x 280 mm
