1. PRODUCT OVERVIEW

The Modway Keynote Full Bed Frame is a modern upholstered platform bed designed for comfort and style. It features a curve-shaped headboard with rounded edges and a soft cloud bed frame design. Constructed with a robust MDF frame and a wooden slat base, this bed frame eliminates the need for a traditional box spring, making it compatible with various mattress types including memory foam, innerspring, latex, and hybrid. The frame stands on durable LVL legs equipped with non-marking caps to protect your floors. Assembly is required for this product.

2. SETUP AND ASSEMBLY

This Modway Keynote Full Bed Frame requires assembly. Please follow the included assembly instructions carefully to ensure proper and safe construction. It is recommended to have two adults for assembly.

2.1. Before You Begin

- Unpack all components and verify against the parts list provided in your assembly manual.
- Ensure you have adequate space for assembly and that the area is clean and clear of obstructions.
- Gather any necessary tools as indicated in the assembly instructions (e.g., Allen wrench, screwdriver).

2.2. Assembly Steps

1. Begin by attaching the side rails to the headboard and footboard, ensuring all bolts are securely tightened.
2. Install the center support beam and legs, if applicable, to provide additional stability.
3. Carefully place the wooden slats across the bed frame, ensuring they are evenly spaced and secured according to the instructions. The slat system provides direct mattress support, eliminating the need

for a box spring.

4. Once assembled, gently shake the frame to confirm all connections are stable and secure.

Image 2.2: View of the wooden slat base, designed to support various mattress types without a box spring.

3. OPERATING INSTRUCTIONS

The Modway Keynote Full Bed Frame is designed for straightforward use once assembled.

3.1. Mattress Placement

- Carefully place your full-size mattress directly onto the wooden slat base.
- Ensure the mattress is centered and sits securely within the frame.
- This bed frame is compatible with memory foam, innerspring, latex, and hybrid mattresses.

3.2. Weight Capacity

The Modway Keynote Full Bed Frame has a maximum weight capacity of 800 lbs. Do not exceed this limit to ensure the longevity and safety of the product.

4. MAINTENANCE AND CARE

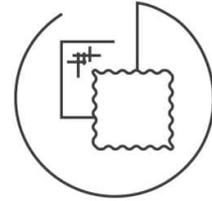

Proper care will help maintain the appearance and structural integrity of your Modway Keynote Full Bed Frame.

4.1. General Cleaning

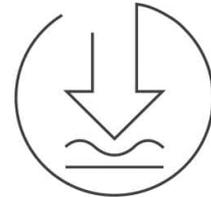

- **Fabric Upholstery:** For routine cleaning, gently vacuum the heathered weave fabric upholstery using an upholstery attachment to remove dust and debris. For spills, blot immediately with a clean, dry cloth. For stubborn stains, consult a professional upholstery cleaner or use a mild fabric cleaner suitable for upholstered furniture, testing on an inconspicuous area first.
- **Wood Components:** Wipe wood surfaces (slats, legs) with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.

4.2. Structural Maintenance

- Periodically check all bolts and connections to ensure they remain tight. Re-tighten if necessary to prevent squeaking or instability.
- Avoid dragging the bed frame when moving it. Lift the frame to prevent damage to the legs and floor.

**Woven Heathered
Fabric Upholstery**

**Dense Foam Padding
& MDF Frame**

**Wood Slat Support
(Box Spring Not Required)**

*Mattress not included

5. TROUBLESHOOTING

If you encounter any issues with your Modway Keynote Full Bed Frame, refer to the following common solutions.

5.1. Common Issues and Solutions

- **Squeaking Noises:**
 - Ensure all assembly bolts are securely tightened. Loose connections are a common cause of squeaking.
 - Check that the wooden slats are properly seated and evenly distributed.
- **Instability/Wobbling:**
 - Verify that all legs are firmly attached and making even contact with the floor.
 - Re-check all frame connections for tightness.
- **Missing Parts:**
 - If you find any parts missing during assembly, refer to the contact information in the Warranty & Support section to request replacements.

6. SPECIFICATIONS

Feature	Detail
Model Number	MOD-7138-HLG
