Bugaboo 391772200

Bugaboo Dragonfly City Stroller User Manual

Model: 391772200

INTRODUCTION

The Bugaboo Dragonfly City Stroller is designed for urban environments, offering responsive steering, full suspension, and high-performance wheels for smooth handling. This 2-in-1 stroller accommodates newborns with a bassinet and growing children with a toddler seat. Its innovative one-hand fold mechanism allows for compact, self-standing storage without removing the bassinet or seat. This manual provides essential information for the safe and proper use, maintenance, and care of your Bugaboo Dragonfly City Stroller.

Bugaboo Dragonfly

Our most comfortable compact stroller for city streets or suburban sidewalks.

SETUP AND ASSEMBLY

Unfolding the Stroller

The Bugaboo Dragonfly features an easy one-hand unfold. Ensure the stroller is on a flat, stable surface. Release the locking mechanism and lift the handlebar until the frame clicks into place. Verify all components are securely locked before use.

Attaching the Bassinet or Seat

The stroller is designed for both bassinet and toddler seat configurations. Align the bassinet or seat unit with the frame connectors until you hear a click, indicating it is securely attached. Always check that the unit is firmly in place by gently pulling upwards.

Innovative one-hand compact fold with seat or bassinet

Reversible, reclinable seat with adjustable leg rest

Reversible PureBreeze™ mattress

Newborn to 50 pounds

Wheeled board compatible for a second child

Comfortable bassinet with built-in breezy panel

Car seat compatible (adapters included)

Car Seat Compatibility

The Bugaboo Dragonfly is car seat compatible. Adapters are included to facilitate the attachment of compatible car seats. Refer to the car seat manufacturer's instructions for proper installation with the adapters.

OPERATING INSTRUCTIONS

Folding the Stroller

To fold the stroller, ensure the bassinet or seat is in the correct position (refer to specific instructions for each). Engage the one-hand fold mechanism on the handlebar and guide the stroller into its compact, self-standing position. This can be done without removing the bassinet or seat.

Easy one-hand fold into
self-standing compact position

Brake System

The stroller is equipped with a reliable brake system. To engage the brake, press down firmly on the brake pedal located near the rear wheels. To release, lift the pedal. Always ensure the brake is engaged when the stroller is stationary.

Adjustments

- **Handlebar:** The handlebar height can be adjusted for user comfort. Locate the adjustment buttons on the sides of the handlebar and press to extend or retract.
- **Seat Recline:** The toddler seat offers multiple recline positions. Use the recline mechanism to adjust the seat to your child's comfort.
- **Leg Rest:** The adjustable leg rest provides support for your child's legs as they grow.
- **Harness:** The 5-point harness is adjustable in height to ensure a secure and comfortable fit for your child.

Storage

The Bugaboo Dragonfly features an extra-large underseat basket with a capacity of up to 22 lbs (10 kg). An included bag provides an additional 5.5 lbs (2.5 kg) of storage and can be attached to the handlebar for easy access.

Underseat basket holds up to 22 lbs, plus an included bag adds 5.5 lbs of extra storage and can attach to the handlebar for easy access.

MAINTENANCE

Cleaning Instructions

- **Fabrics:** The stroller fabrics (Polyester, Woven Fabric) can be spot cleaned with a damp cloth and mild detergent. For deeper cleaning, refer to the care labels on individual fabric components.
- **Frame:** Wipe the alloy steel frame with a soft, damp cloth. Avoid abrasive cleaners.
- **Wheels:** Regularly clean the wheels to remove dirt and debris. The tire material is possibly rubber or a similar synthetic material.

General Care

Periodically check all moving parts, fasteners, and locking mechanisms to ensure they are functioning correctly and

securely. Store the stroller in a dry place away from direct sunlight to prevent material degradation.

TROUBLESHOOTING

If you encounter any issues with your Bugaboo Dragonfly City Stroller, please review the following general advice:

- **Folding/Unfolding Issues:** Ensure all locks are disengaged and no fabric is obstructing the mechanism. Apply gentle, even pressure.
- **Wheel Performance:** Check wheels for debris or damage. Ensure they are properly attached and rotate freely.
- **Component Security:** Always double-check that the bassinet or seat unit is securely clicked into the frame.

For persistent problems or specific technical support, please contact Bugaboo customer service.
