2. SAFETY INFORMATION

Please read and understand all safety instructions before assembling or using this product. Failure to follow these instructions may result in injury or damage to the product.

- **Weight Capacity:** Do not exceed the maximum weight recommendation of 220 pounds on the countertop.
- **Movement:** Use caution when moving the island, especially on uneven surfaces, to prevent tipping.
- **Stability:** Always engage the wheel locks when the island is stationary to ensure stability and prevent unintended movement.
- **Assembly:** Ensure all fasteners are securely tightened during assembly. Do not overtighten.
- **Children:** Keep children away from the product during assembly and ensure proper supervision during use.

3. SETUP AND ASSEMBLY

This kitchen island requires assembly. Step-by-step assembly instructions are included with your product. Please follow the provided guide carefully. It is recommended to have two people for certain assembly steps to ensure ease and safety.

Assembly Tips:

- Unpack all components and verify against the parts list before beginning.
- Organize hardware to simplify the process.
- A power drill can expedite the process, but use caution to avoid overtightening screws.
- Ensure all cam lock fasteners are fully engaged.

4. OPERATING INSTRUCTIONS

4.1 Drop-Leaf Countertop Operation

The kitchen island features a collapsible drop-leaf countertop to adapt to your space requirements.

1. To extend the countertop, gently lift the hinged leaf until it is level with the main countertop.
2. Locate the support arms underneath the leaf and swing them outwards to support the extended section. Ensure they are securely locked into place.
3. To fold down, release the support arms and gently lower the leaf until it rests against the side of the island.

4.2 Mobile Functionality

The island is equipped with five universal wheels for easy movement. Two of these wheels include locking mechanisms for stability.

- To move the island, ensure the wheel locks are disengaged.
- Gently push or pull the island to its desired location.
- Once in position, engage the two wheel locks to prevent the island from rolling.

4.3 Adjustable Shelves

The internal shelves within the storage cabinets are adjustable to accommodate items of various heights.

- To adjust a shelf, remove any items from the shelf.
- Carefully lift the shelf out of its current position.
- Reinsert the shelf into the desired set of pre-drilled holes, ensuring it is level and secure.

5. MAINTENANCE

Proper care and maintenance will ensure the longevity and appearance of your HLR Kitchen Island.

- **Cleaning:** Wipe surfaces with a dry cloth. For spills, use a damp cloth immediately and dry thoroughly. Avoid harsh chemicals or abrasive cleaners.
- **Rubberwood Top:** The rubberwood tabletop is stain and water-resistant. However, it is advisable to clean spills promptly to prevent potential damage.

- **Hardware:** Periodically check and tighten all screws and fasteners to maintain structural integrity.
- **Wheels:** Keep wheels free of debris to ensure smooth rolling.

6. TROUBLESHOOTING

If you encounter any issues with your HLR Kitchen Island, please refer to the following common solutions:

- **Wobbly Island:** Ensure all assembly screws and cam locks are fully tightened. Verify the island is on a level surface.
- **Wheels Not Rolling Smoothly:** Check for debris caught in the wheels. Ensure wheel locks are fully disengaged.
- **Drop-Leaf Not Level:** Verify that the support arms are fully extended and locked into position.
- **Difficulty with Assembly:** Review the step-by-step assembly instructions provided with the product. If issues persist, contact customer support for professional guidance.
