4. OPERATING INSTRUCTIONS

Attaching an Infant Car Seat

1. With the adapter securely attached to the stroller frame, position your compatible infant car seat over the adapter.
2. Lower the car seat onto the adapter until it clicks into place on both sides.
3. Gently lift the car seat to ensure it is firmly secured to the adapter before placing your child inside or moving the stroller.

Removing an Infant Car Seat

1. Locate the car seat release levers or buttons on your infant car seat (refer to your car seat's manual for specific instructions).

2. Simultaneously activate the release mechanism and lift the car seat straight up from the adapter.

Easy Comfort

Adapter snaps directly onto the stroller's frame, while baby stays cozy in the car seat.
