Warhammer 40,000: Space Marine 2 - PlayStation 5 Standard Edition User Manual

Official Instructions and Information

PRODUCT OVERVIEW

Warhammer 40,000: Space Marine 2 for PlayStation 5 immerses players in the brutal universe of Warhammer 40,000. As a superhuman Space Marine, players will engage in intense third-person action, battling relentless Tyranid swarms. The game offers a rich narrative experience combined with diverse gameplay options.

Key features include:

- Embody the superhuman skill and brutality of a Space Marine. Unleash deadly abilities and devastating weaponry to obliterate the relentless Tyranid swarms. Defend the Imperium in spectacular third-person action in solo or co-op modes.
- Purge the relentless Tyranid swarms as legendary Space Marine Titus in a spectacular new campaign. Play solo or with up to 2 friends in 3 player co-op.
- Enjoy intense, gory and fast-paced third-person action with hundreds of enemies on screen, from the creators of blockbuster co-op shooter World War Z.
- Standard edition includes: Base game, Macragge's Chosen DLC, with 3 unique cosmetics for your Bolt Rifle, Chainsword & Power Armour.

SETUP

1. **Console Compatibility:** Ensure your PlayStation 5 console is updated to the latest system software version.
2. **Disc Installation:** Insert the Warhammer 40,000: Space Marine 2 game disc into your PlayStation 5 console. The game will automatically begin the installation process.
3. **Game Updates:** Connect your PlayStation 5 to the internet. The game may require a day-one patch or subsequent

updates to ensure optimal performance and access to all features. Allow these updates to download and install completely before playing.

4. **DLC Content:** If your edition includes the Macragge's Chosen DLC, follow the on-screen prompts or refer to the included voucher for instructions on how to redeem and install this additional content.

OPERATING THE GAME

Gameplay Modes

- **Campaign:** Experience a spectacular new campaign as legendary Space Marine Titus. This mode can be played solo or with up to 2 friends in 3-player co-op.
- **Operations (PvE):** Engage in endlessly brutal and replayable Player vs Environment (PvE) missions. These missions complement the main story and can be played solo with NPC allies or online with up to 2 other players.
- **Multiplayer (PvP):** Wage eternal war on your enemies in ferocious 6v6 Player vs Player (PvP) matches. Online play is free and allows for customization of your Space Marine.

Combat and Progression

The game features intense, gory, and fast-paced third-person action. Players will utilize a variety of devastating weaponry and deadly abilities to combat hundreds of enemies on screen simultaneously.

- **Classes:** Choose from 6 different Ultramarine Classes for PvE modes: Tactical, Assault, Vanguard, Bulwark, Sniper, and Heavy. Each class possesses unique strengths and weaknesses.
- **Upgrades:** As you progress, you can upgrade your weapons and abilities. Playing on harder difficulty settings yields greater rewards for these upgrades.

MAINTENANCE

- **Disc Care:** Handle the game disc by its edges to avoid fingerprints and scratches. Store the disc in its case when not in use.
- **Console Ventilation:** Ensure your PlayStation 5 console has adequate ventilation to prevent overheating during extended gameplay sessions.

- **Software Updates:** Regularly check for and install game updates. These updates often include performance improvements, bug fixes, and new content, ensuring the best possible gaming experience.
- **Save Data Management:** Periodically back up your game save data to cloud storage (PlayStation Plus subscription required) or a USB drive to prevent loss of progress.

TROUBLESHOOTING

If you encounter issues while playing Warhammer 40,000: Space Marine 2, consider the following general troubleshooting steps:

- **Restart Console:** A simple restart of your PlayStation 5 can resolve many minor glitches.
- **Check Internet Connection:** For online features or updates, ensure your console has a stable internet connection.
- **Verify Game Files:** On your PlayStation 5, navigate to the game icon, press the Options button, and select "Check for Update" or "Verify and Repair" if available.
- **Reinstall Game:** If problems persist, try deleting the game data from your console and reinstalling it from the disc and downloading all updates.
- **Consult Online Resources:** For specific error codes or persistent issues, refer to the official Deep Silver support website or community forums for known solutions.
